

Mission Report

Business Process Mapping

23rd January - 3rd February 2023

Notation Used

Notation	Description
	Start: Acts as a process trigger; indicated by a single narrow border, and can only be Catch, so is shown with an open (outline) icon
	Connector: Shows the order of activities to be performed. It is shown as a straight or elbow line with an arrow.
	Activity: An activity is represented with a rounded-corner rectangle and describes the kind of work which must be done. An activity is a generic term for work that a company performs. It can be atomic or compound.
	End: Represents the result of a process; indicated by a single thick or bold border, and can only Throw, so is shown with a solid icon.
	Decision Point: Decision point that can adjust the path based on conditions or events. They are shown as diamonds.
	Sub process: Indicates an underlying sub process
	Swim lane: Represents major participants in a process

AGENDA SLIDE

1

Conduct Elicitation Analysis

- High Level Requirement gathering
- Assessing & understanding the Business Needs
- Gathering & reviewing Documentations
- Identifying Process and understand workflow

2

Process analysis & Model the AS-IS & To-BE

- Performing As-Is process analysis
- Performing As-Is process flow modeling
- Optimize the process to create To-Be Process.
- High –Level Use Cases Description

3

Solution proposal & High-level Cost Analysis

- Internal & External Benchmarking
- Define Recommendation & best practice
- Basics high-level cost analysis

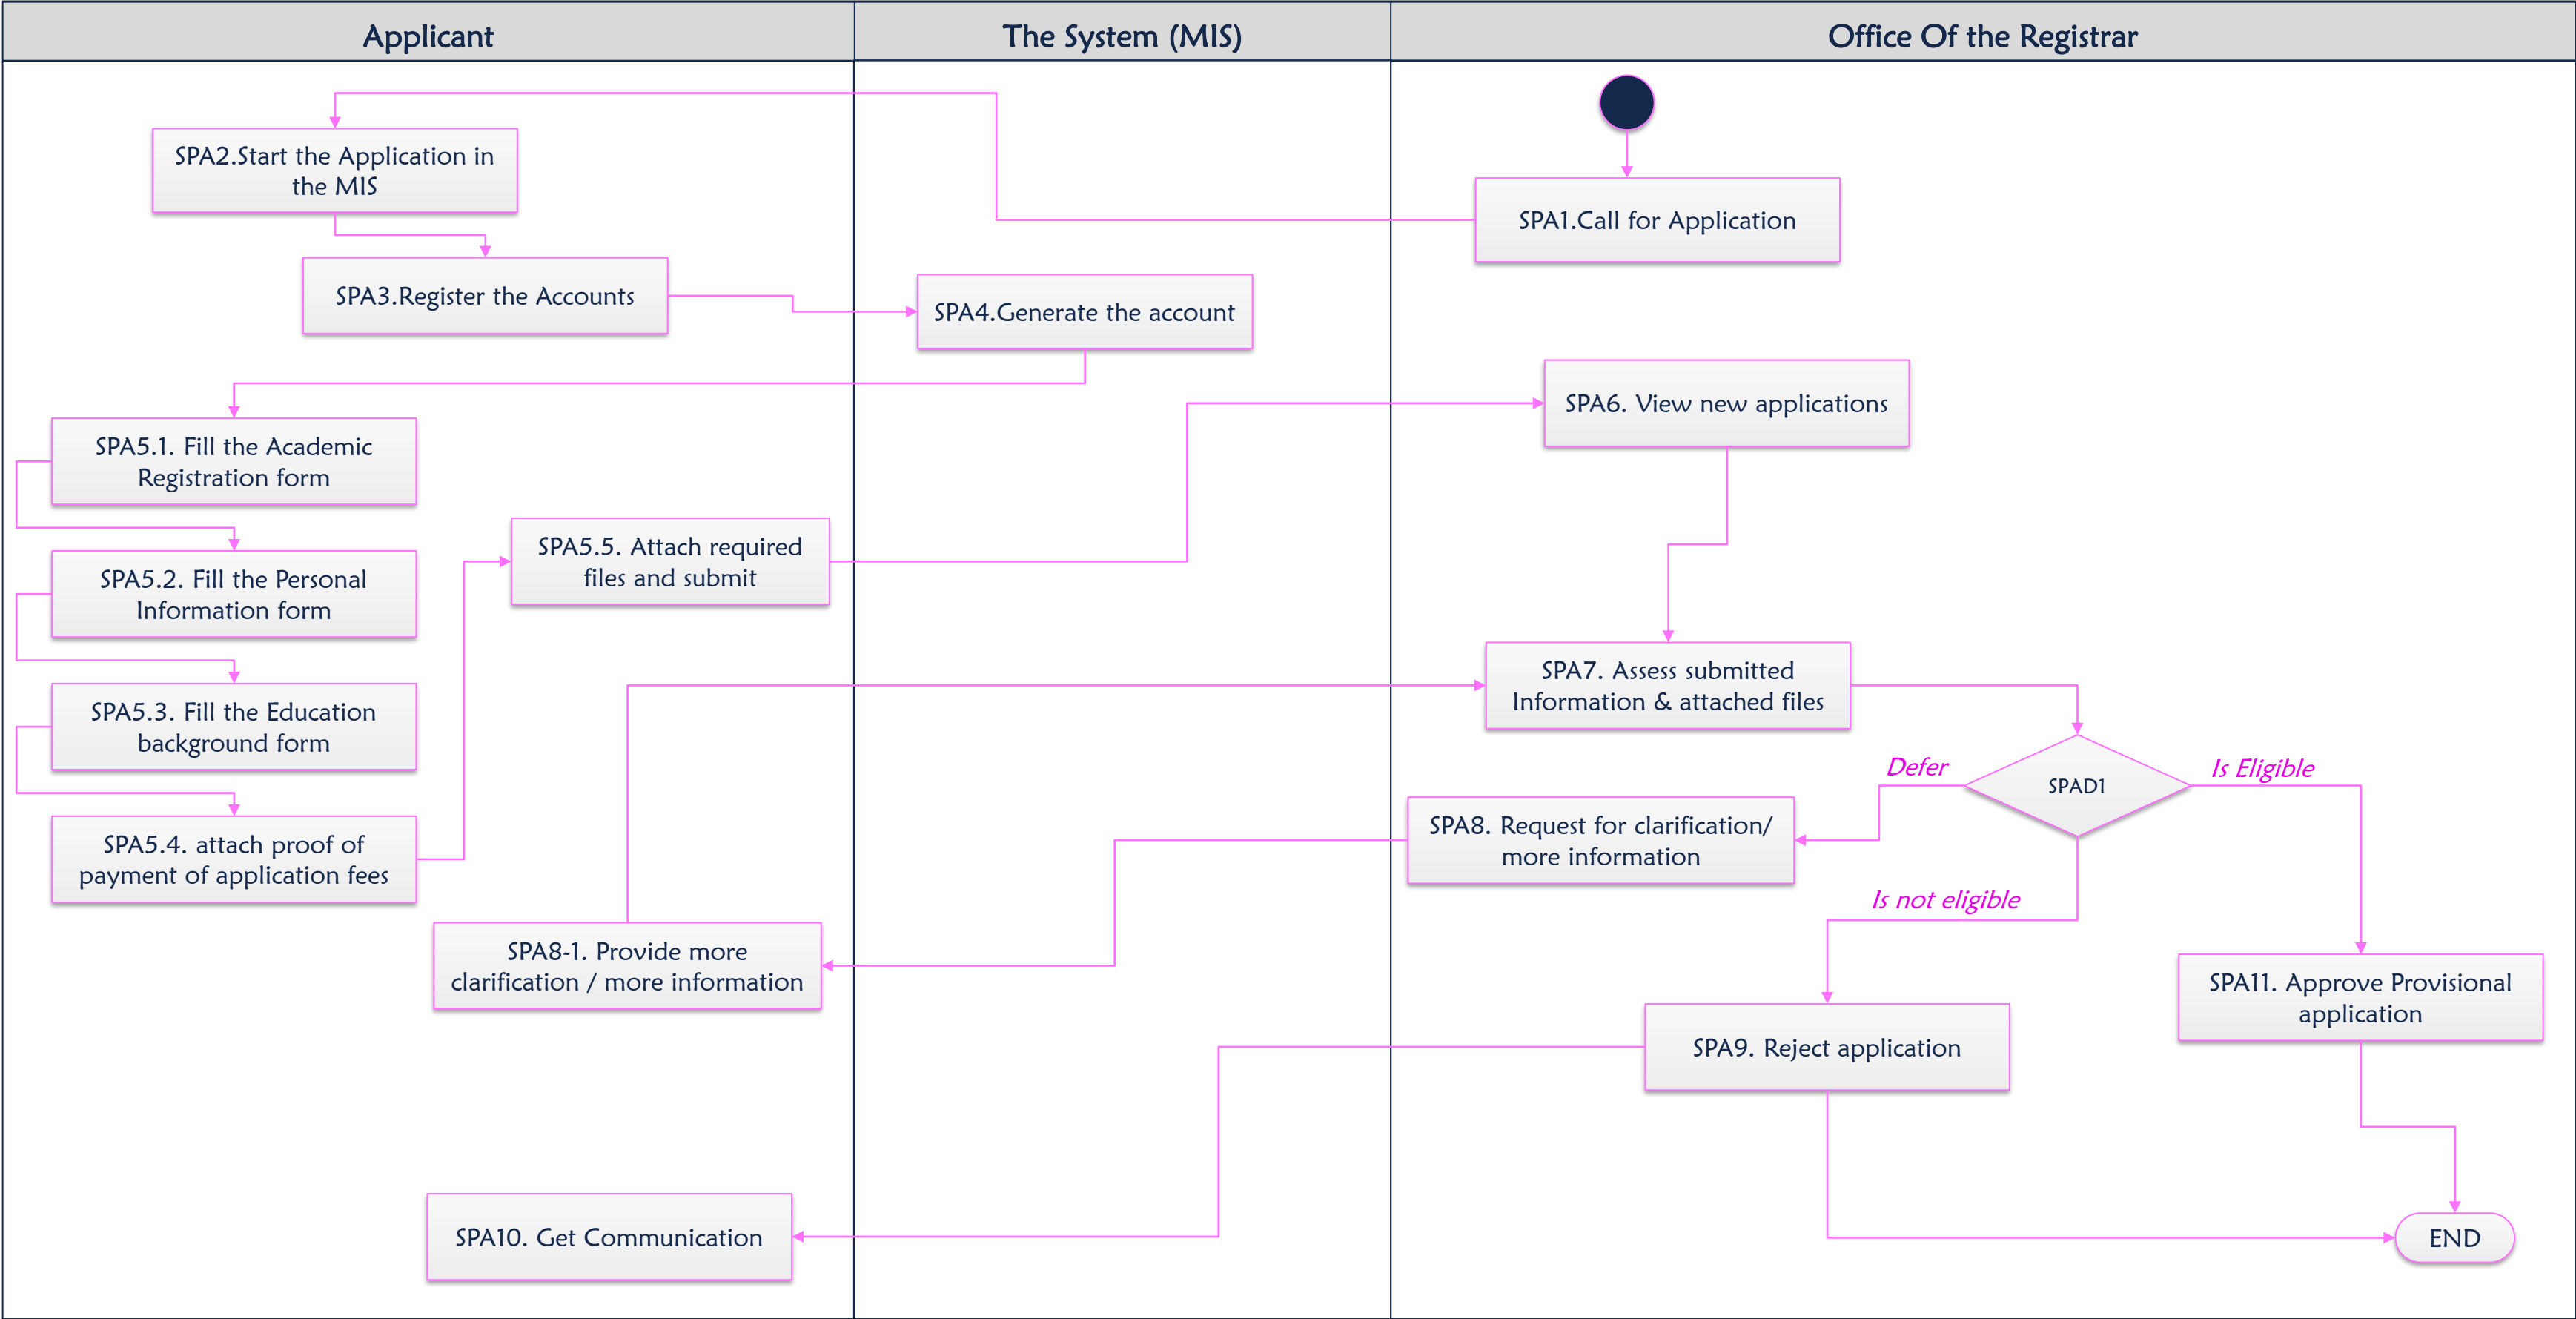

4

Reporting & Validation

Process analysis & Modelling AS-IS

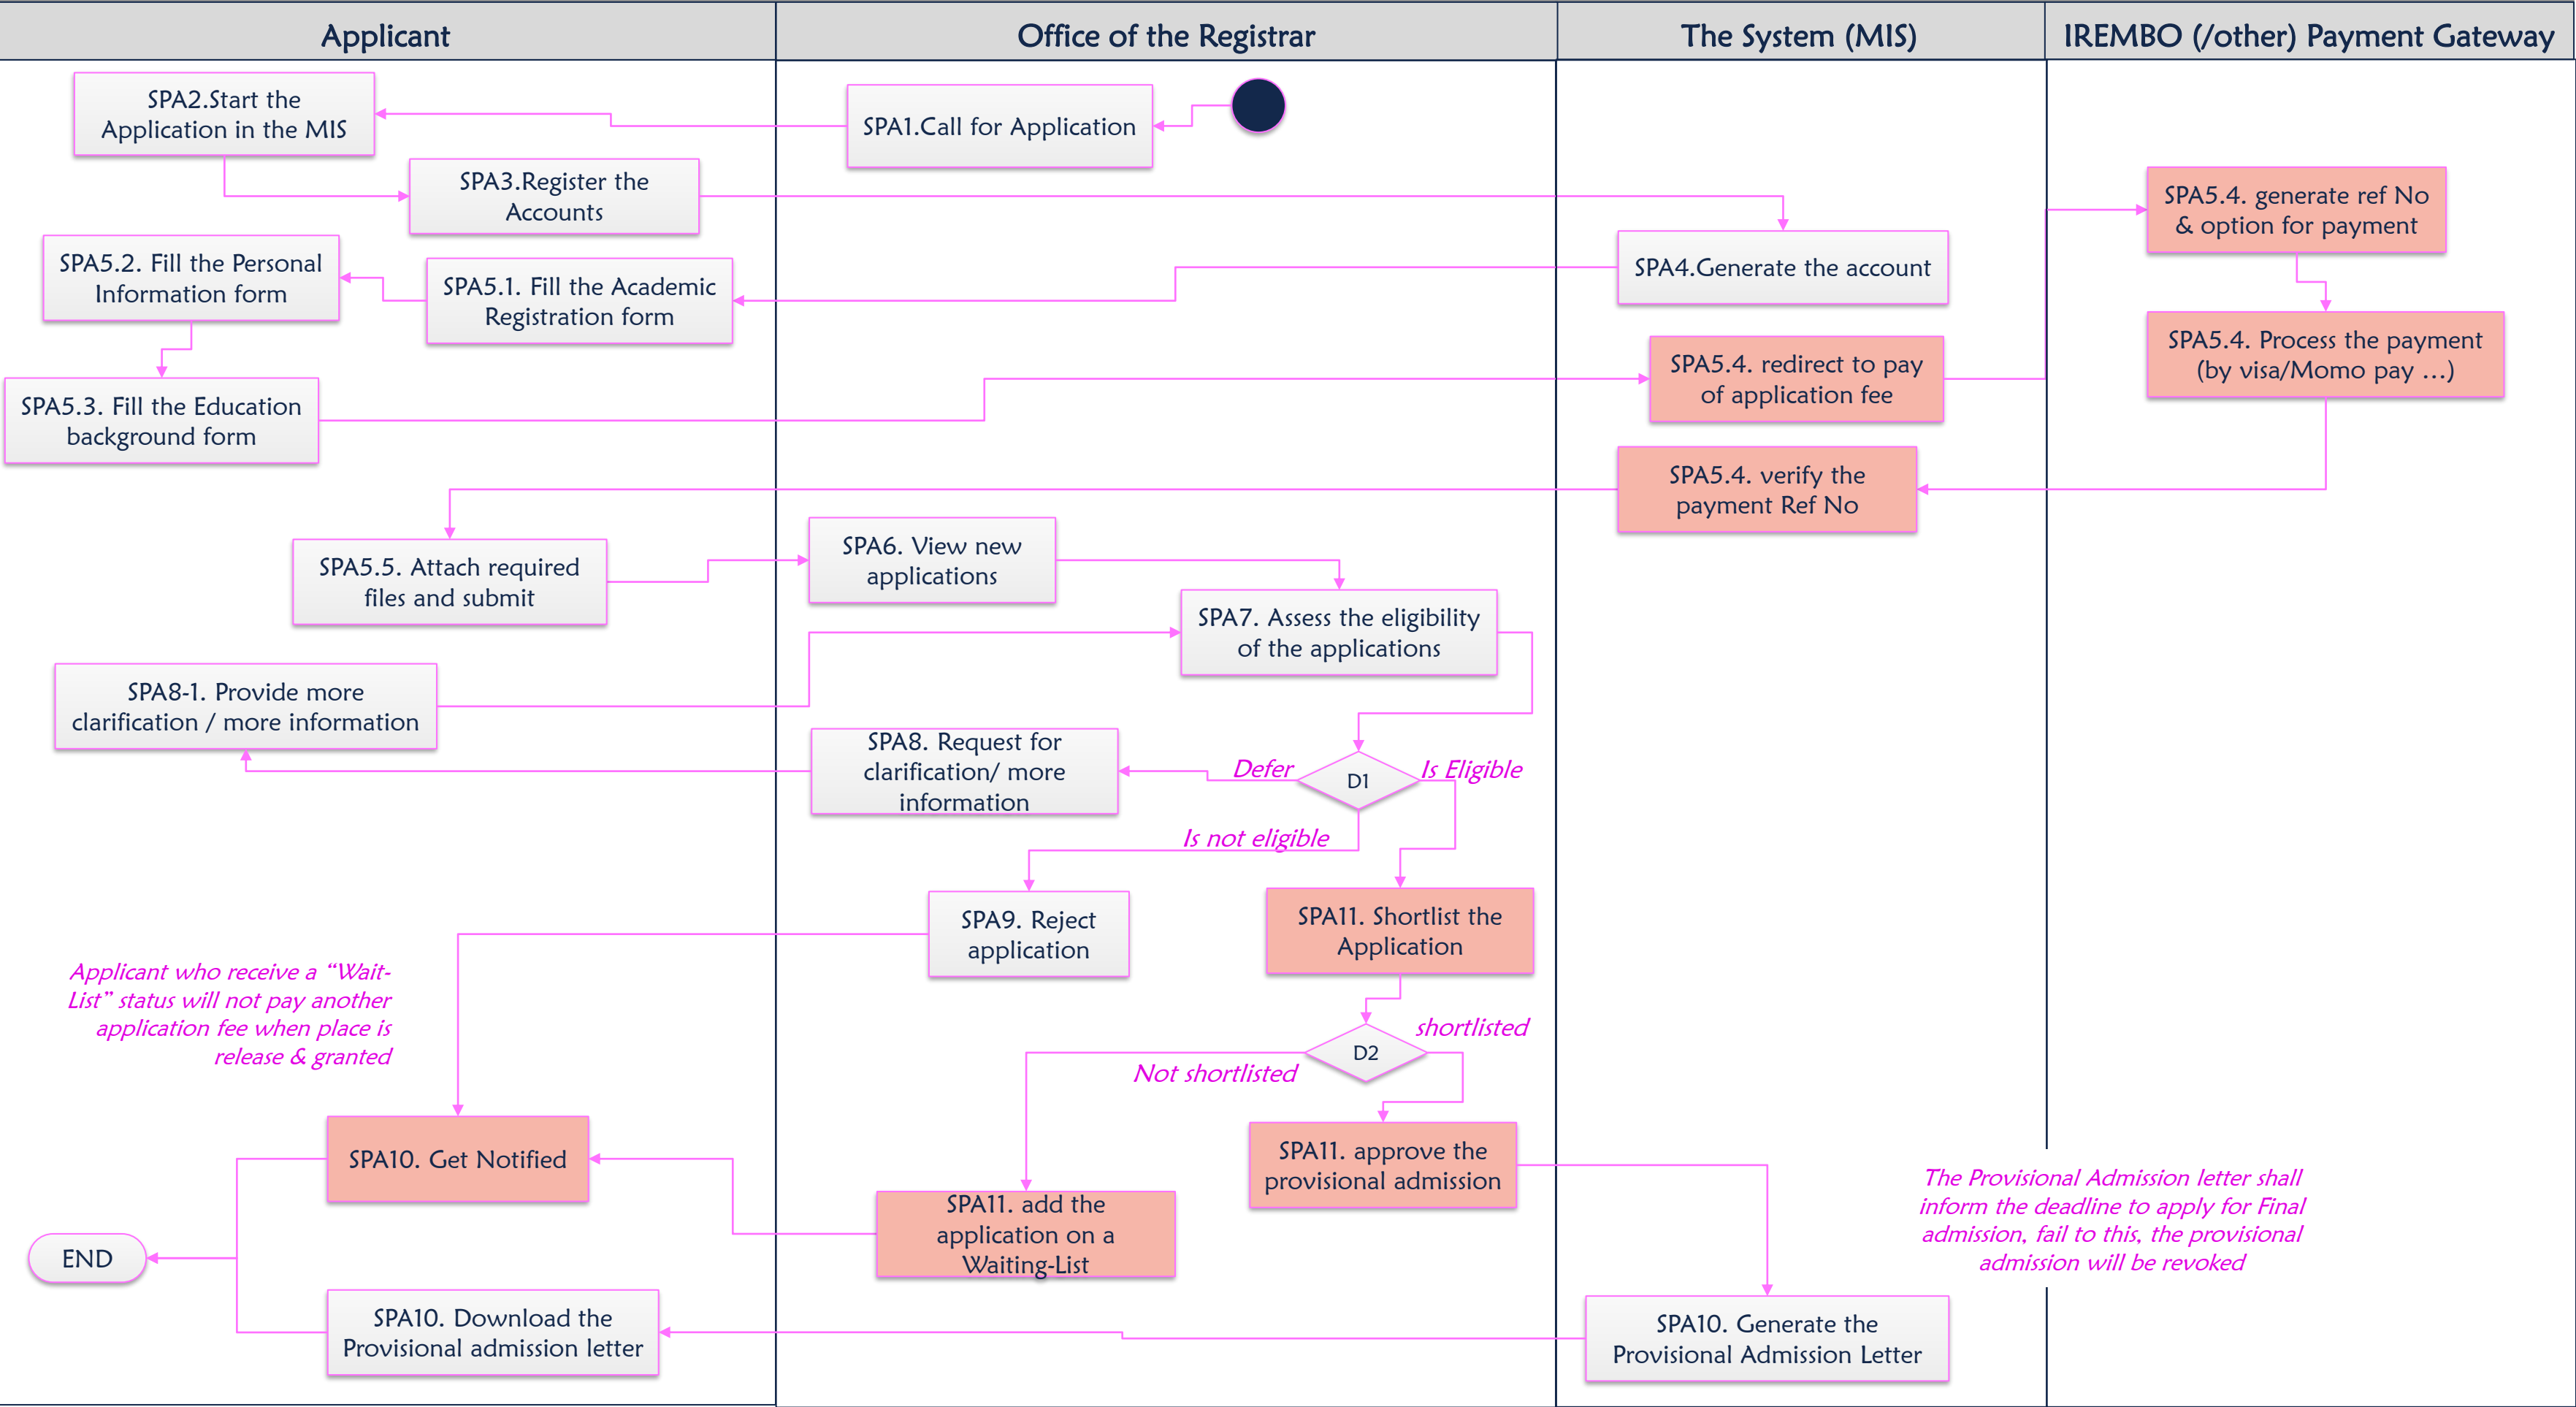

Student application & admission– provisional Admission AS_IS

Student Application –Provisional Admission

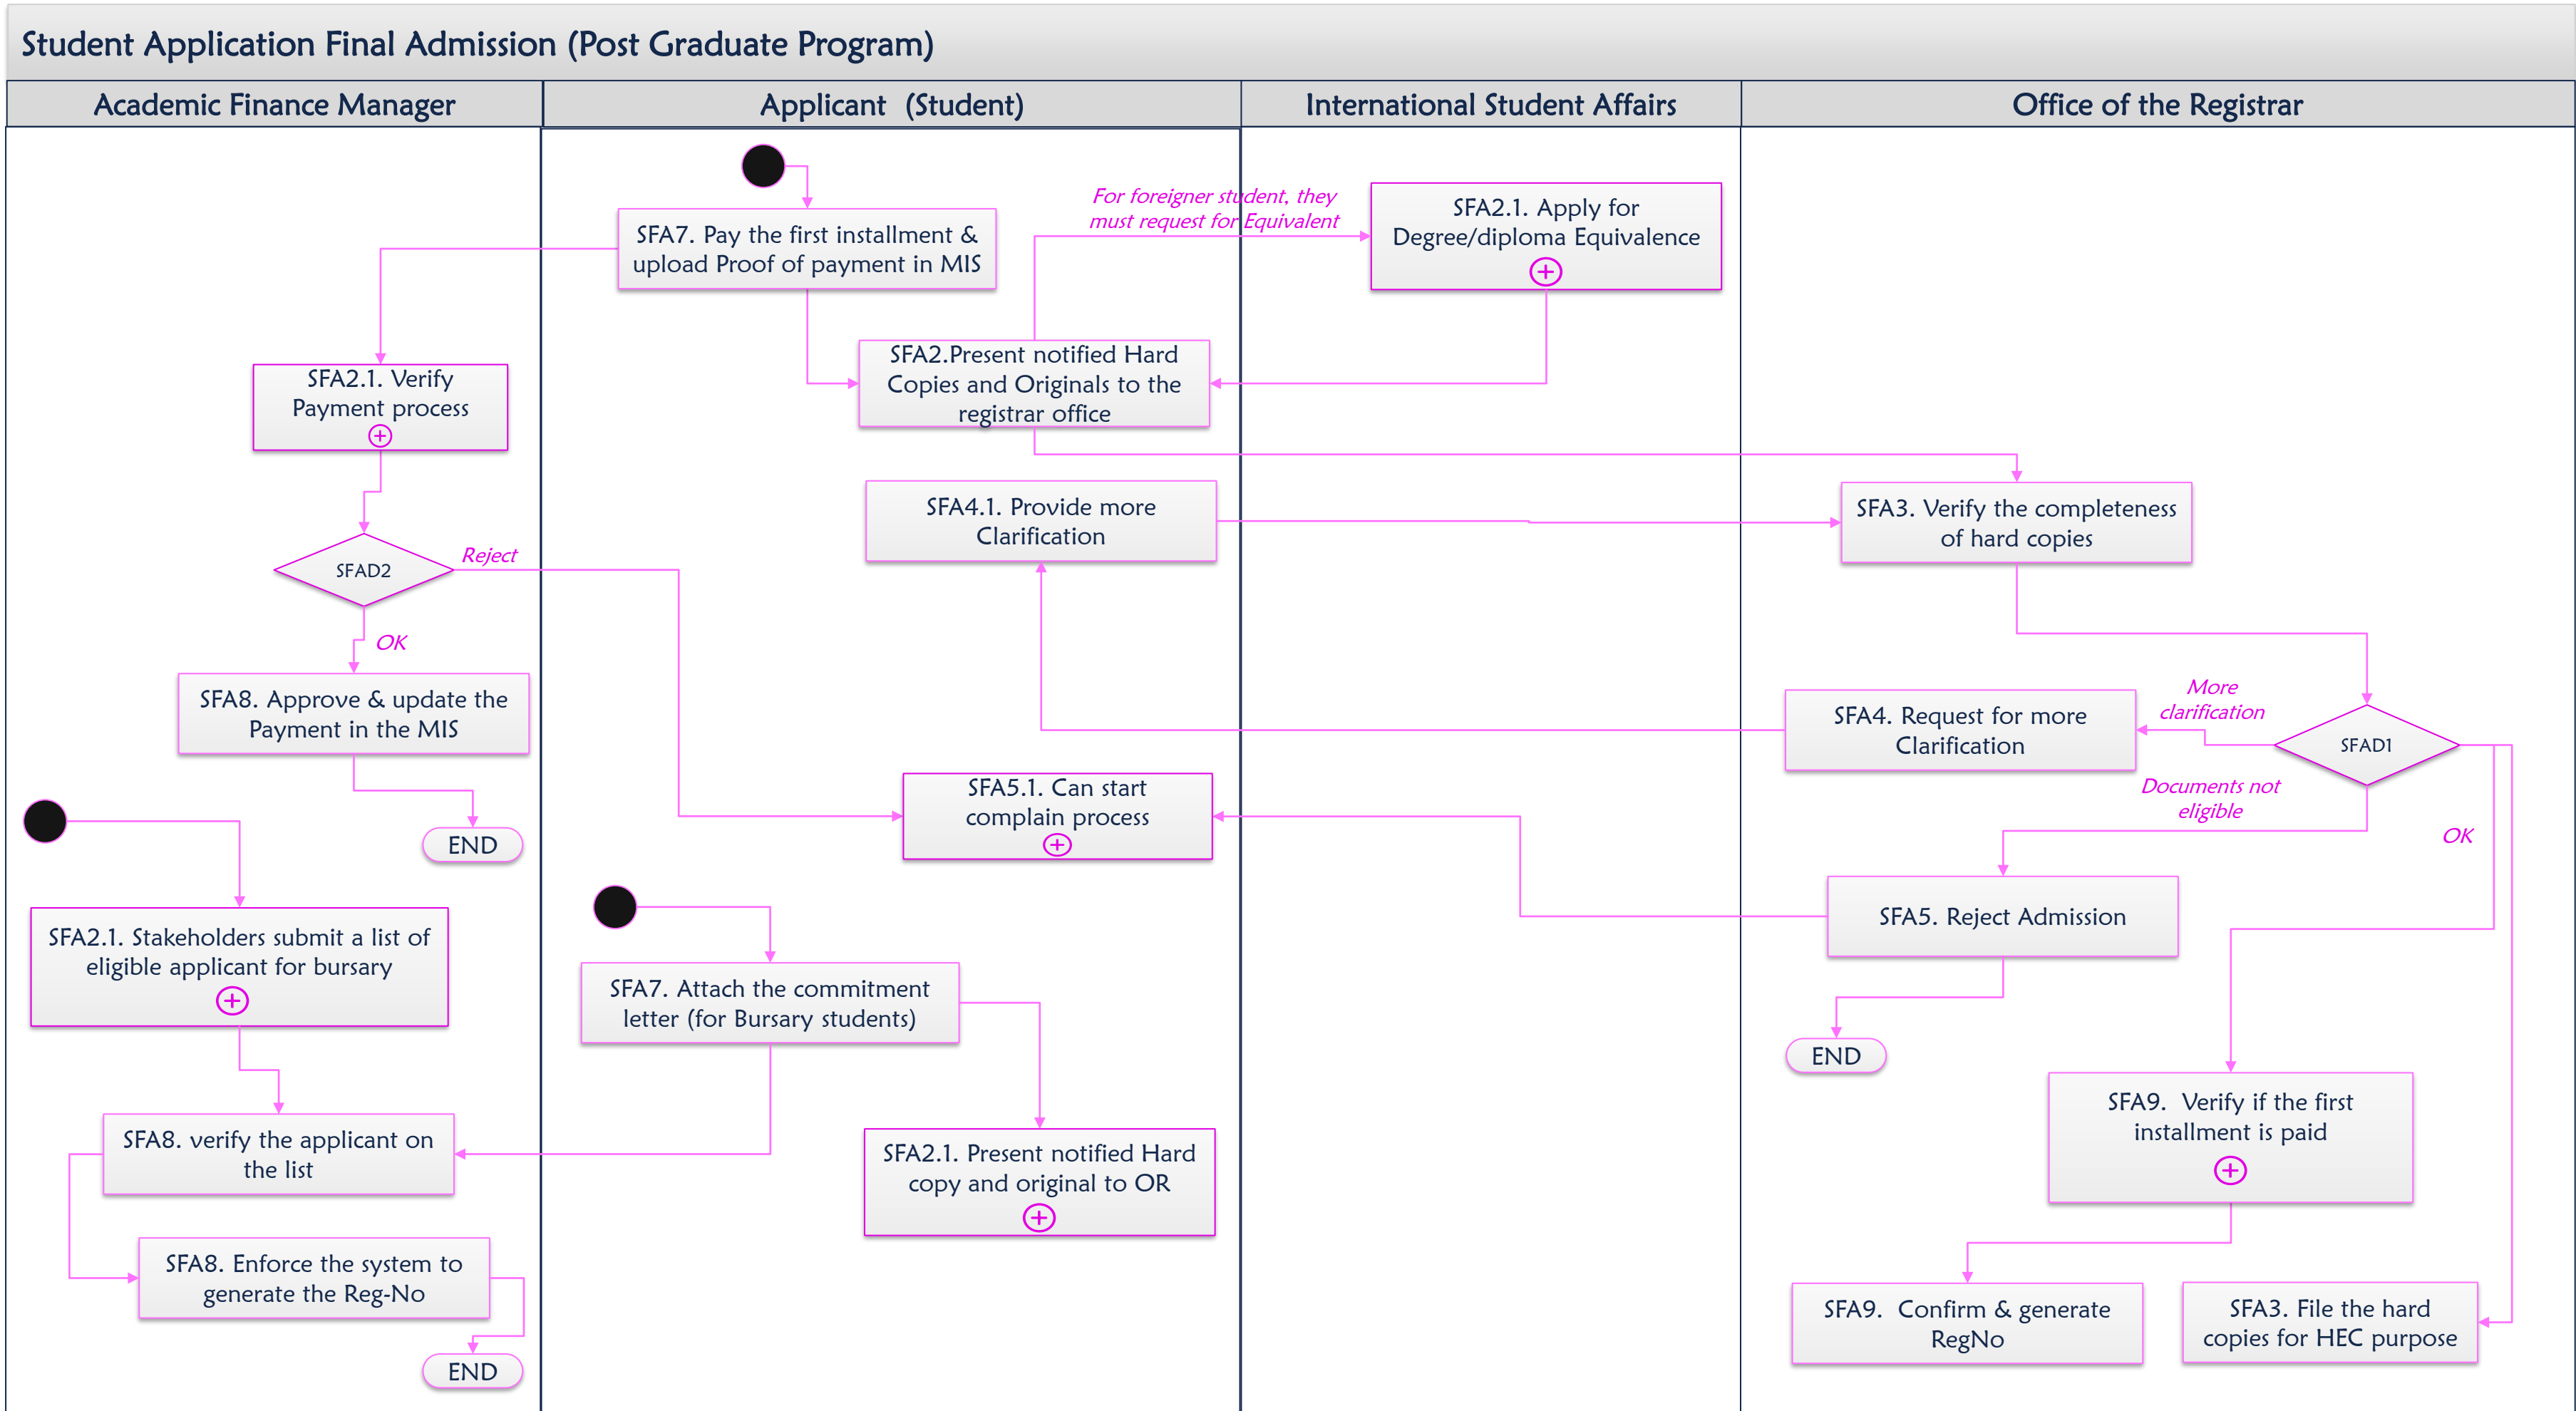

Student application & admission– Provisional Admission (TO-BE)

Student Application –Provisional Admission

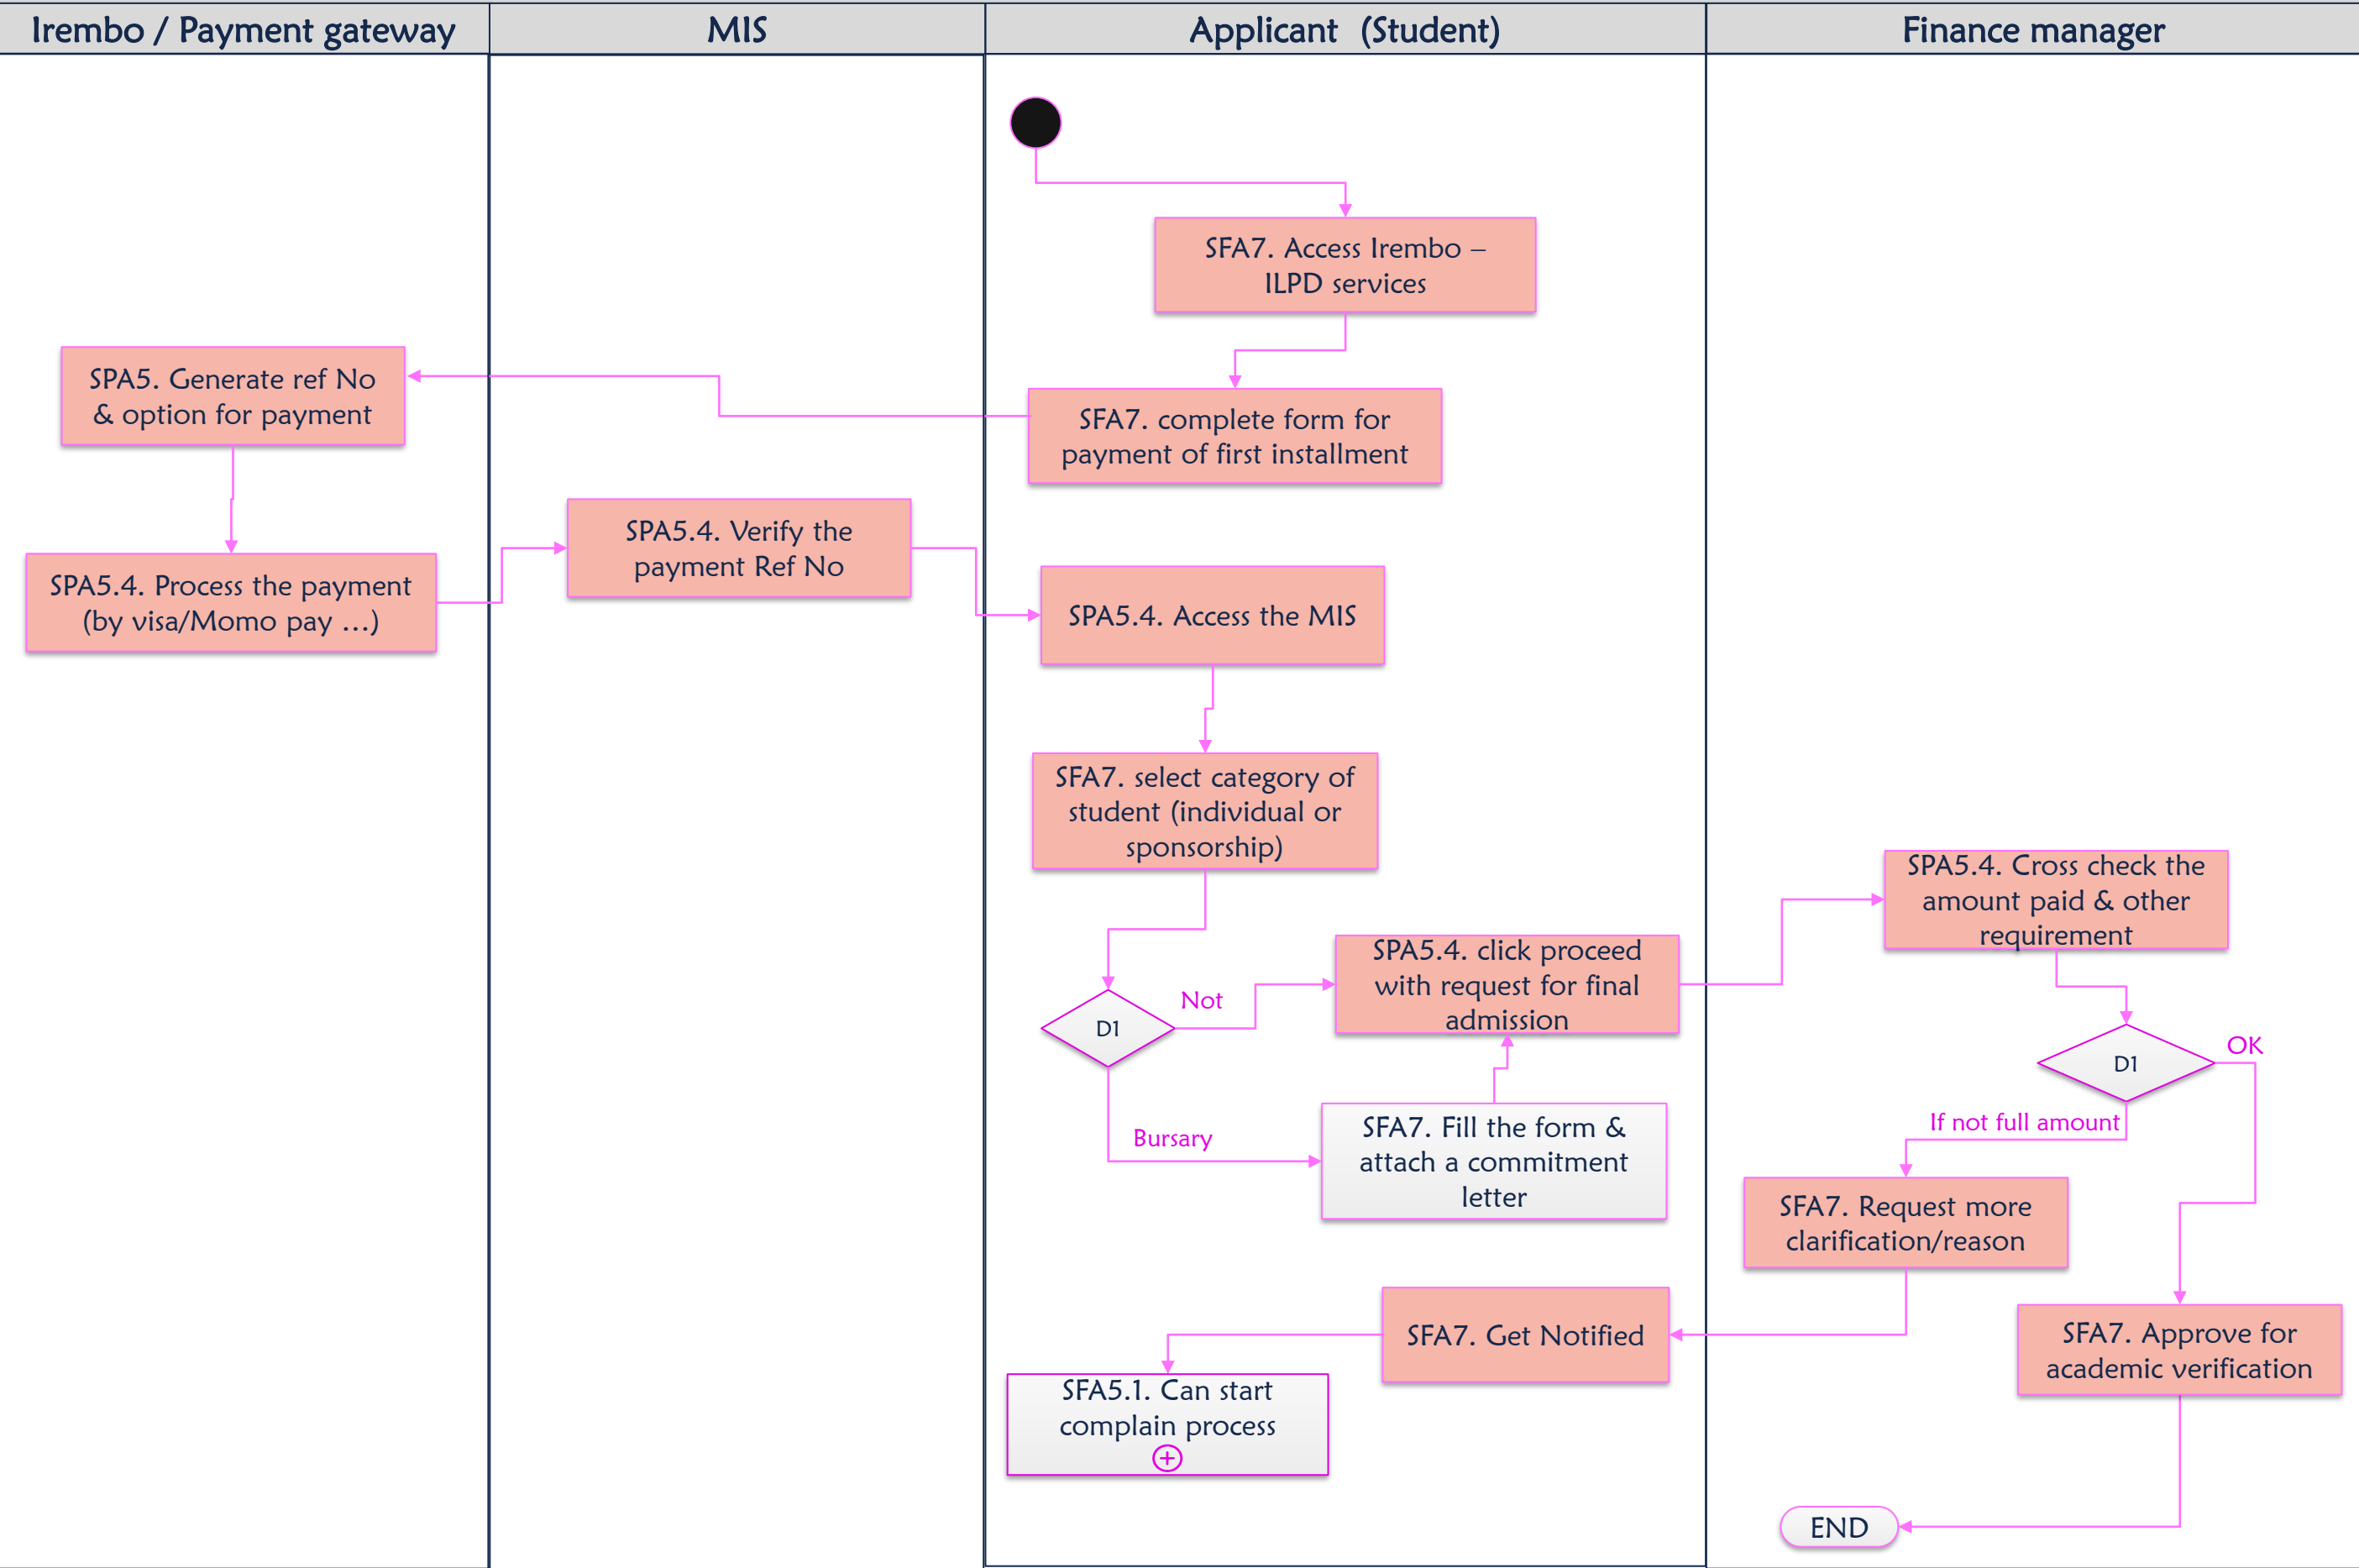

Post Graduate Student application – Final Admission (AS-IS)

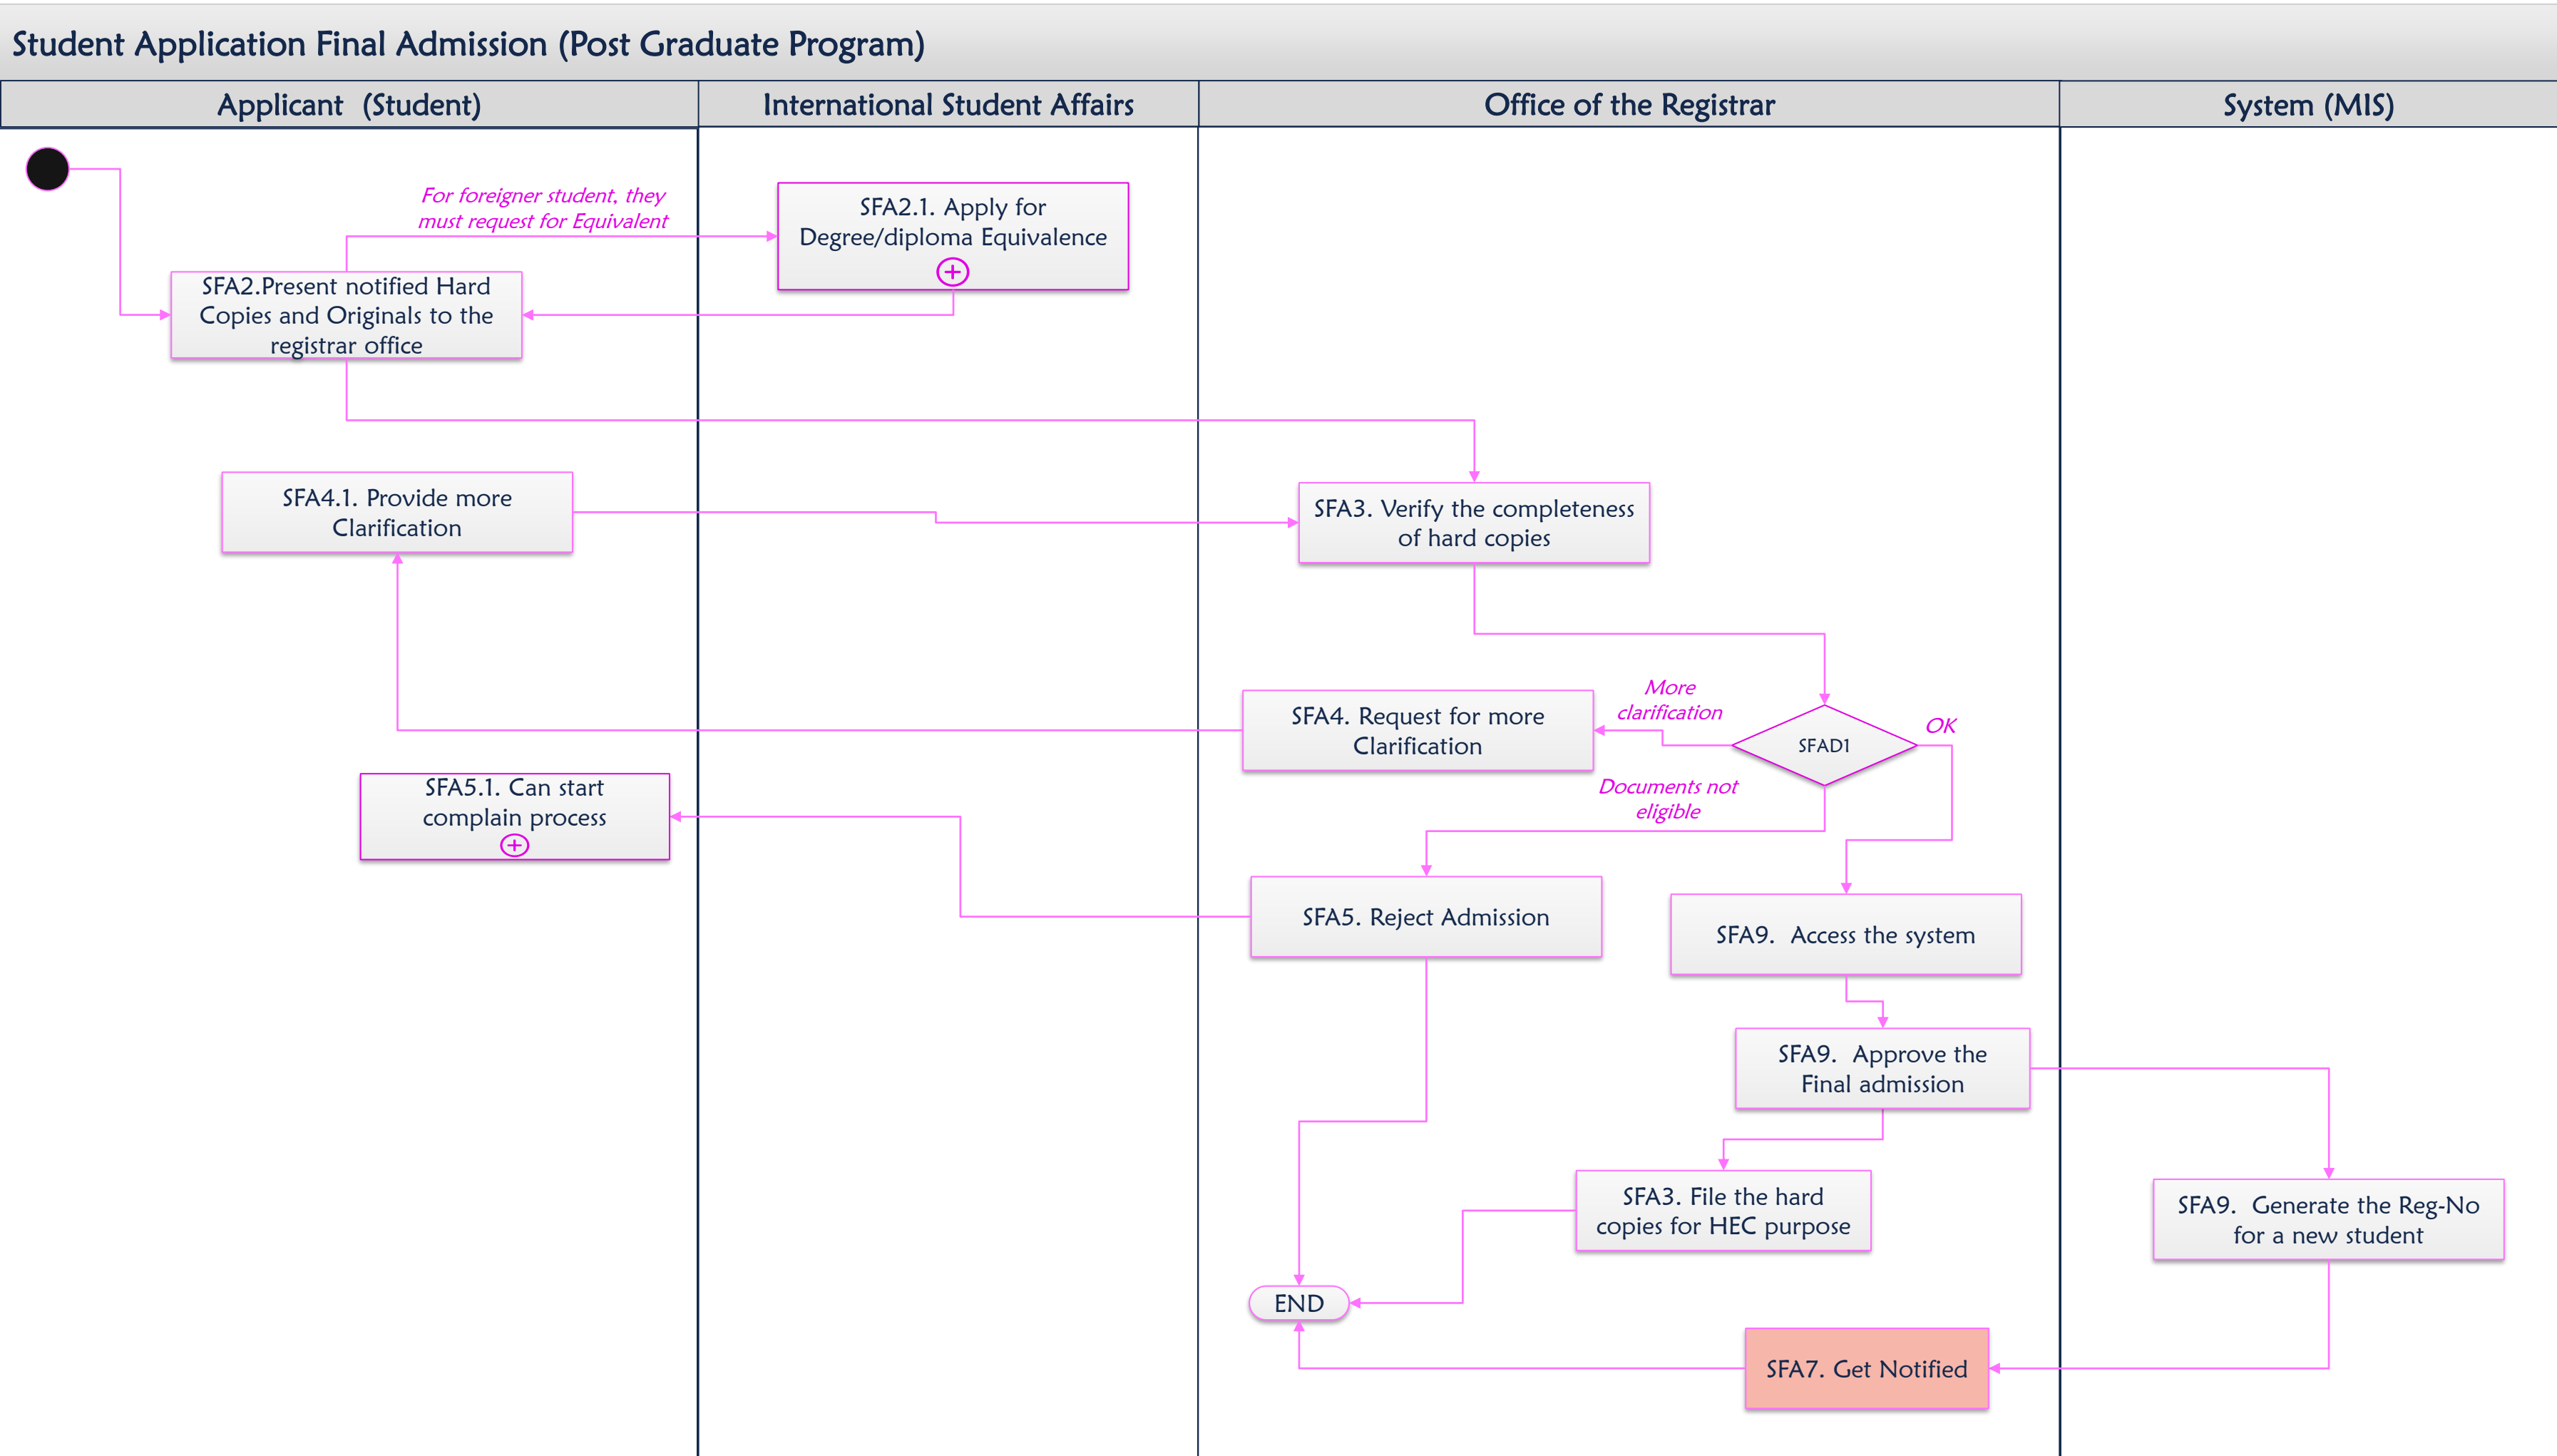

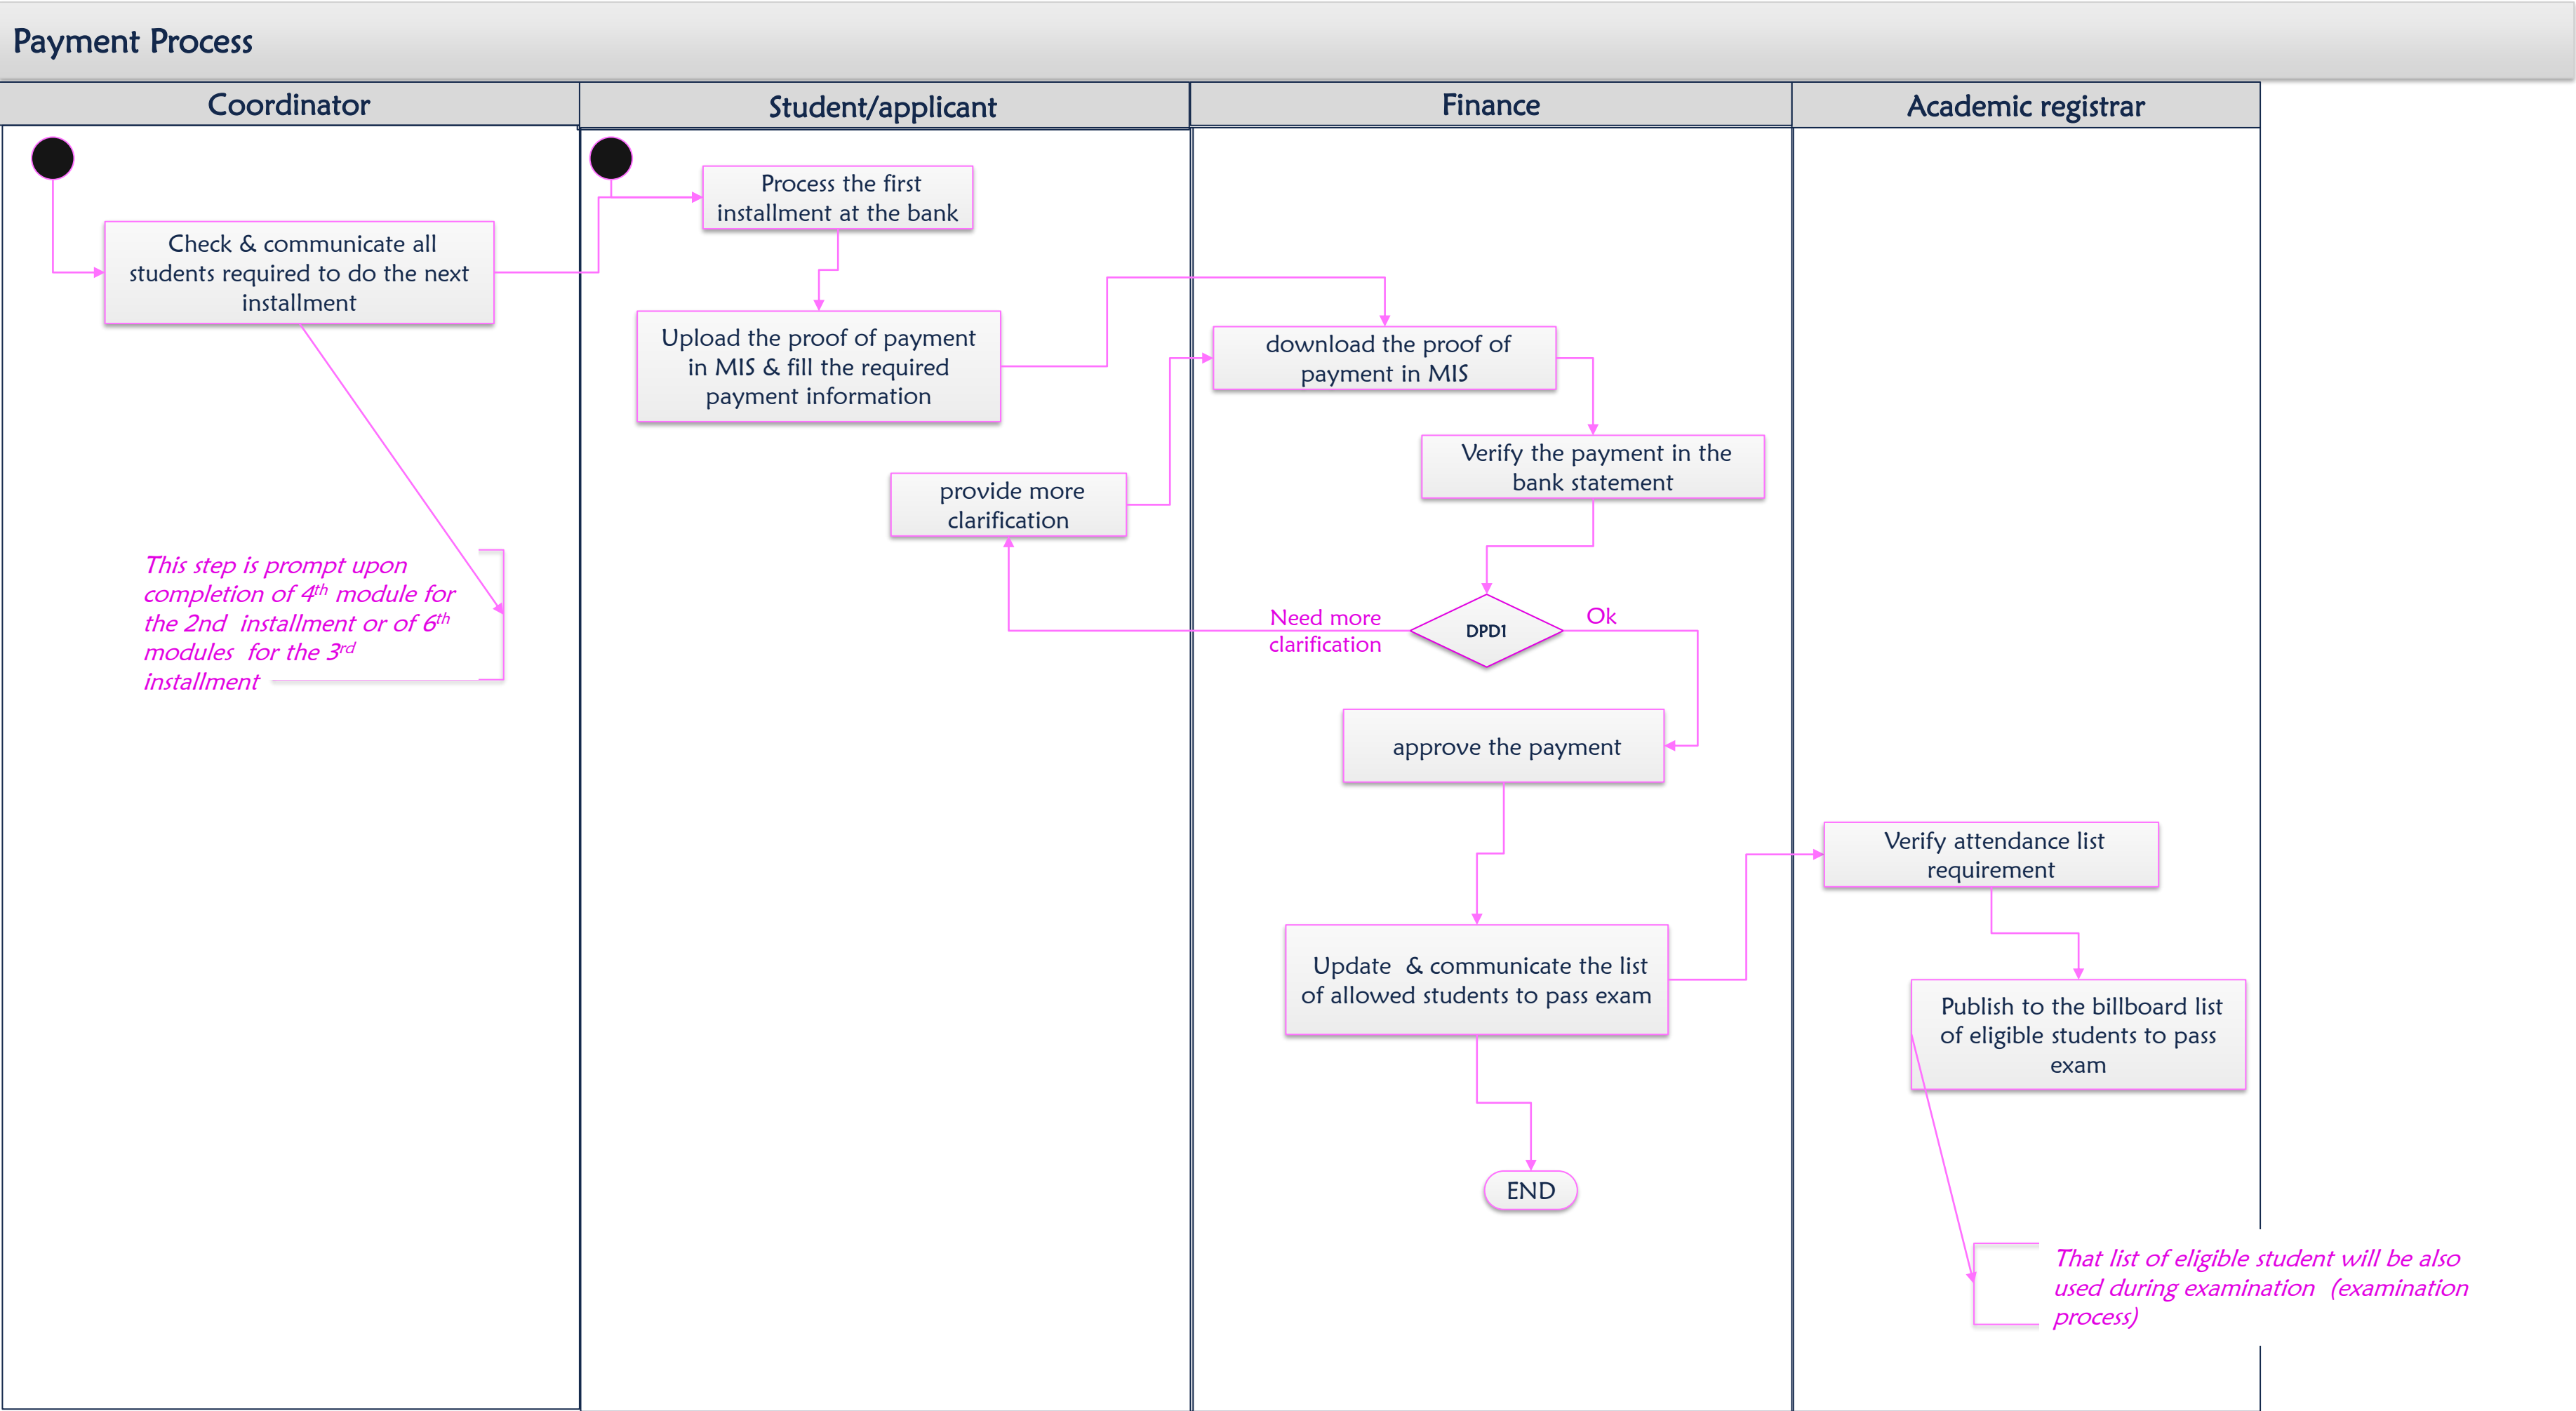

Post Graduate Student application – Clearing of First installment (TO-BE)

Student Application Final Admission (Post Graduate Program)

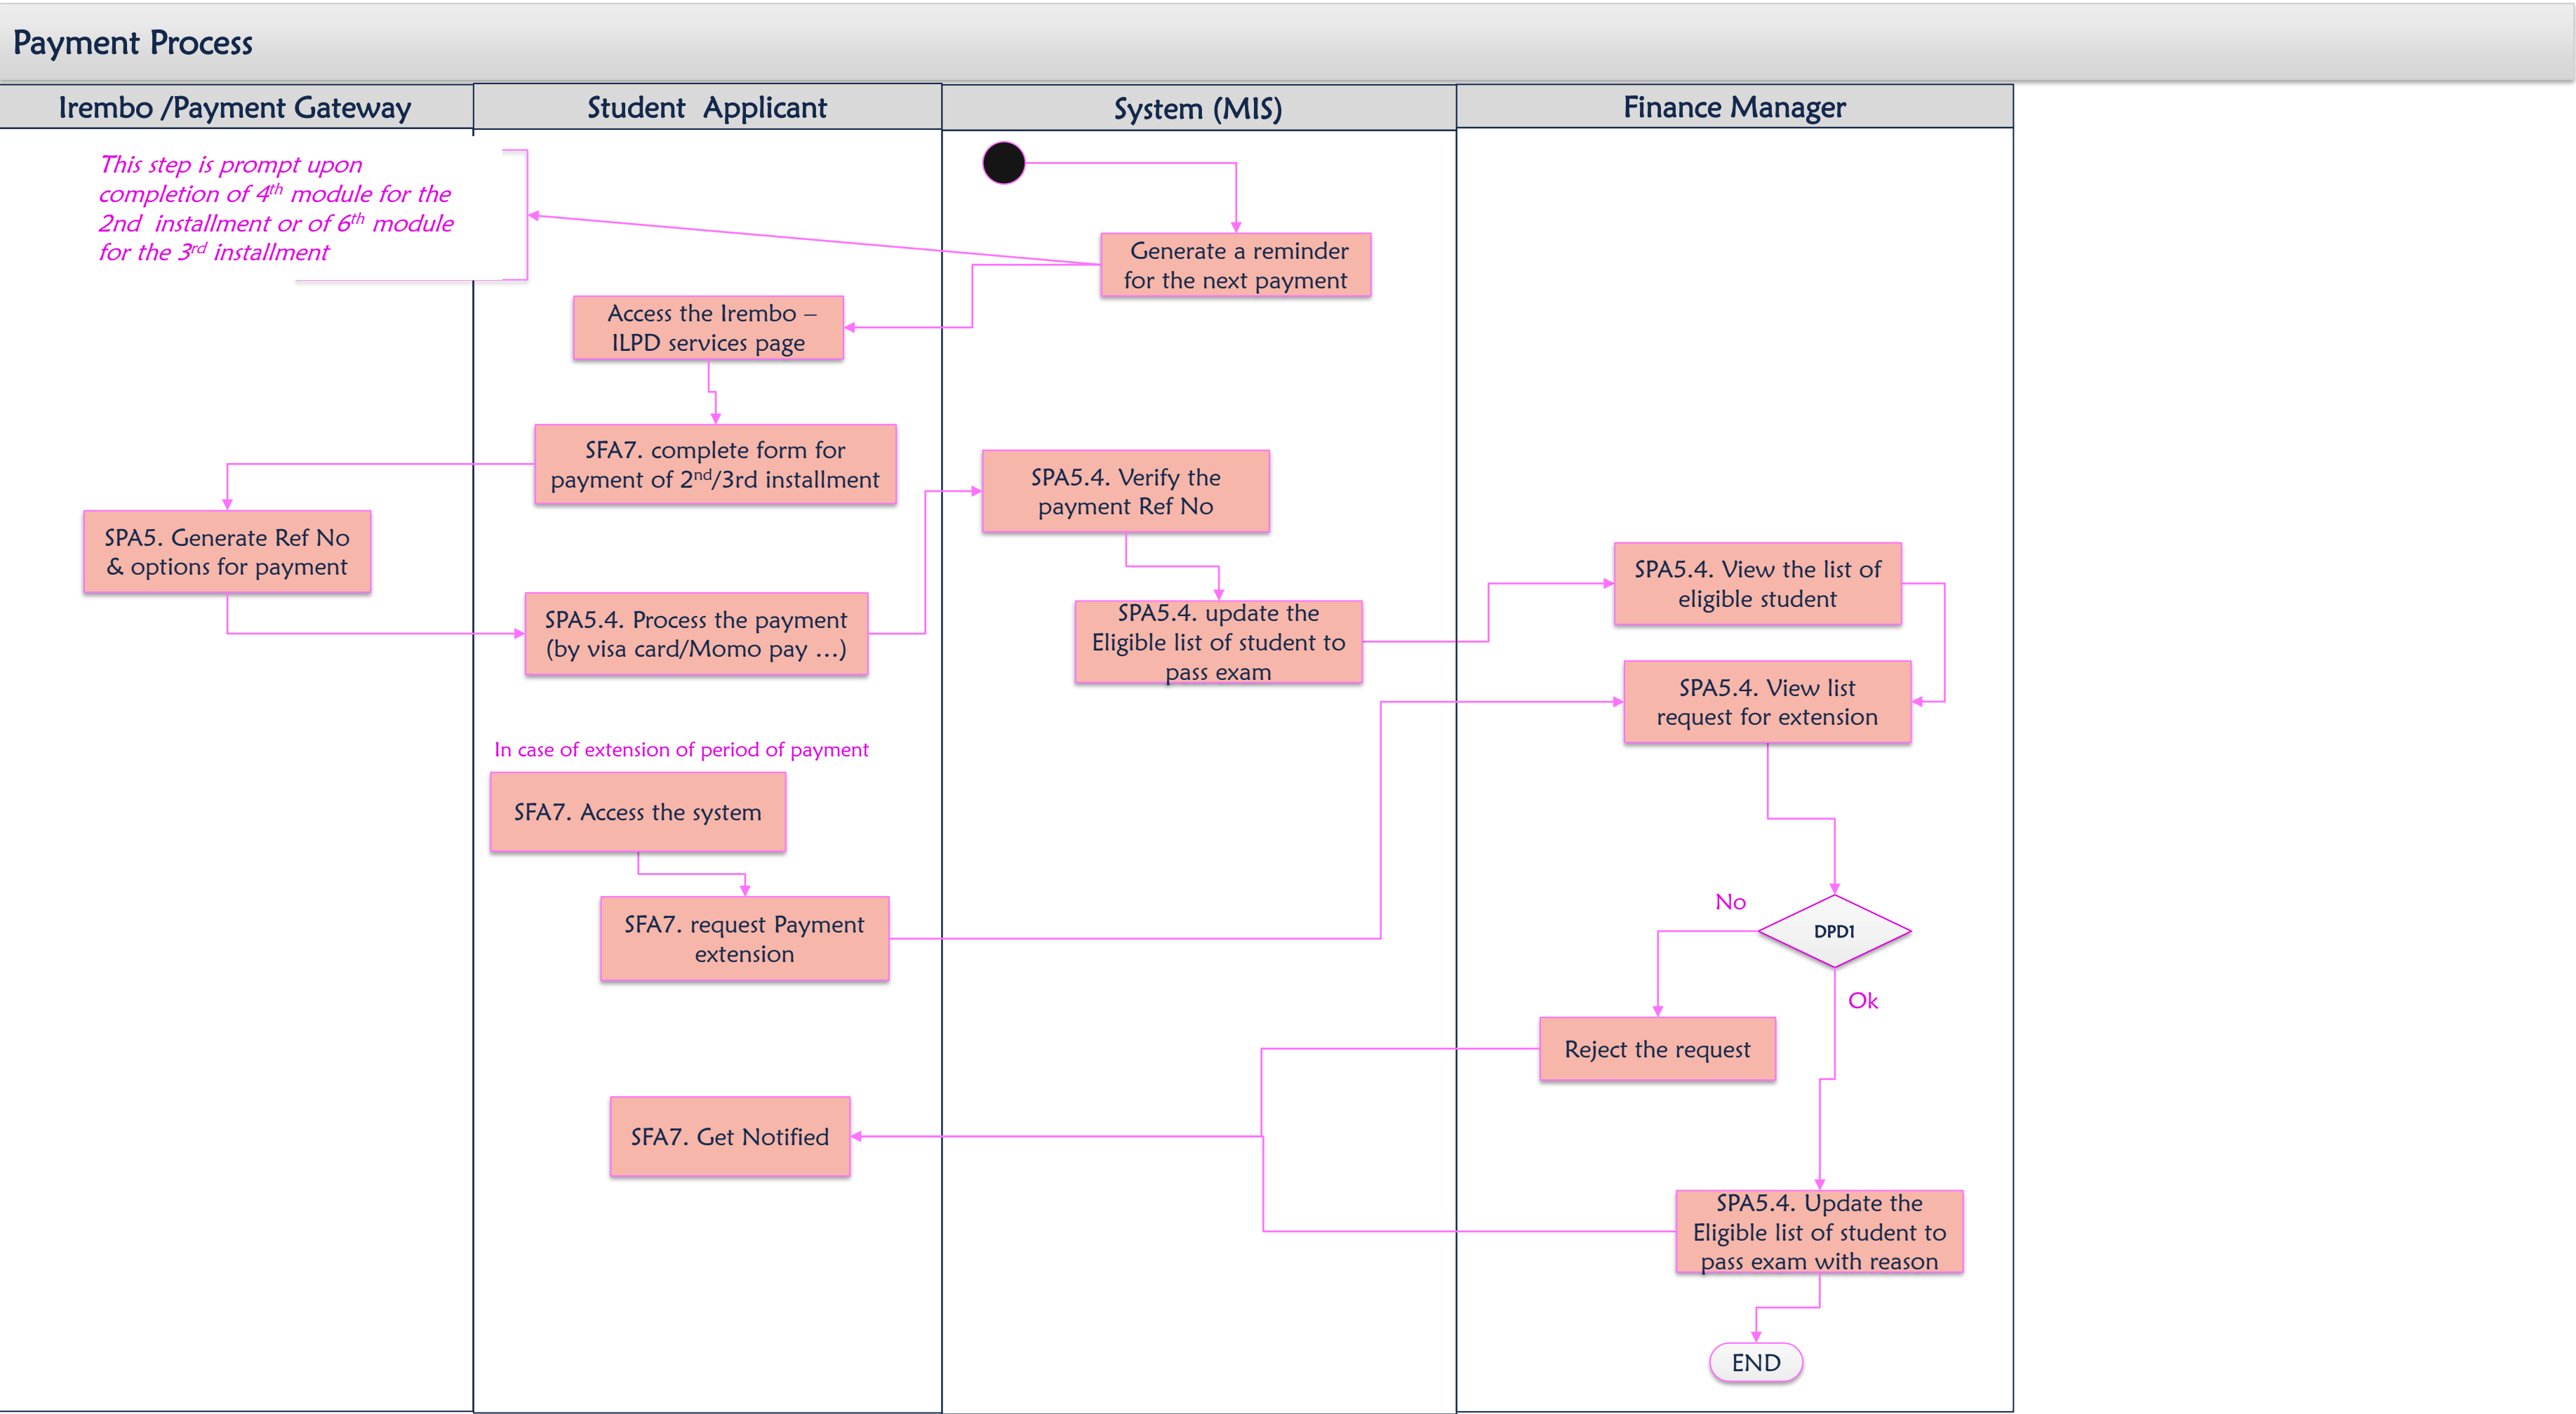

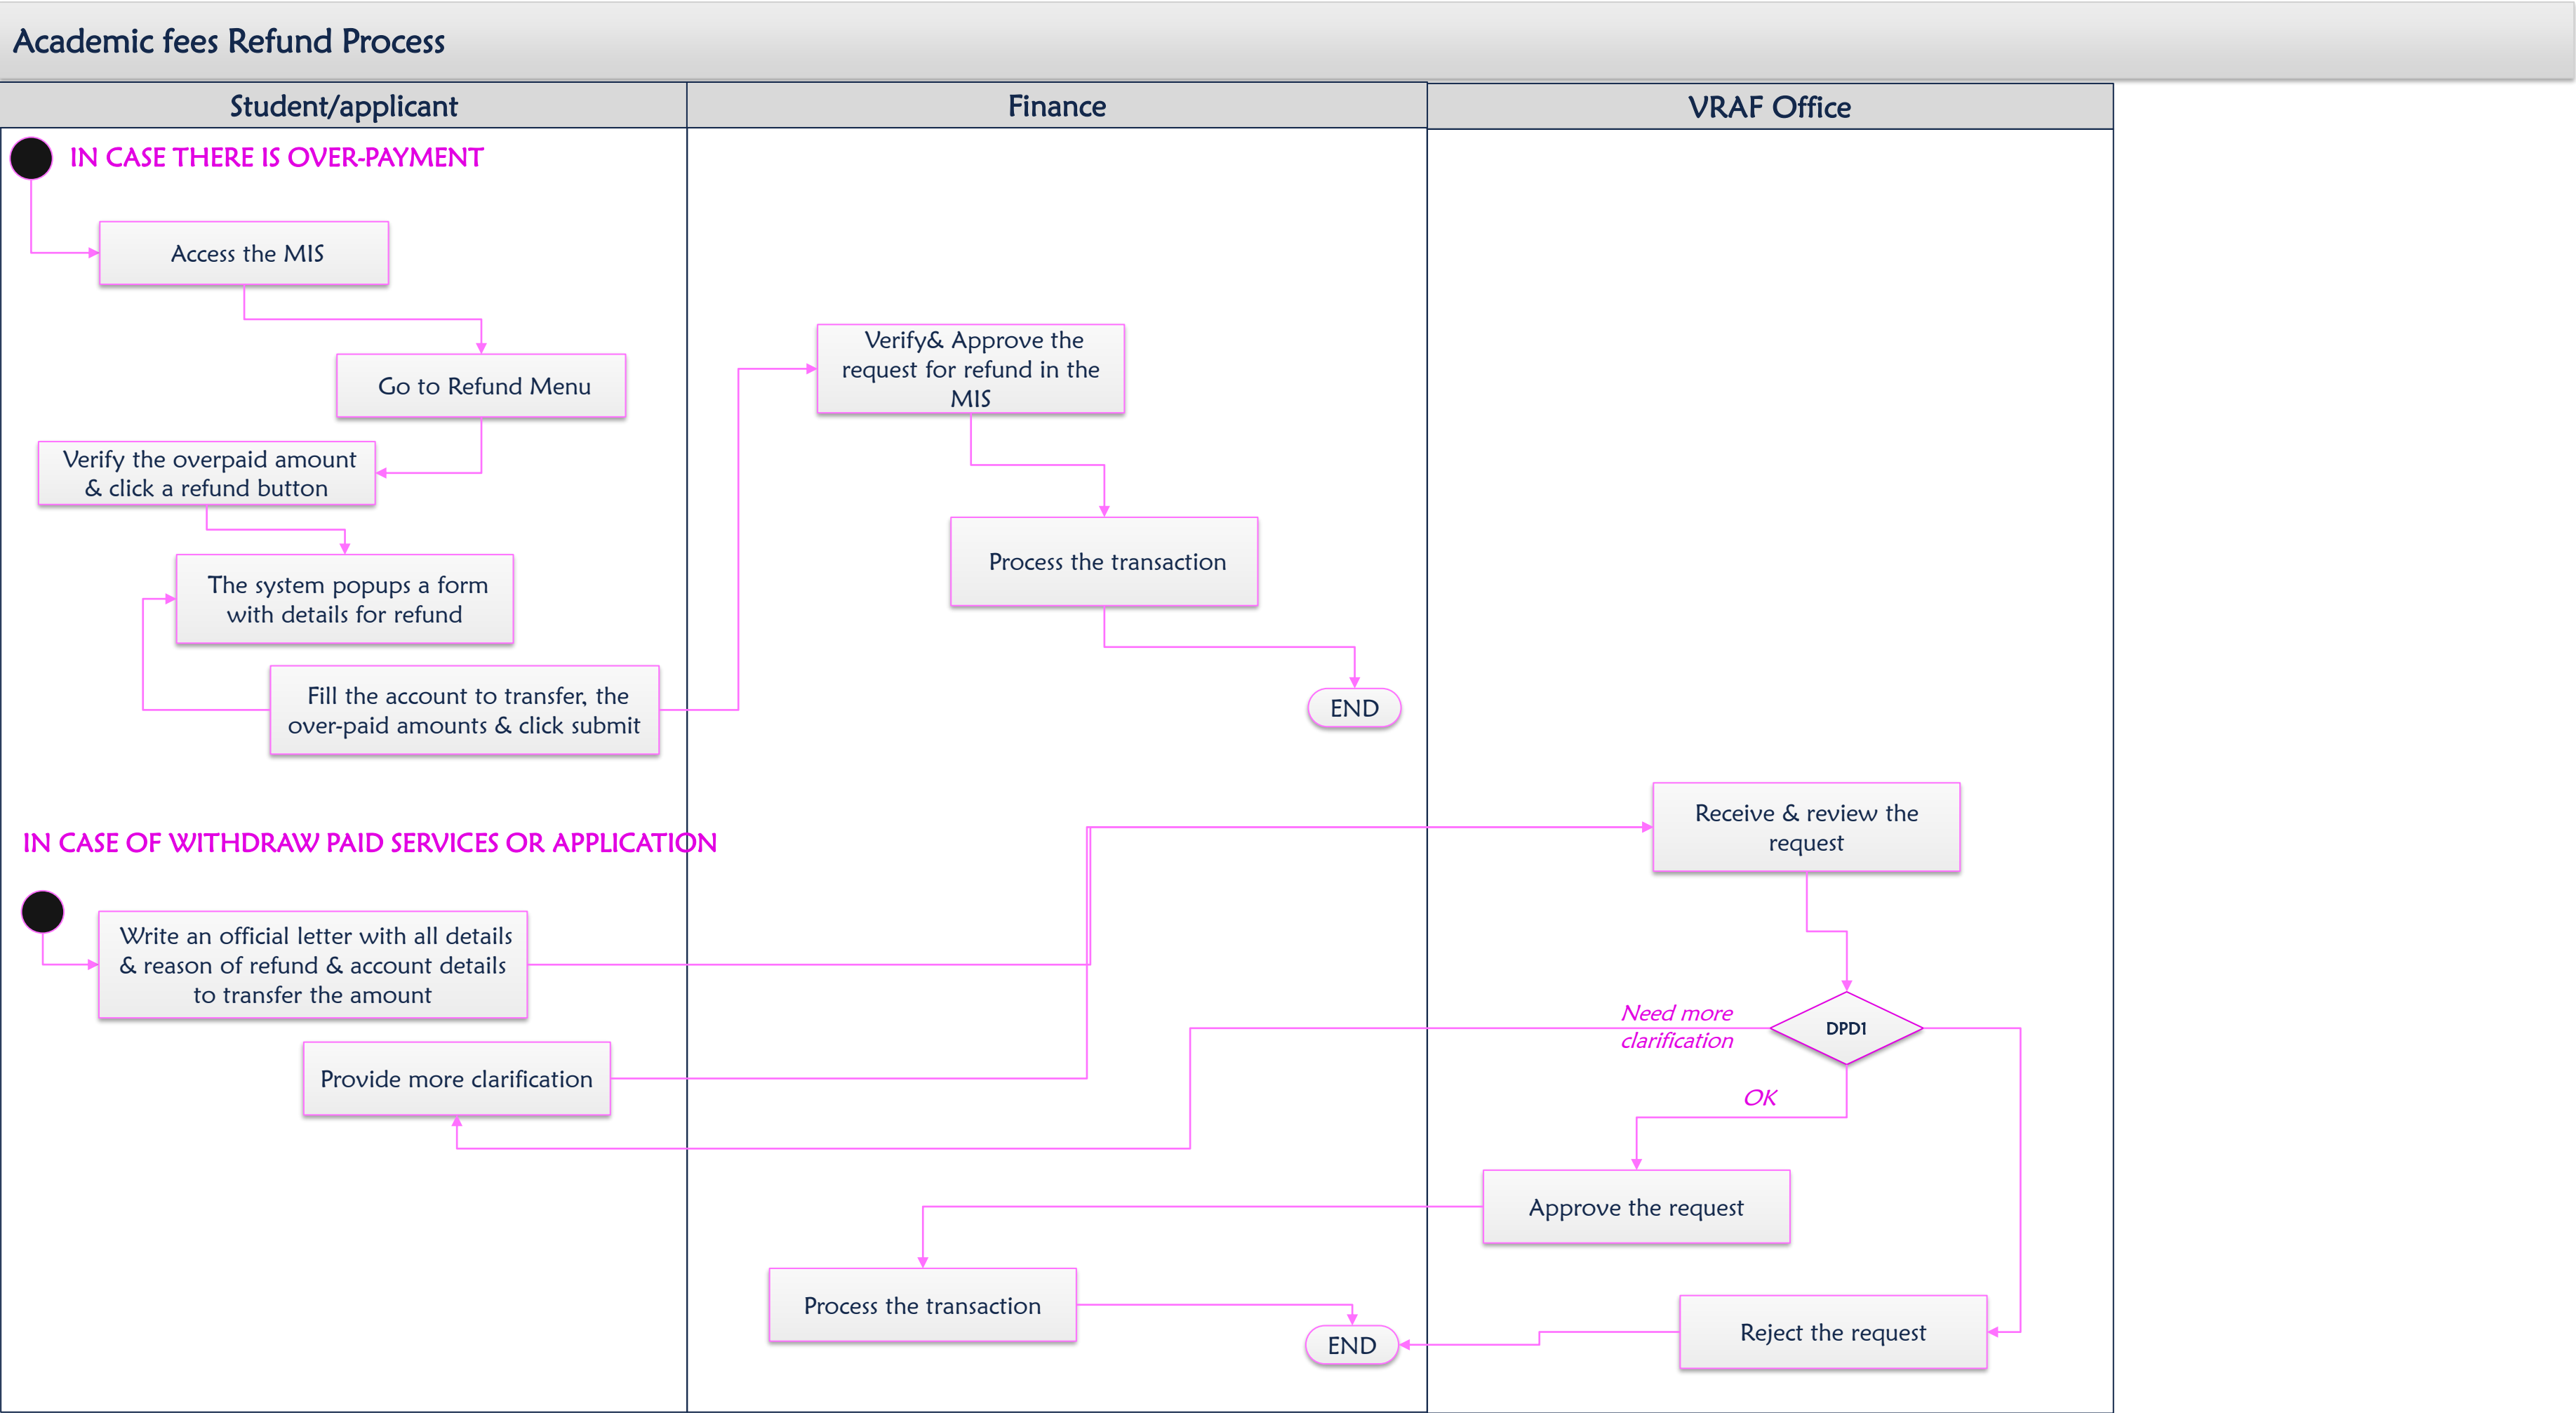

Post Graduate Student application (bursary) – Final Admission (TO-BE)

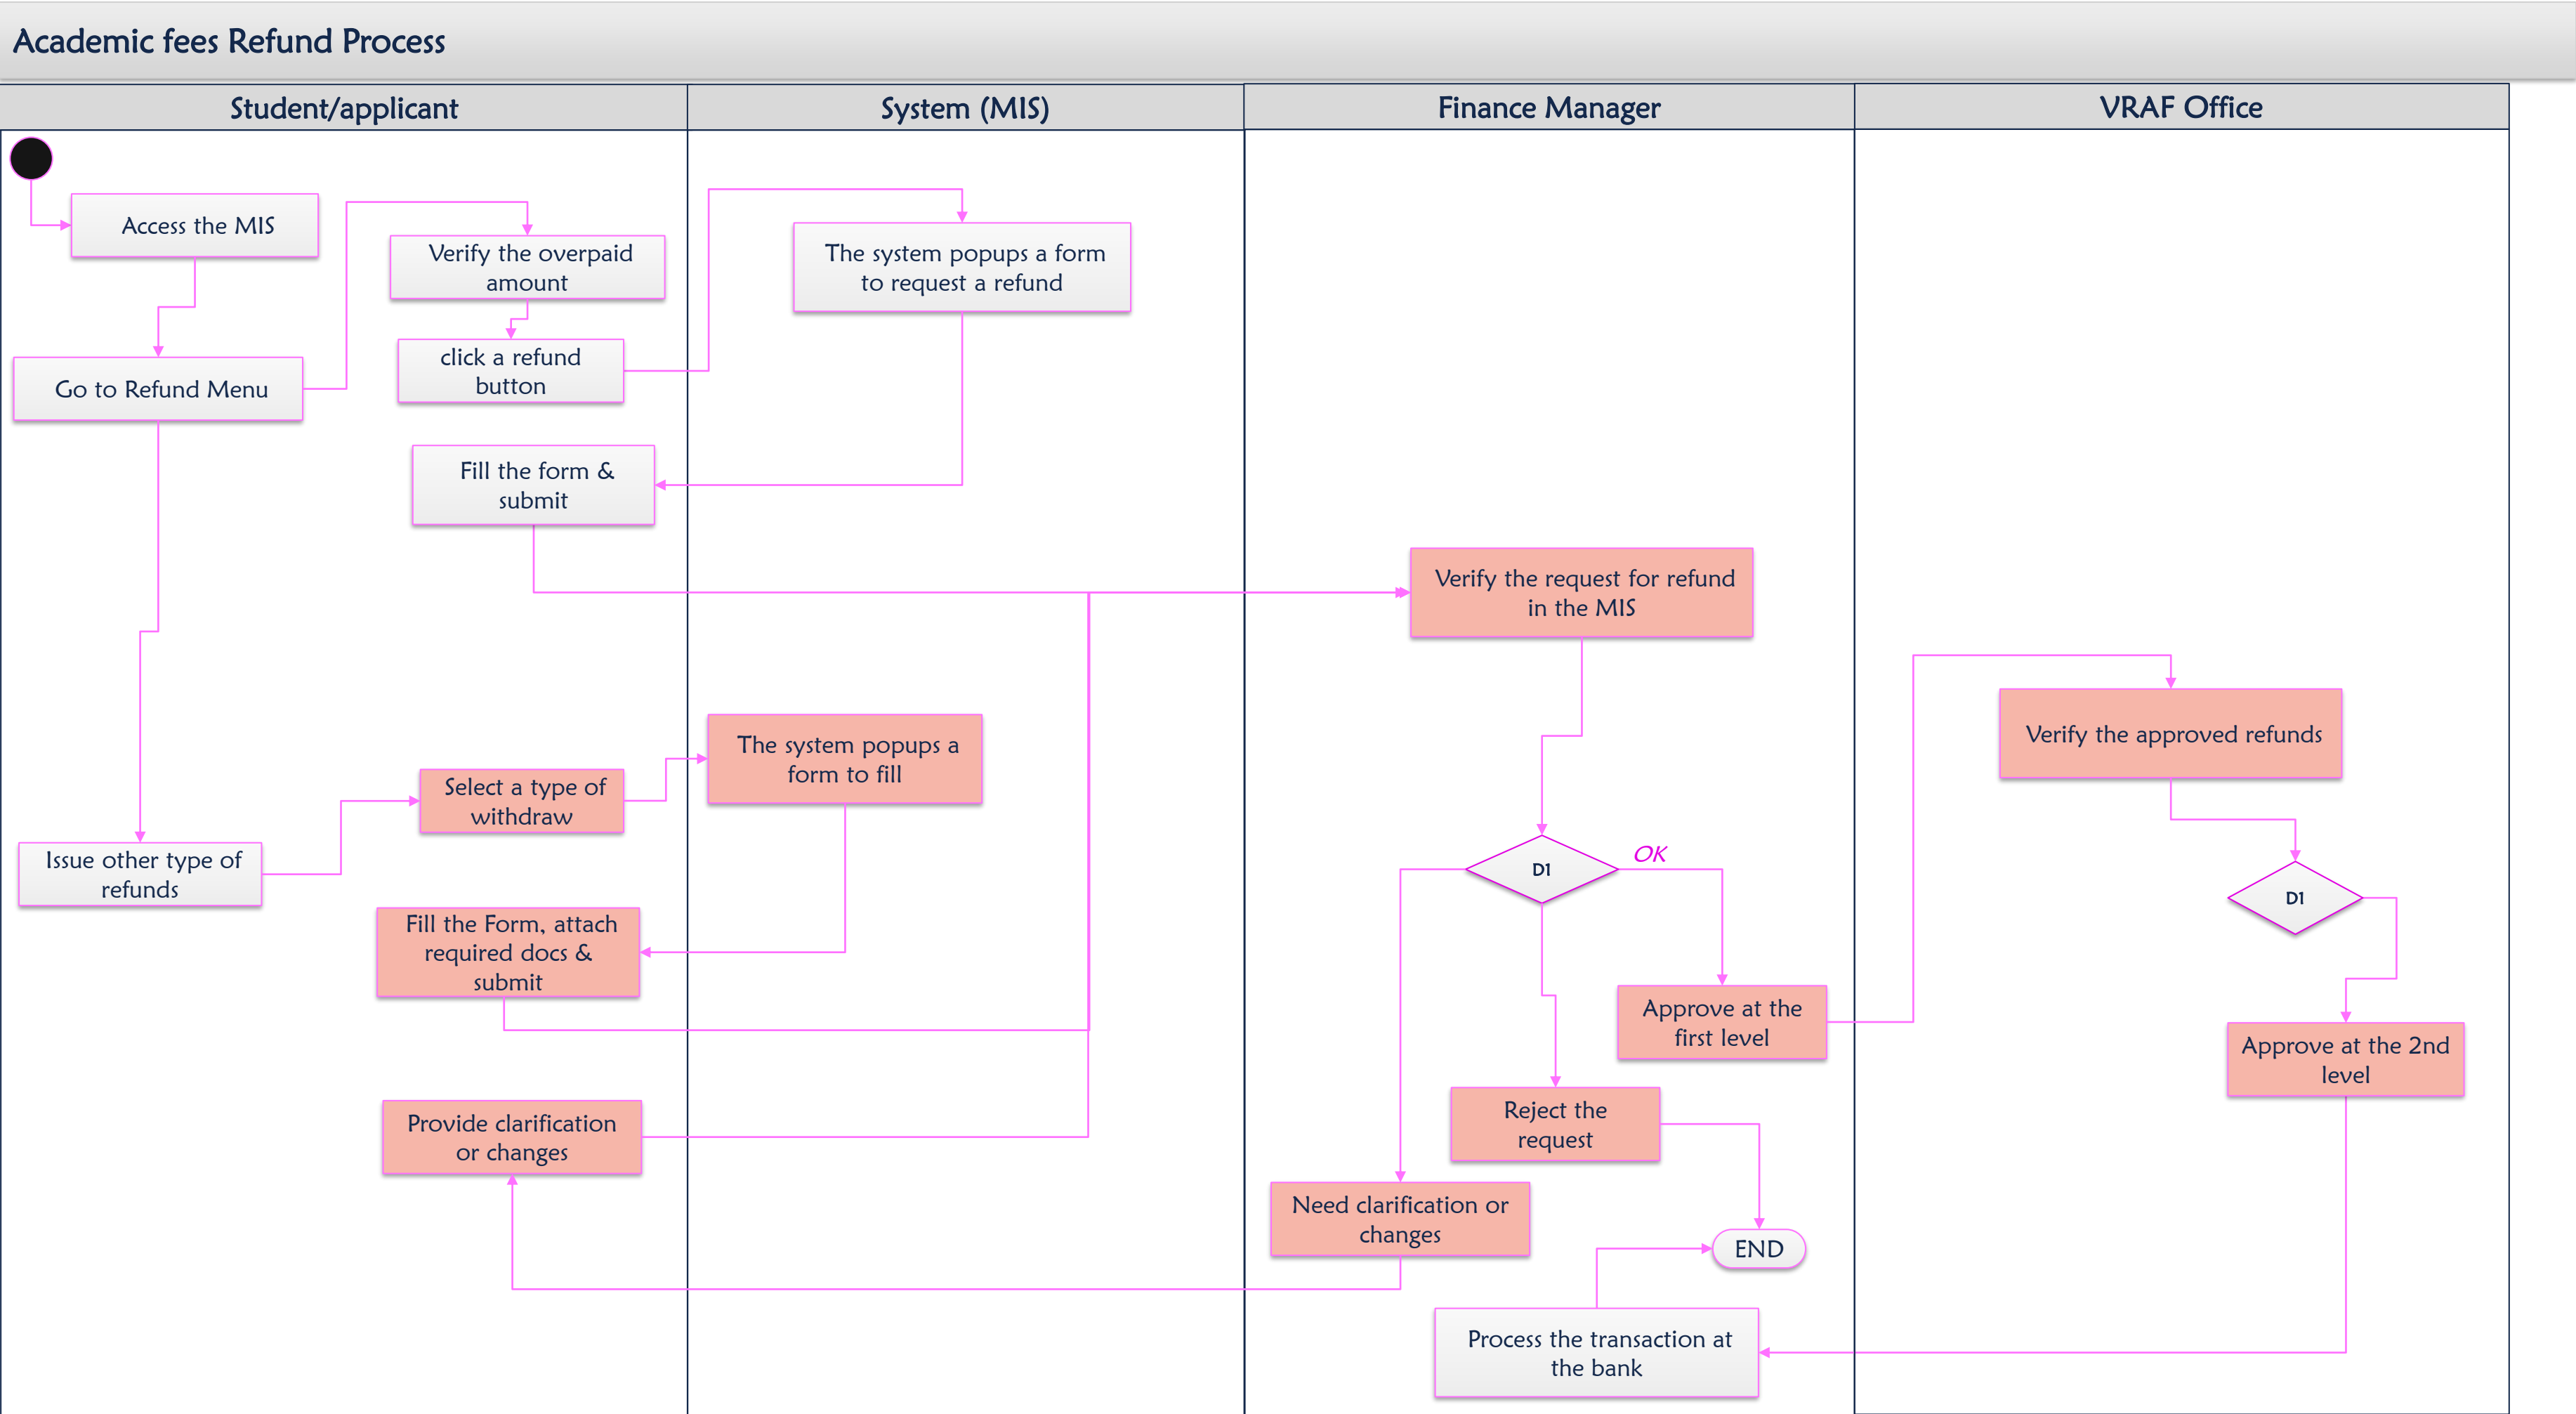

Academic fees Management – 2nd & 3rd Payment process (Proposed)

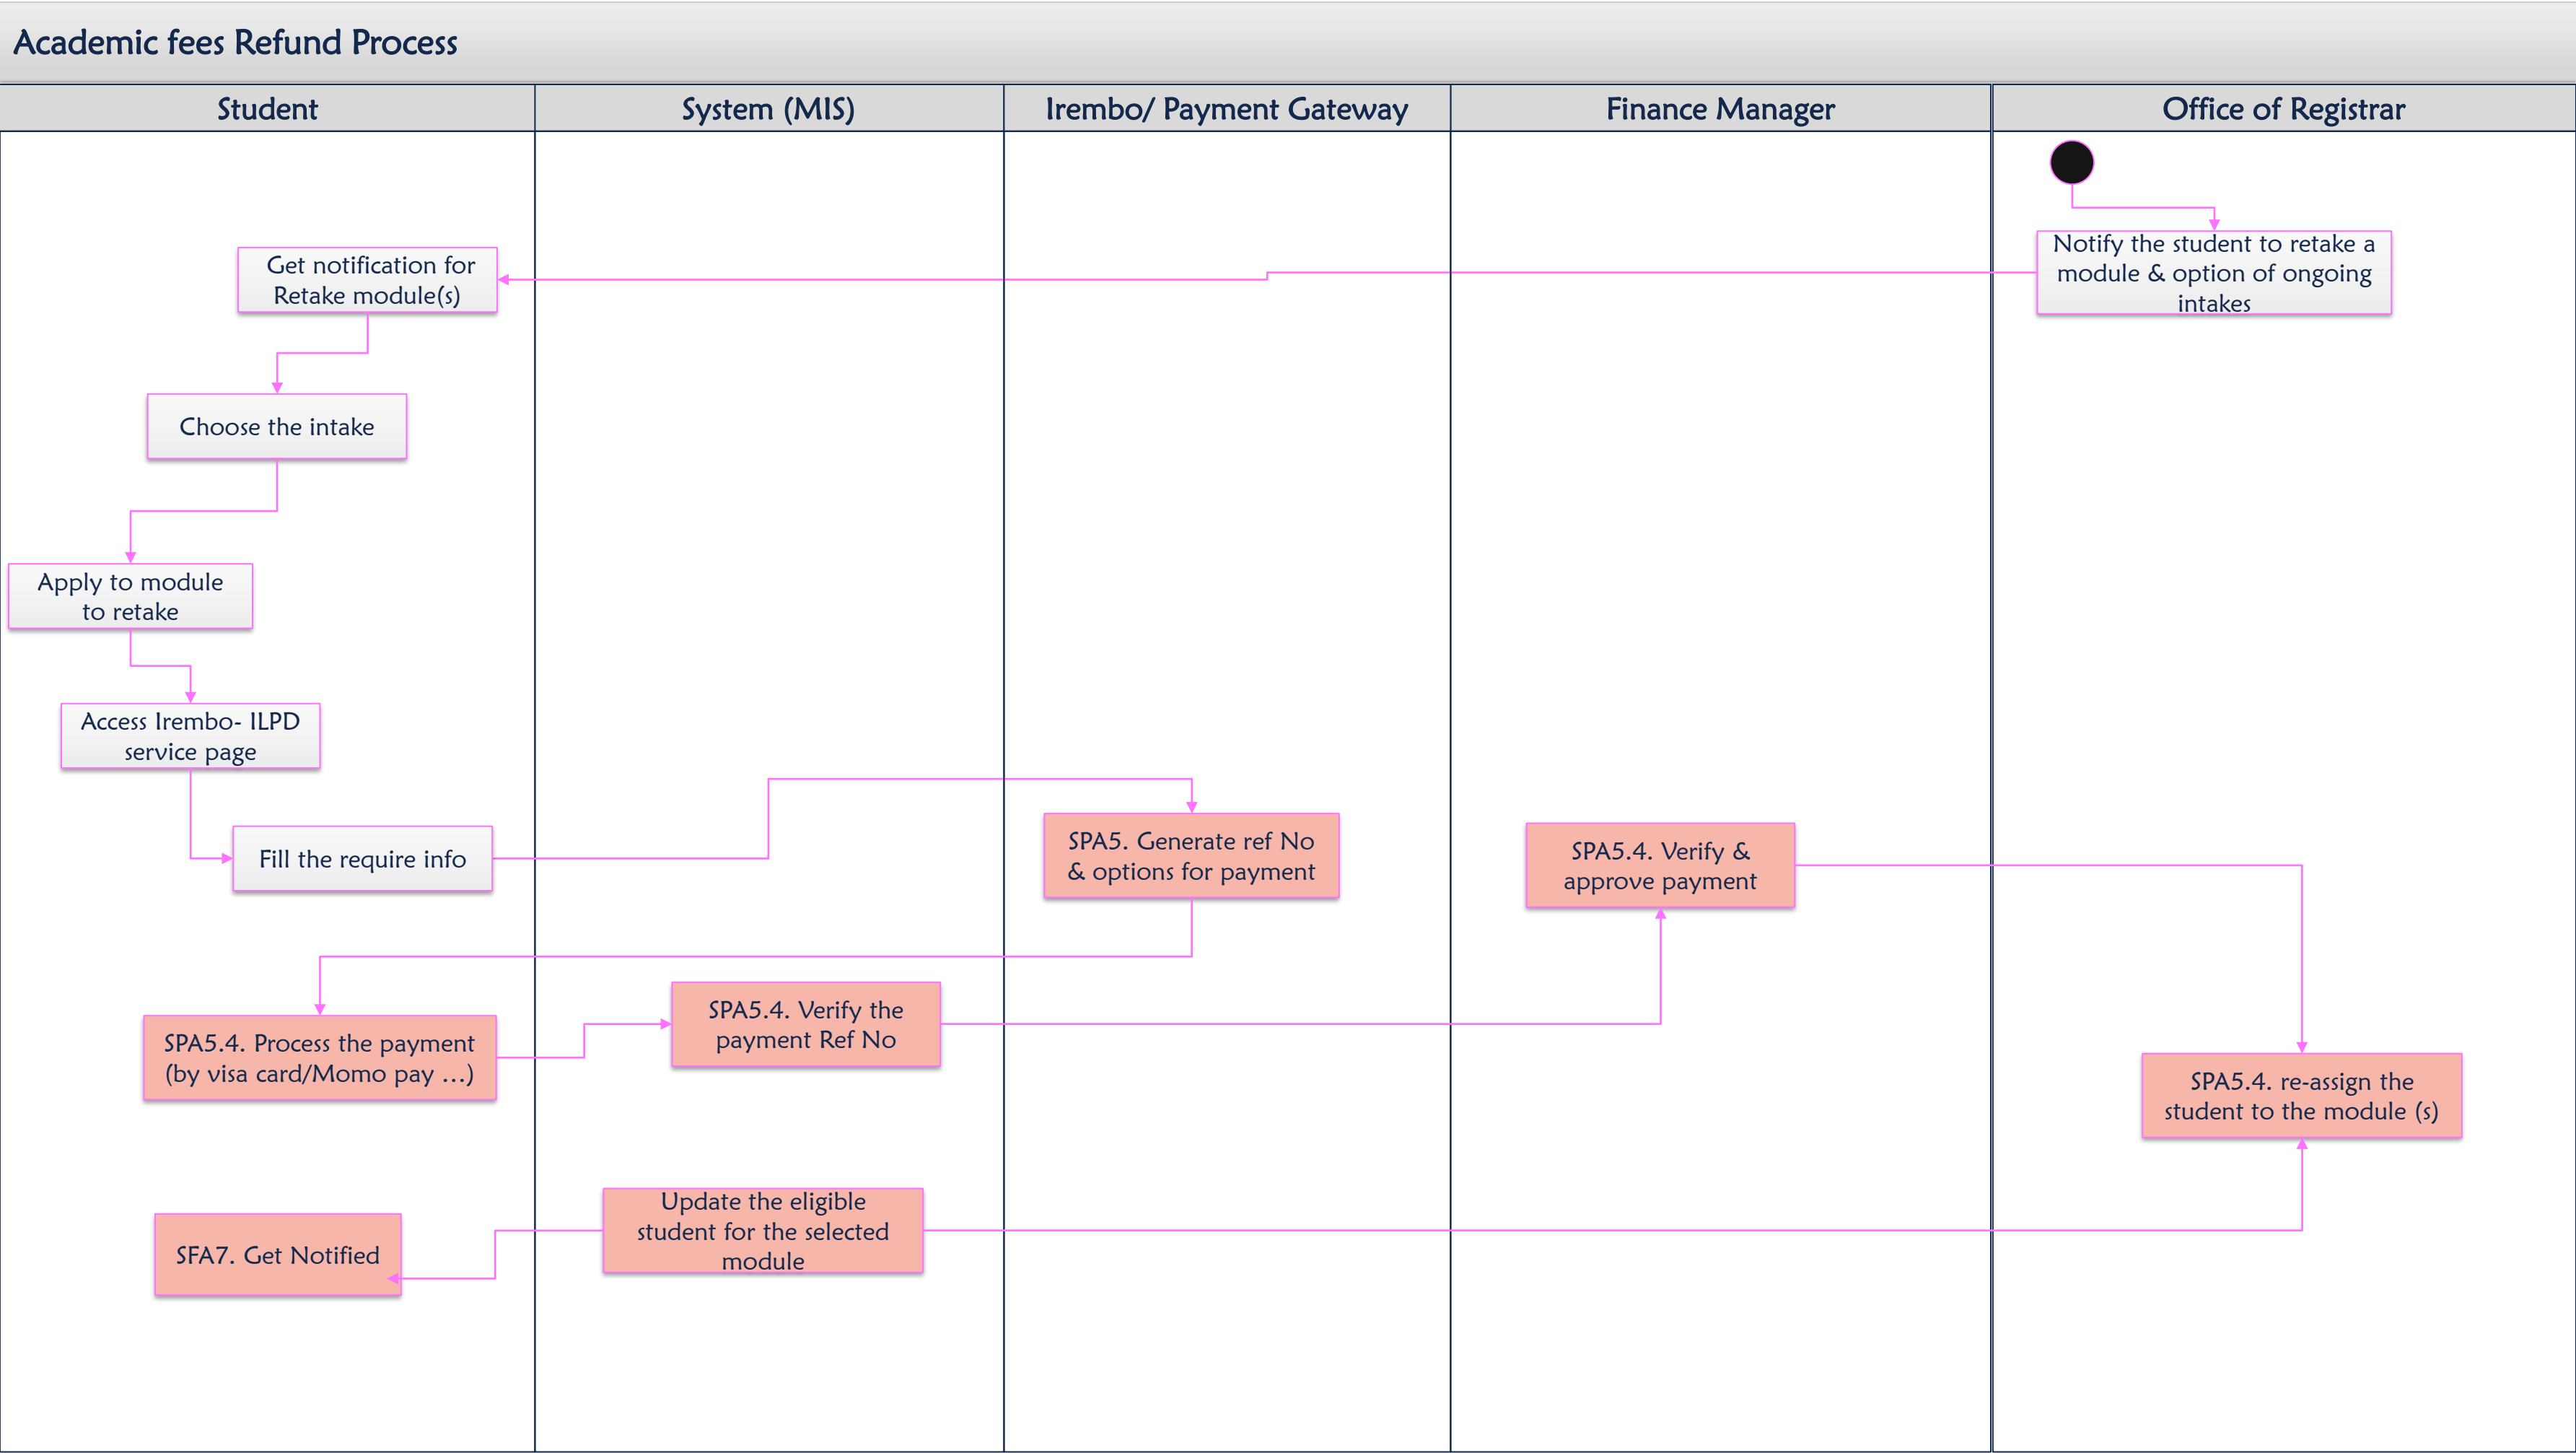

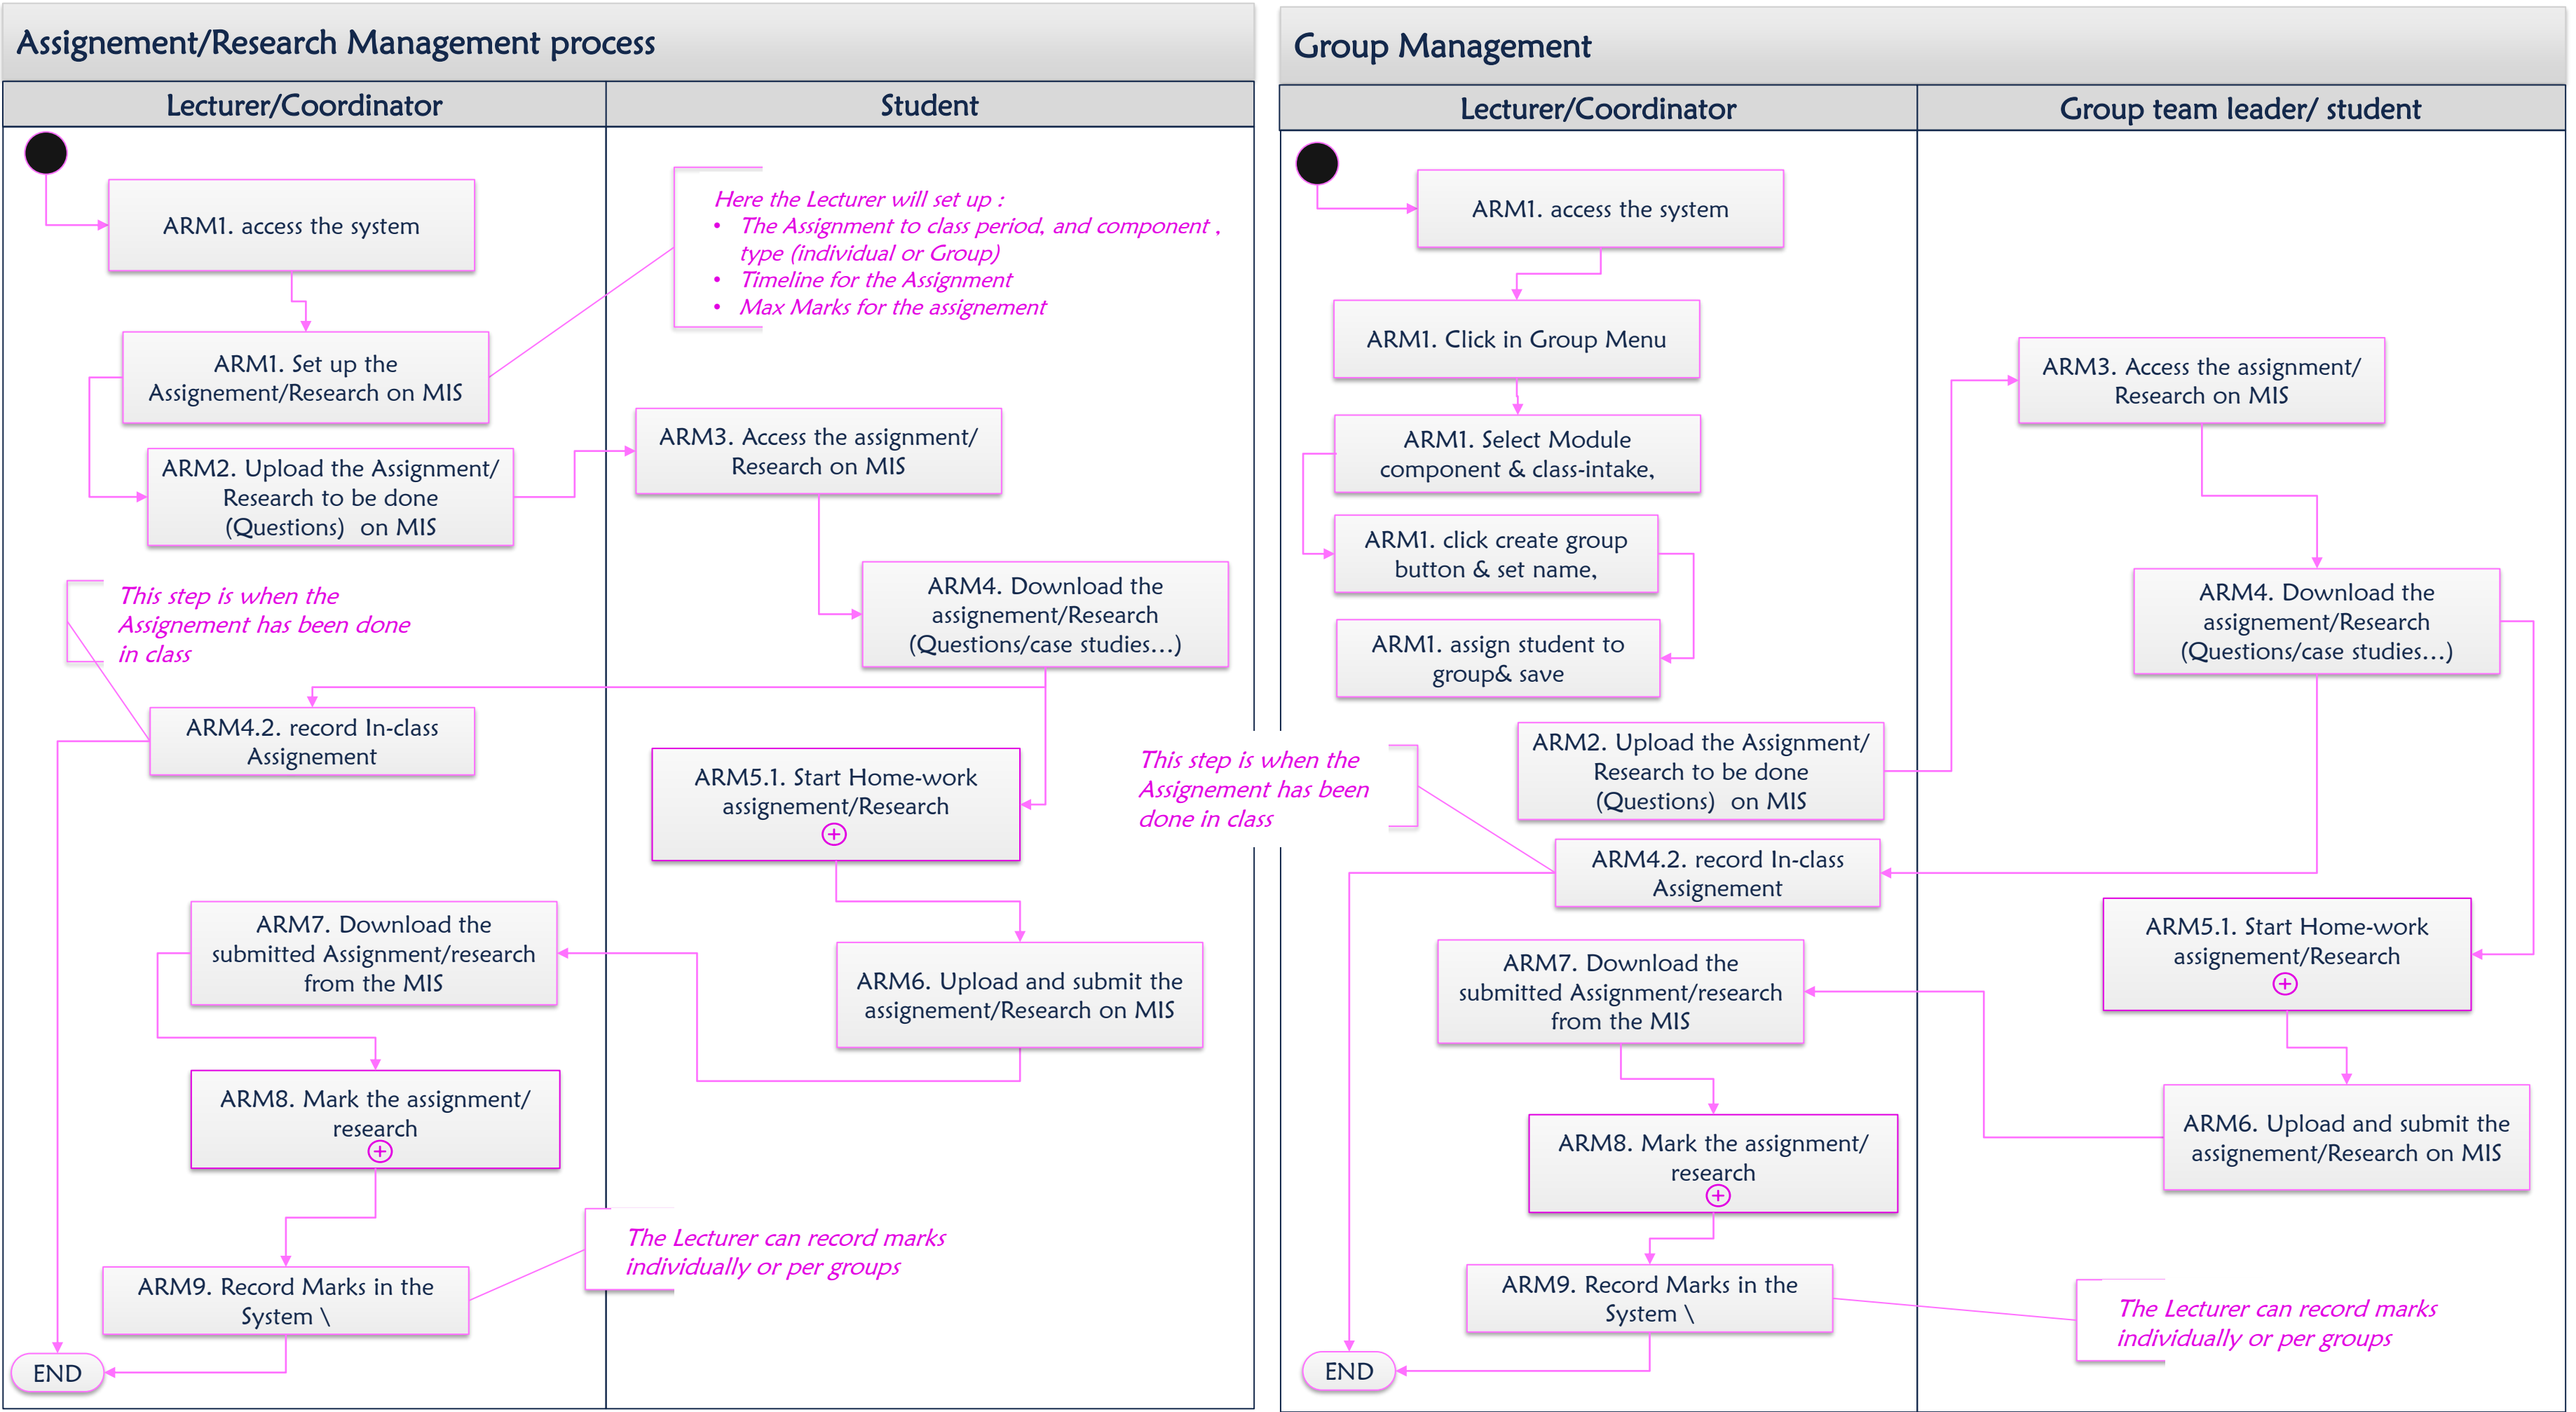

Academic fees Management – Refund process (The proposed)

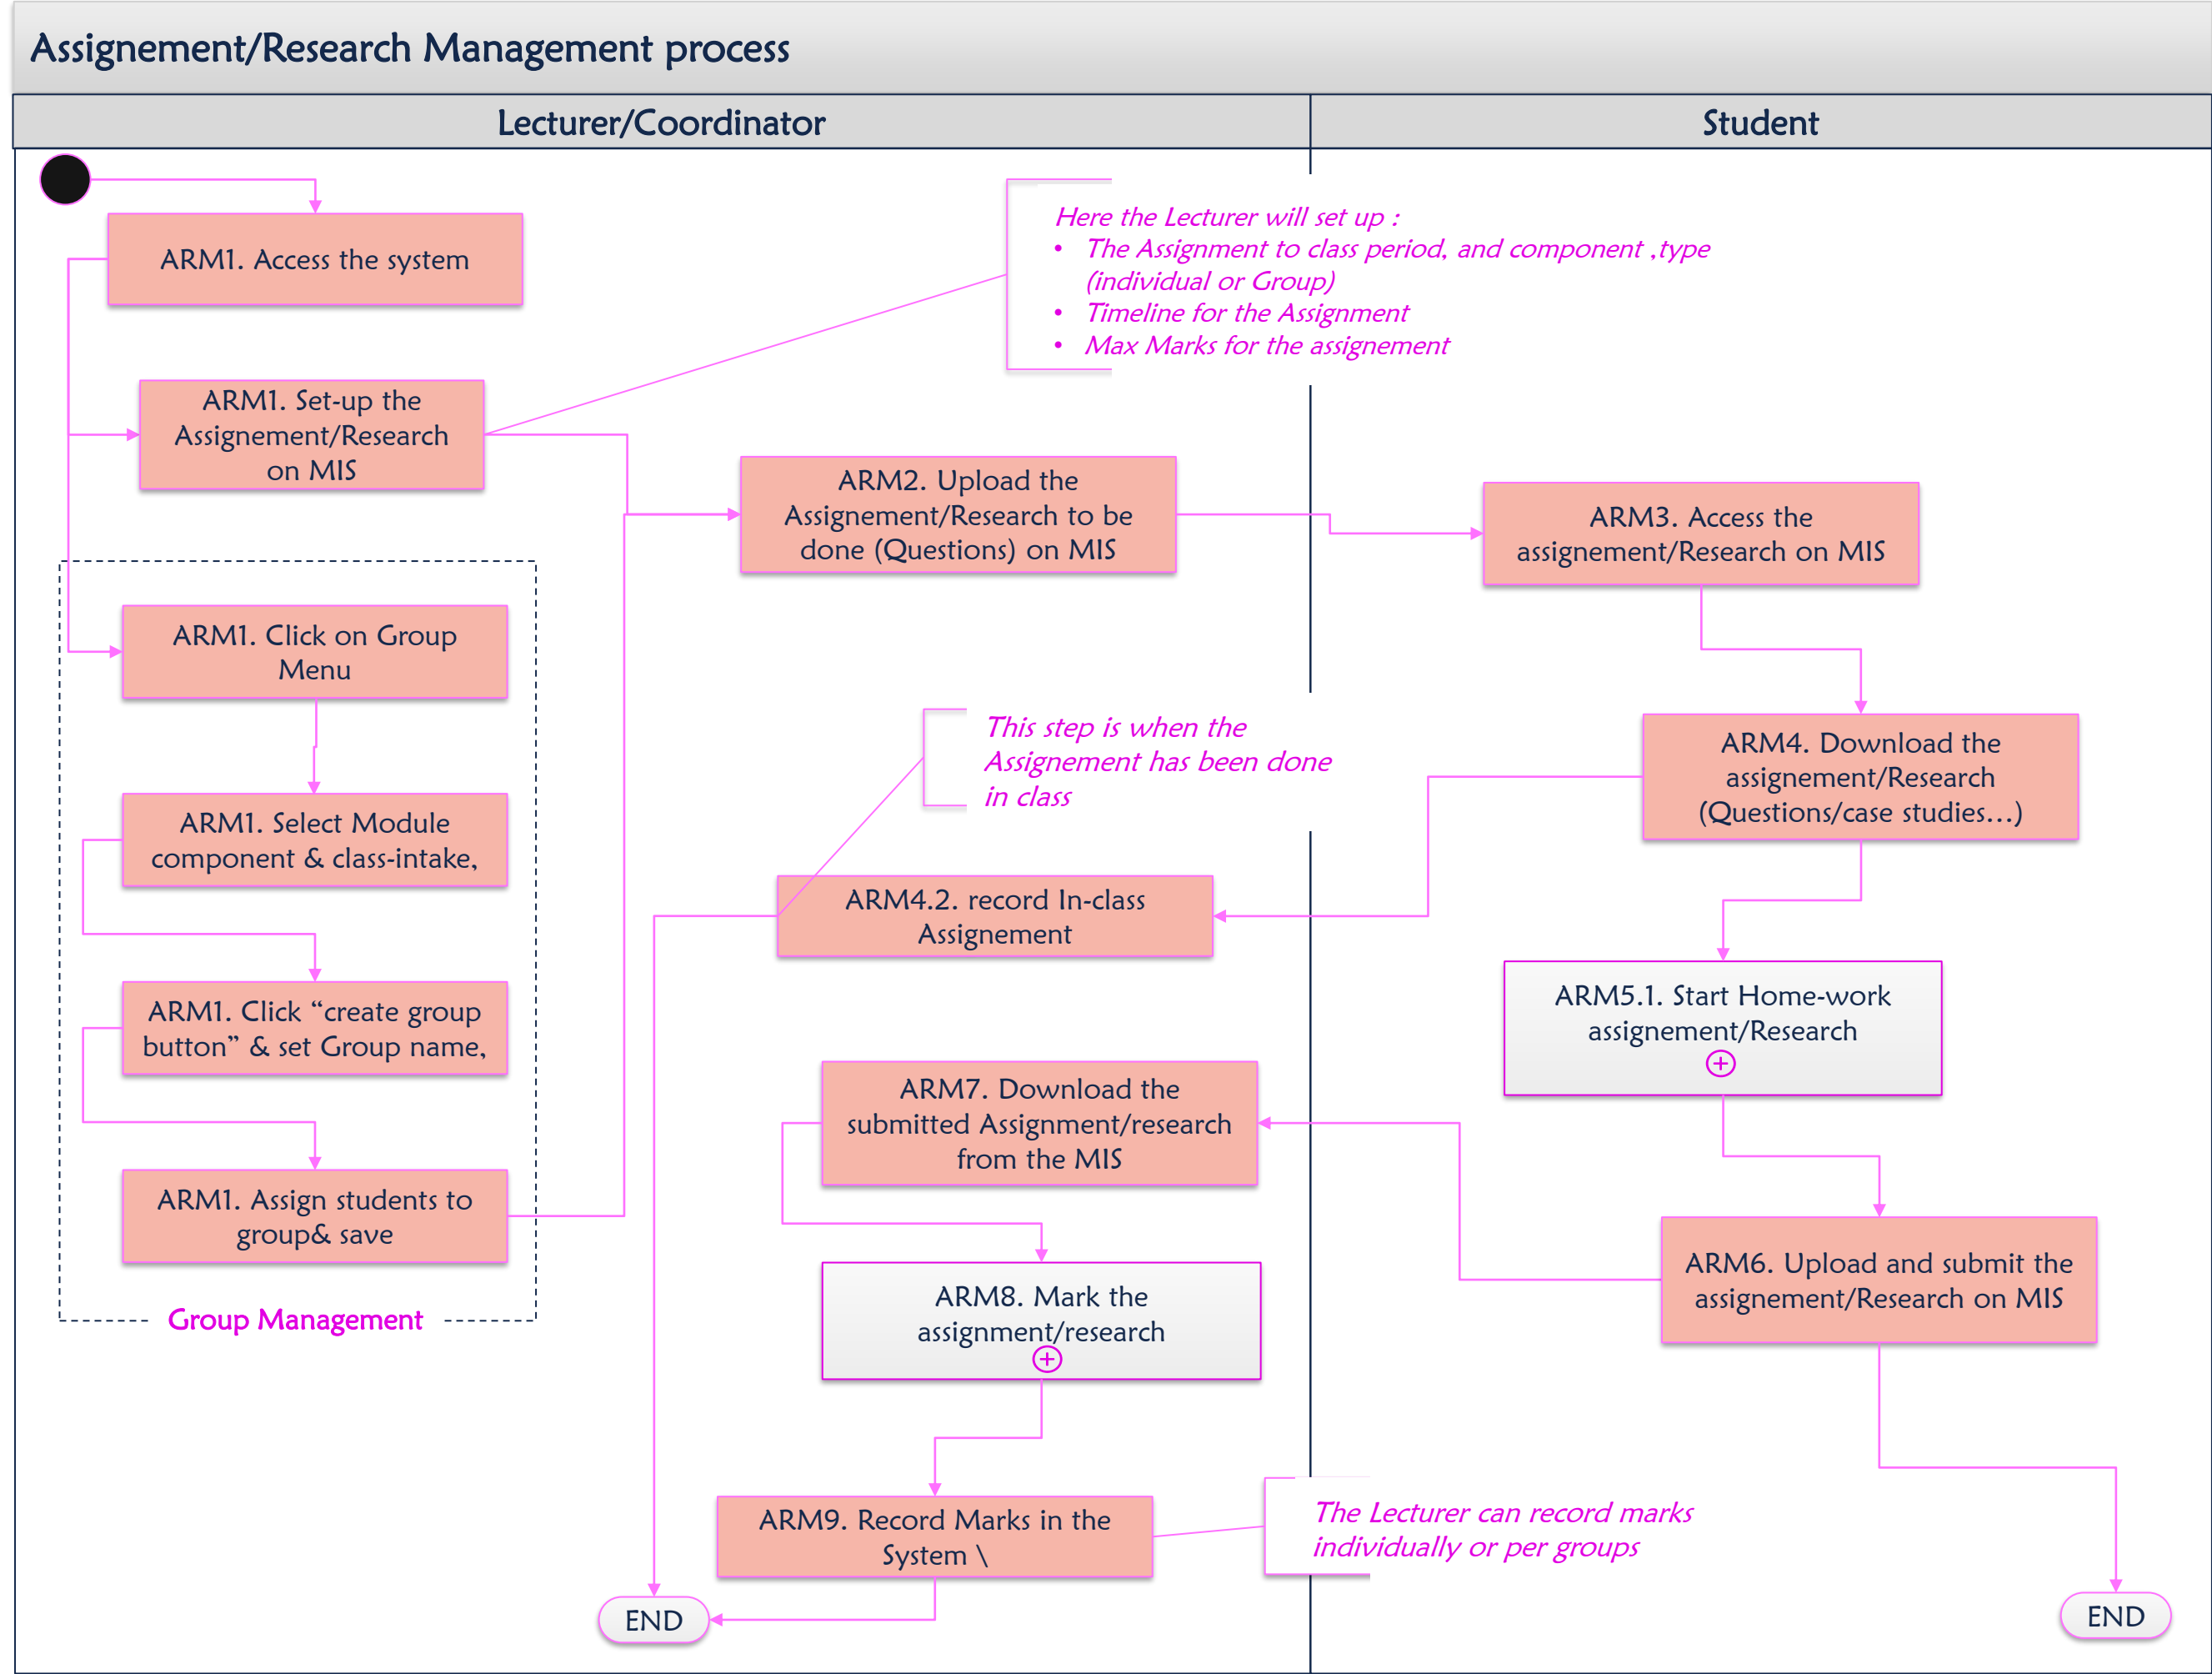

Academic fees Management – Retake module (The proposed)

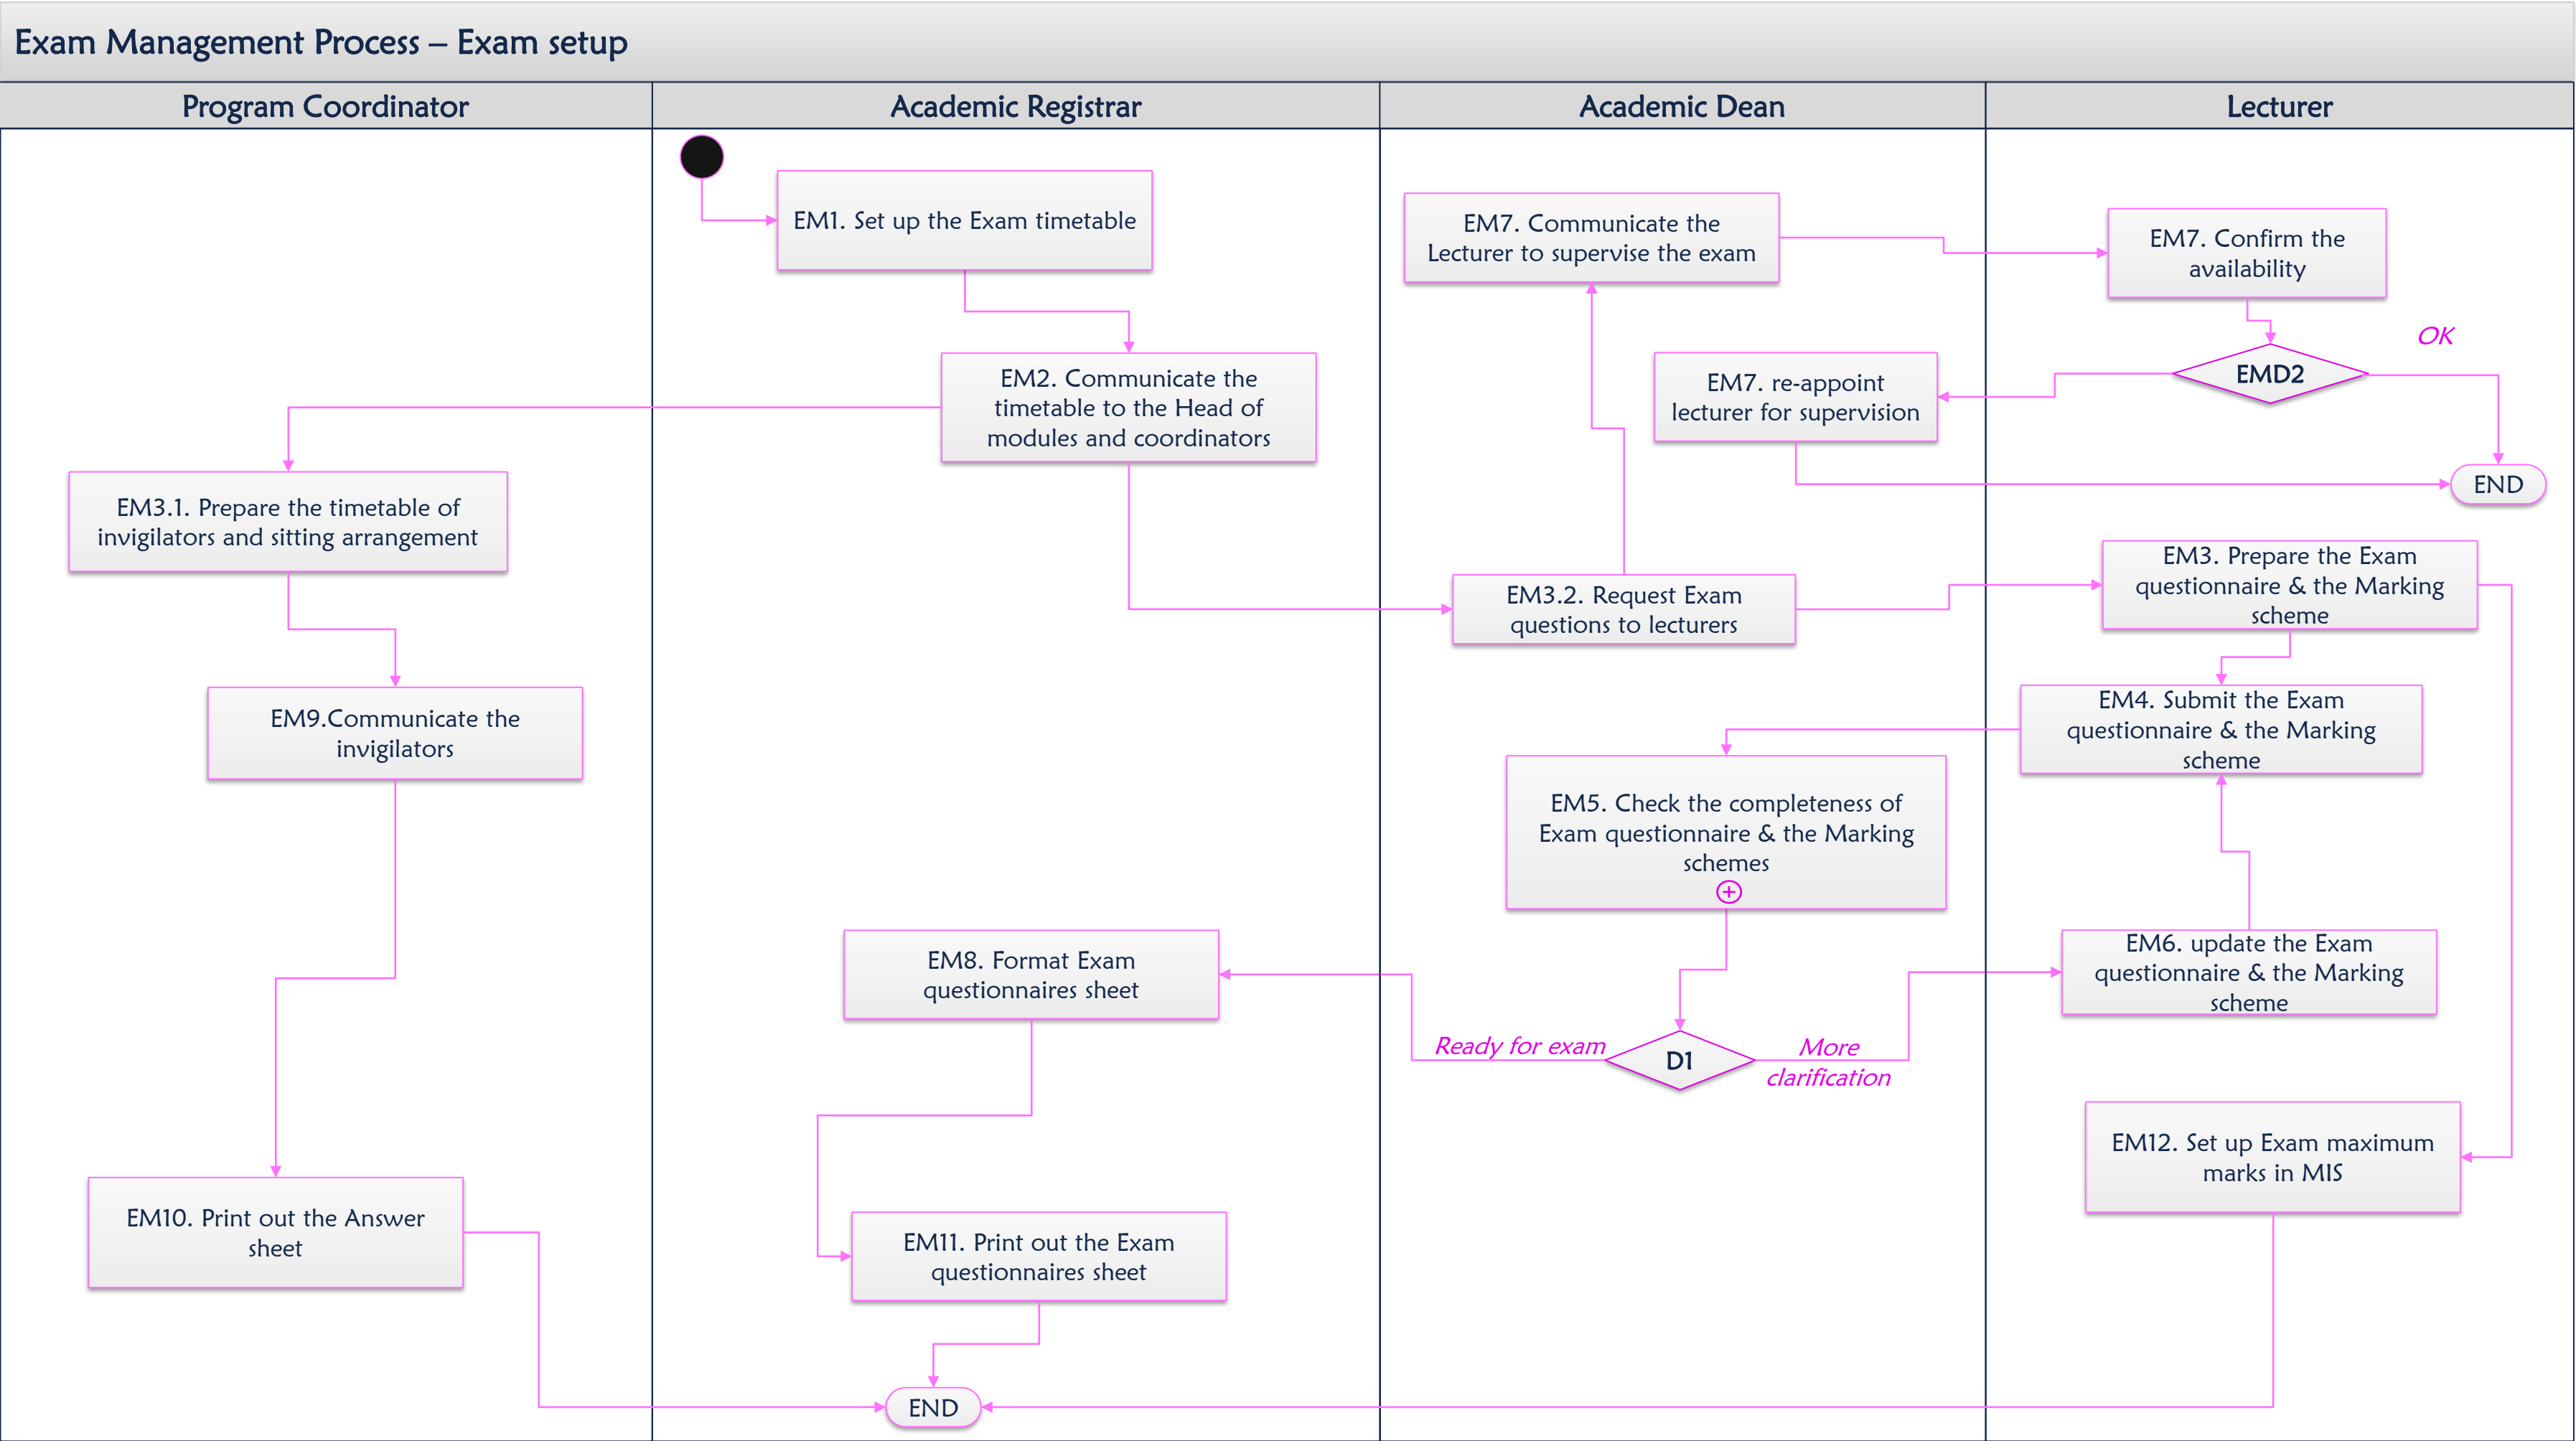

Assignment/Research Management process – Individual or Group (As-IS)

Assignment/Research Management process (the proposed)

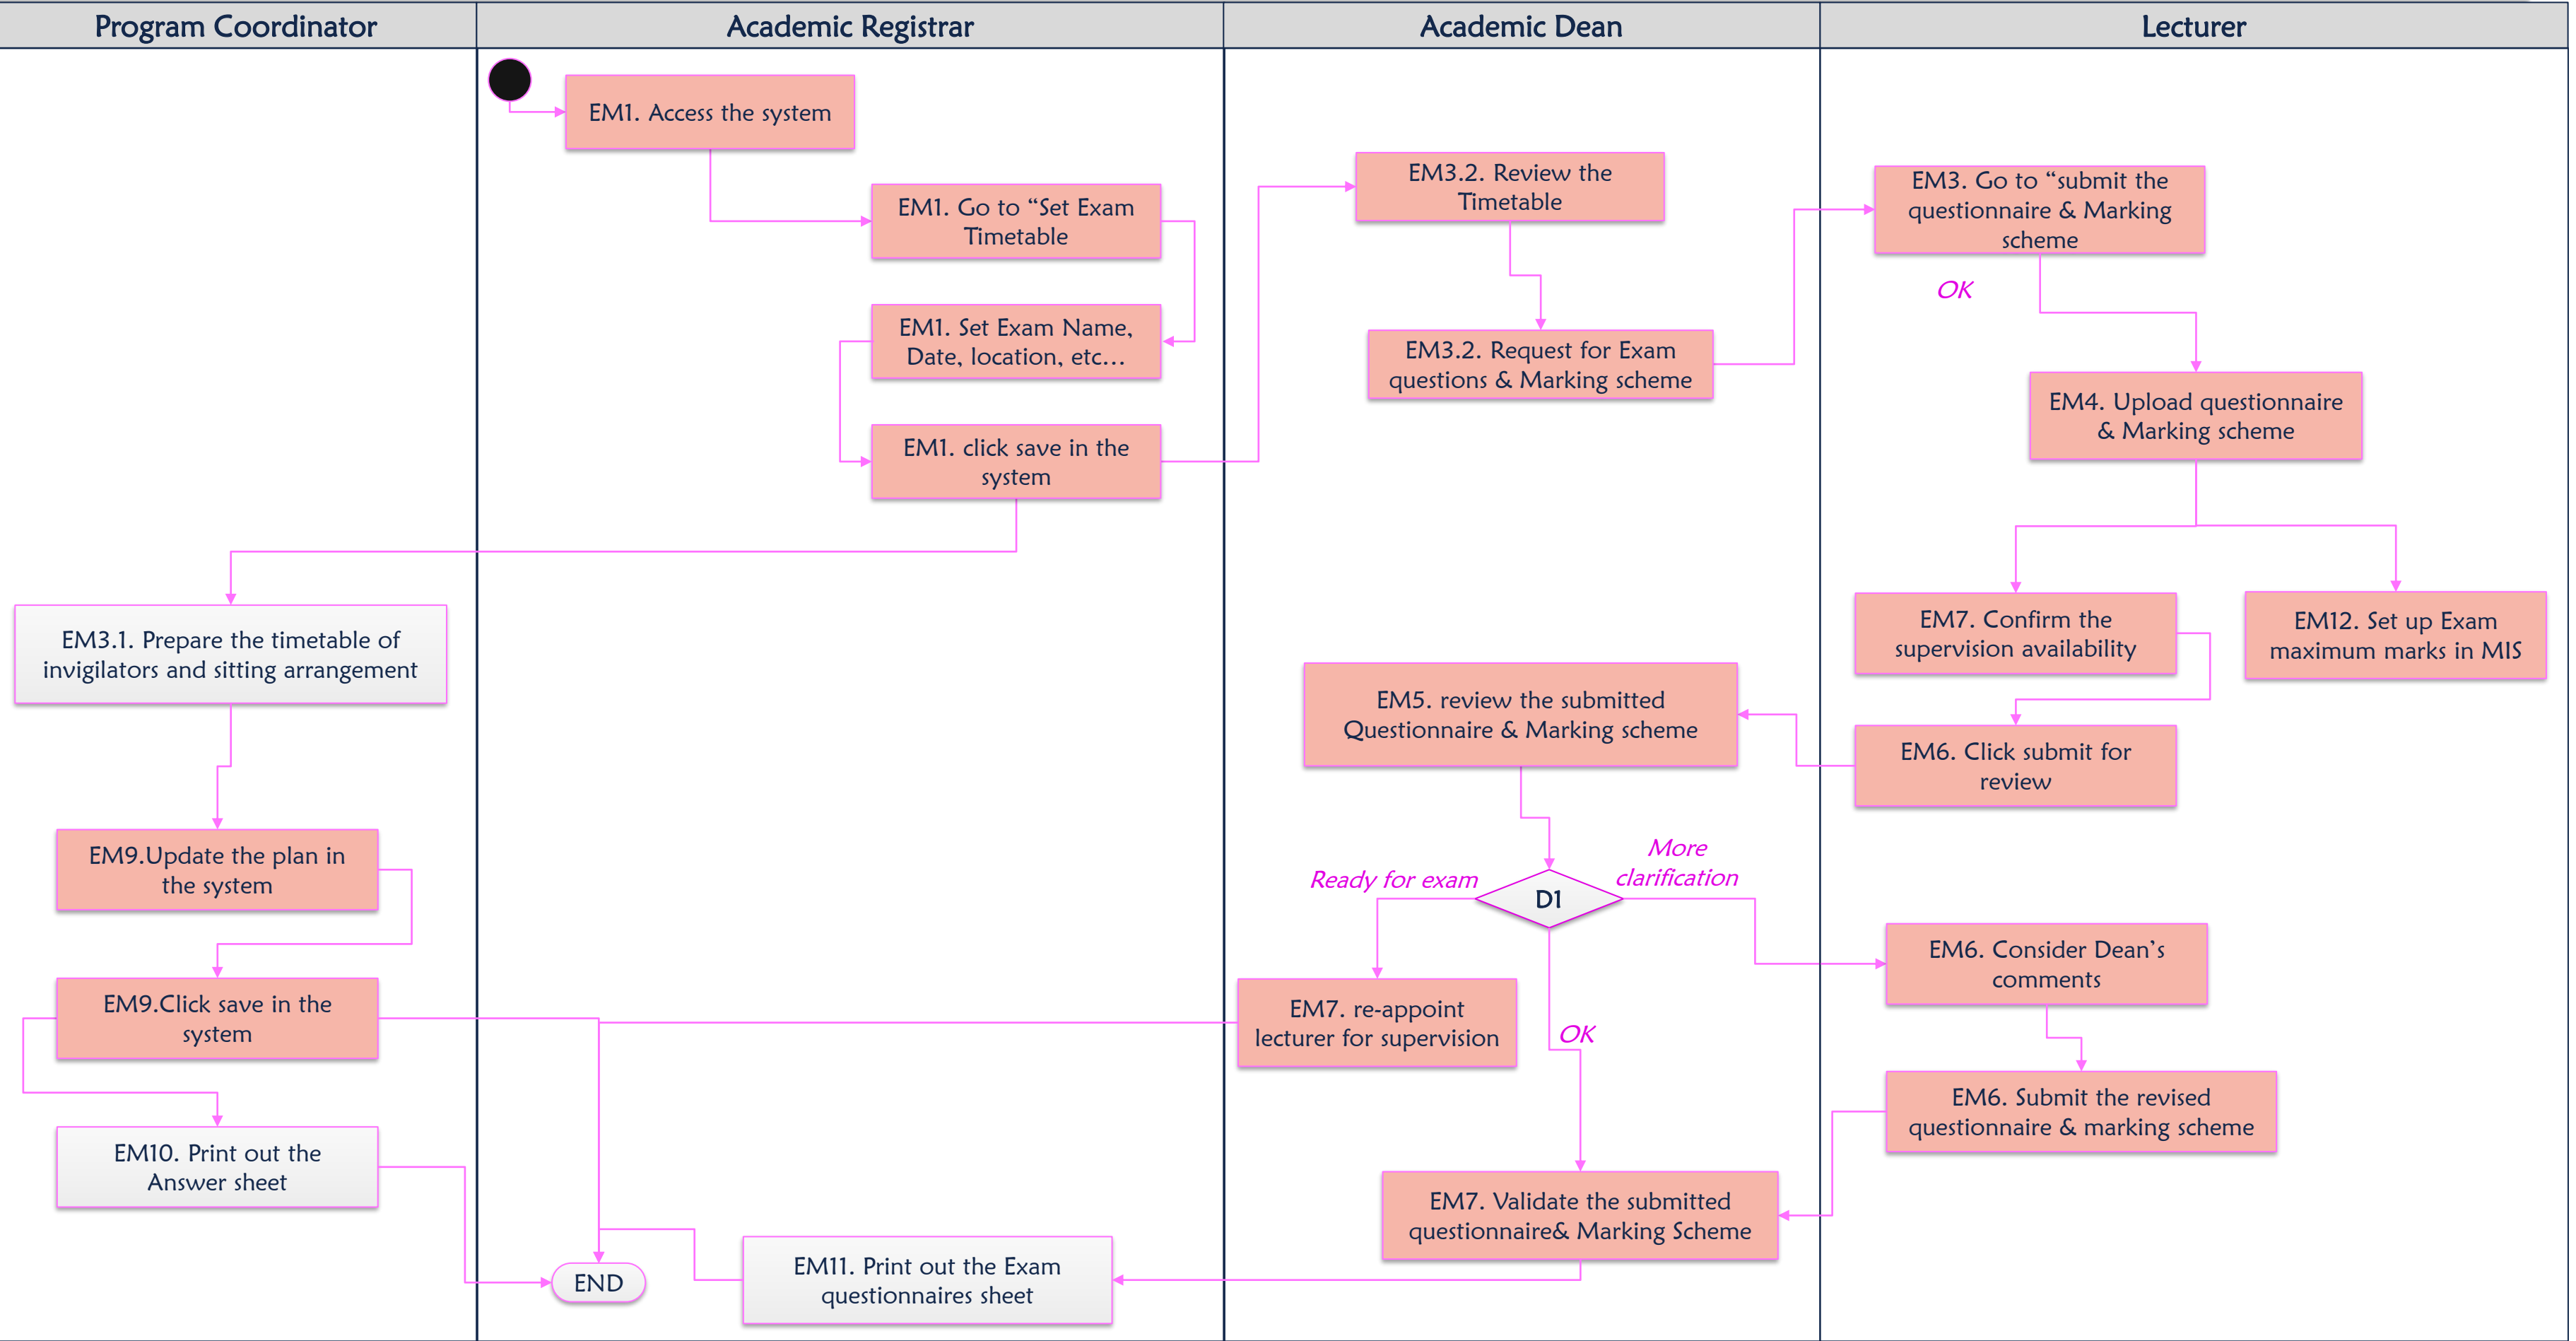

Exam Management Process – Exam setup (As-Is)

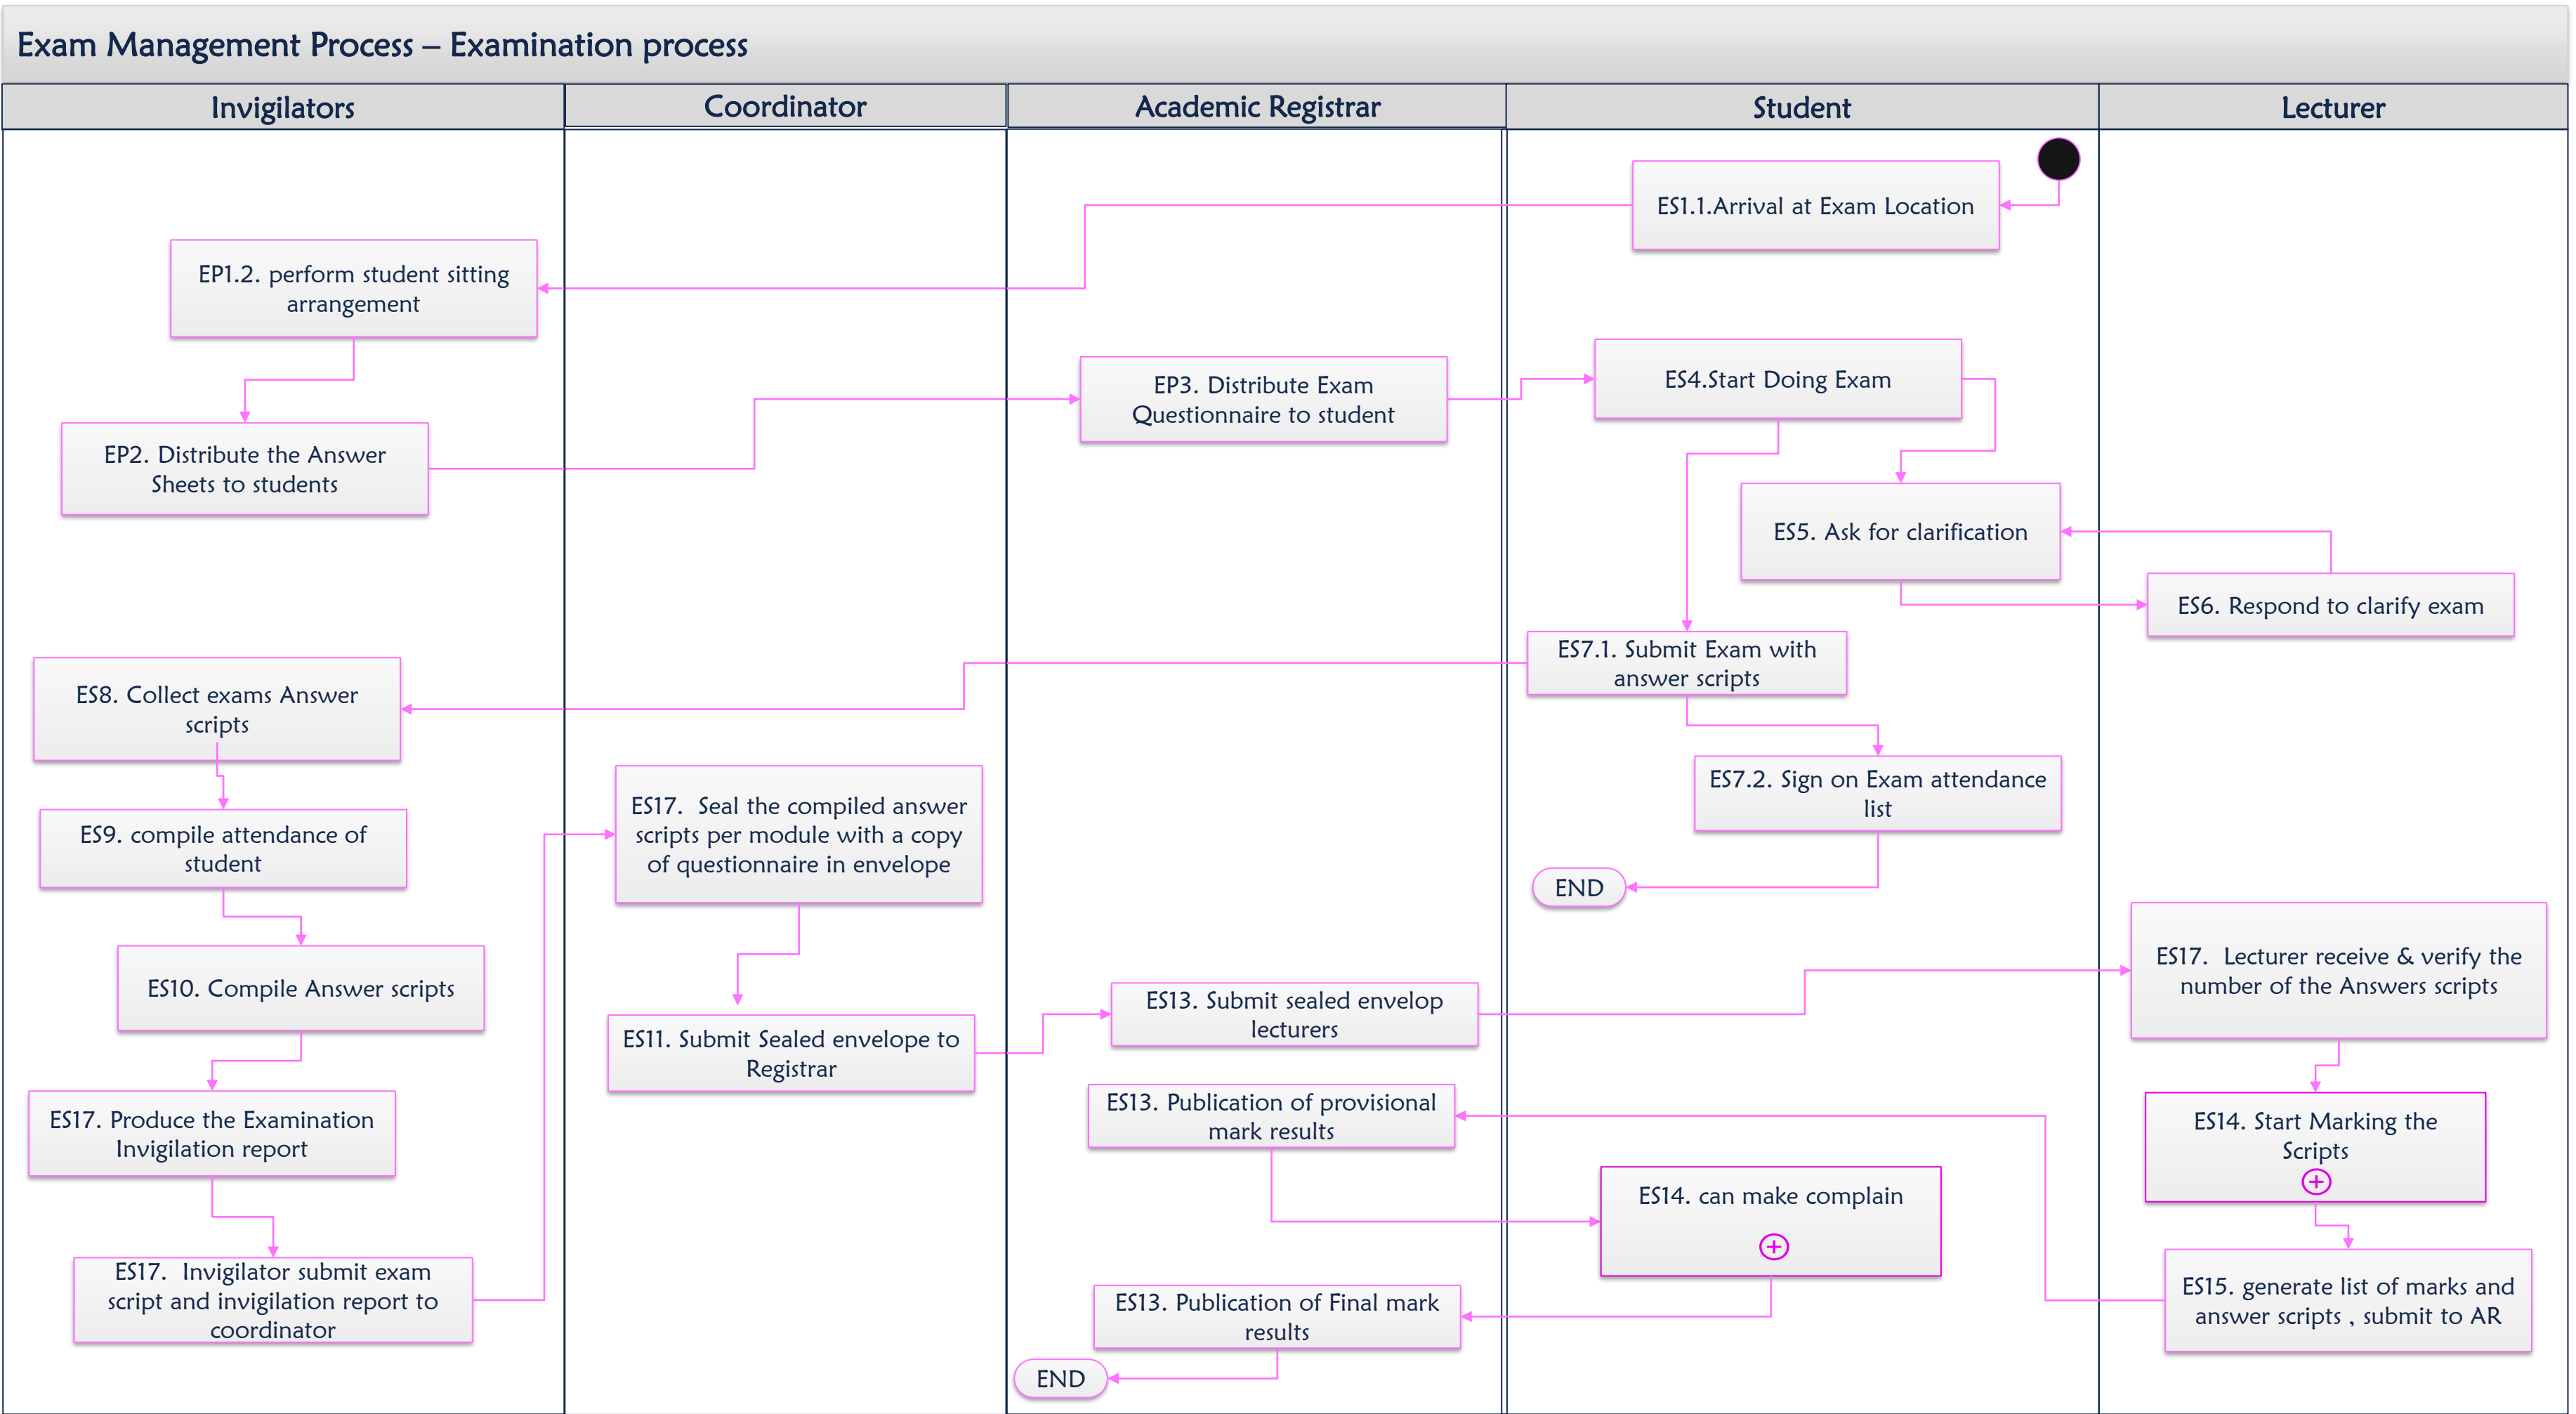

Exam Management Process – Exam setup (the proposed)

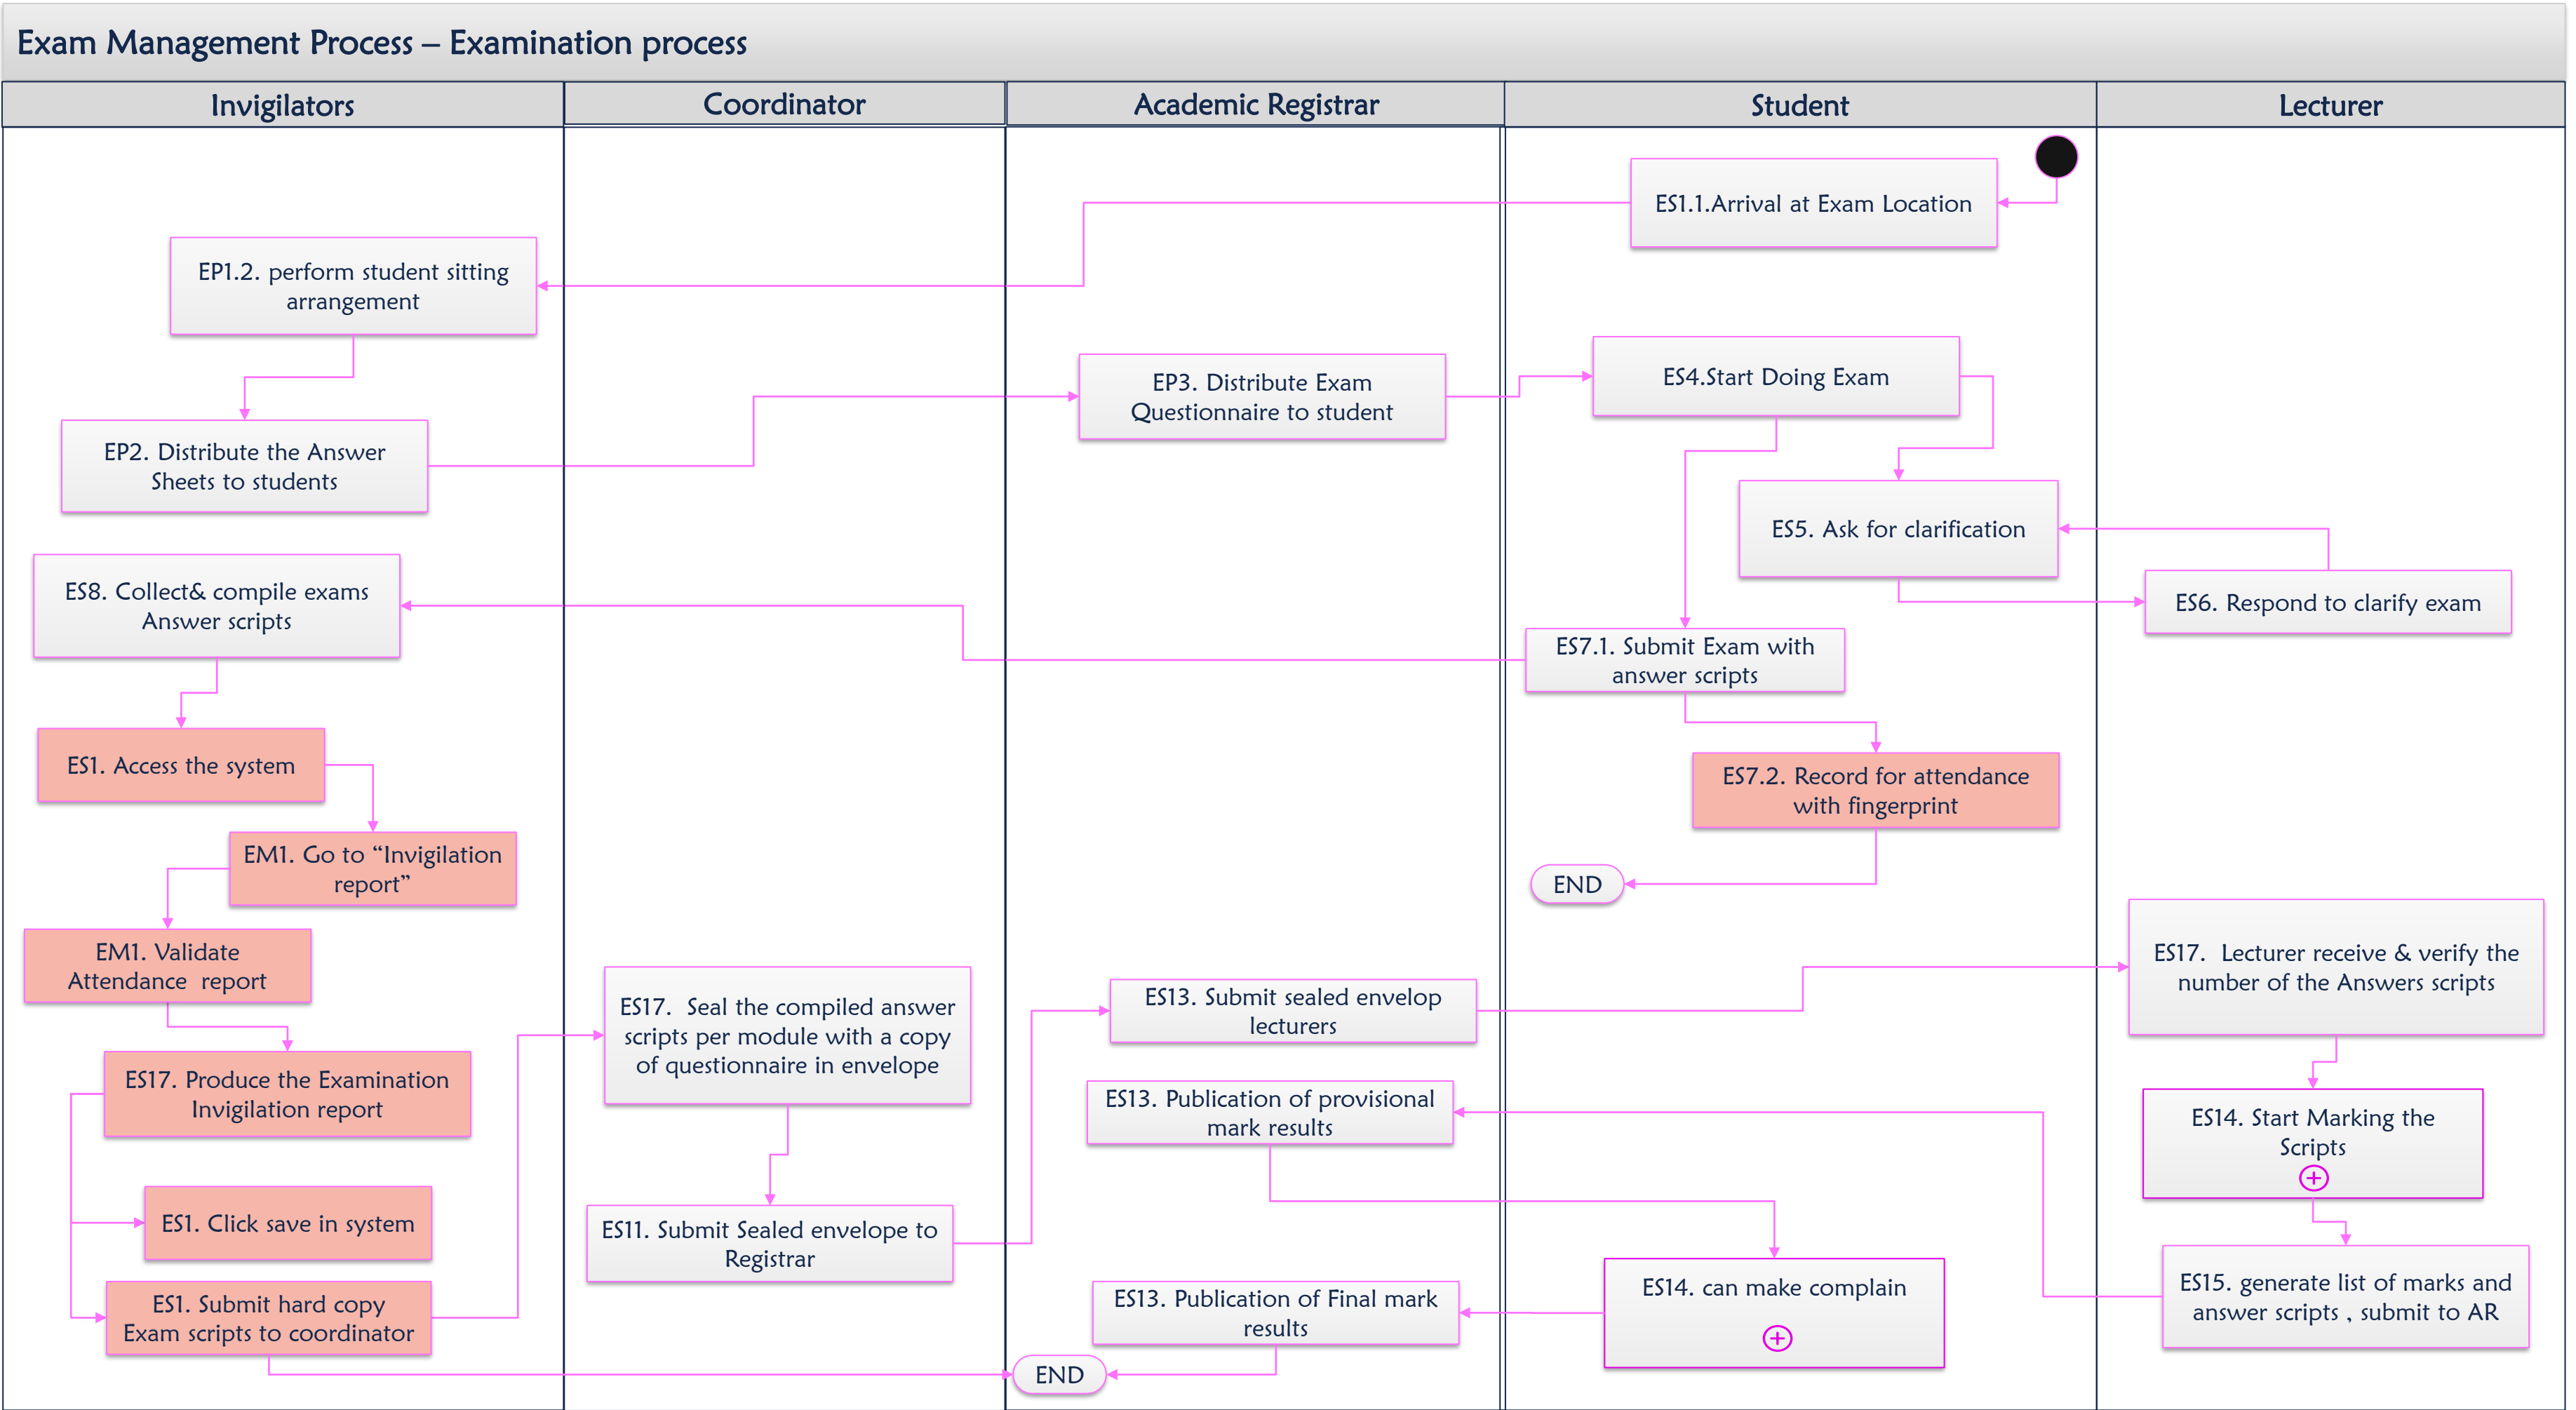

Exam Management Process – Exam setup

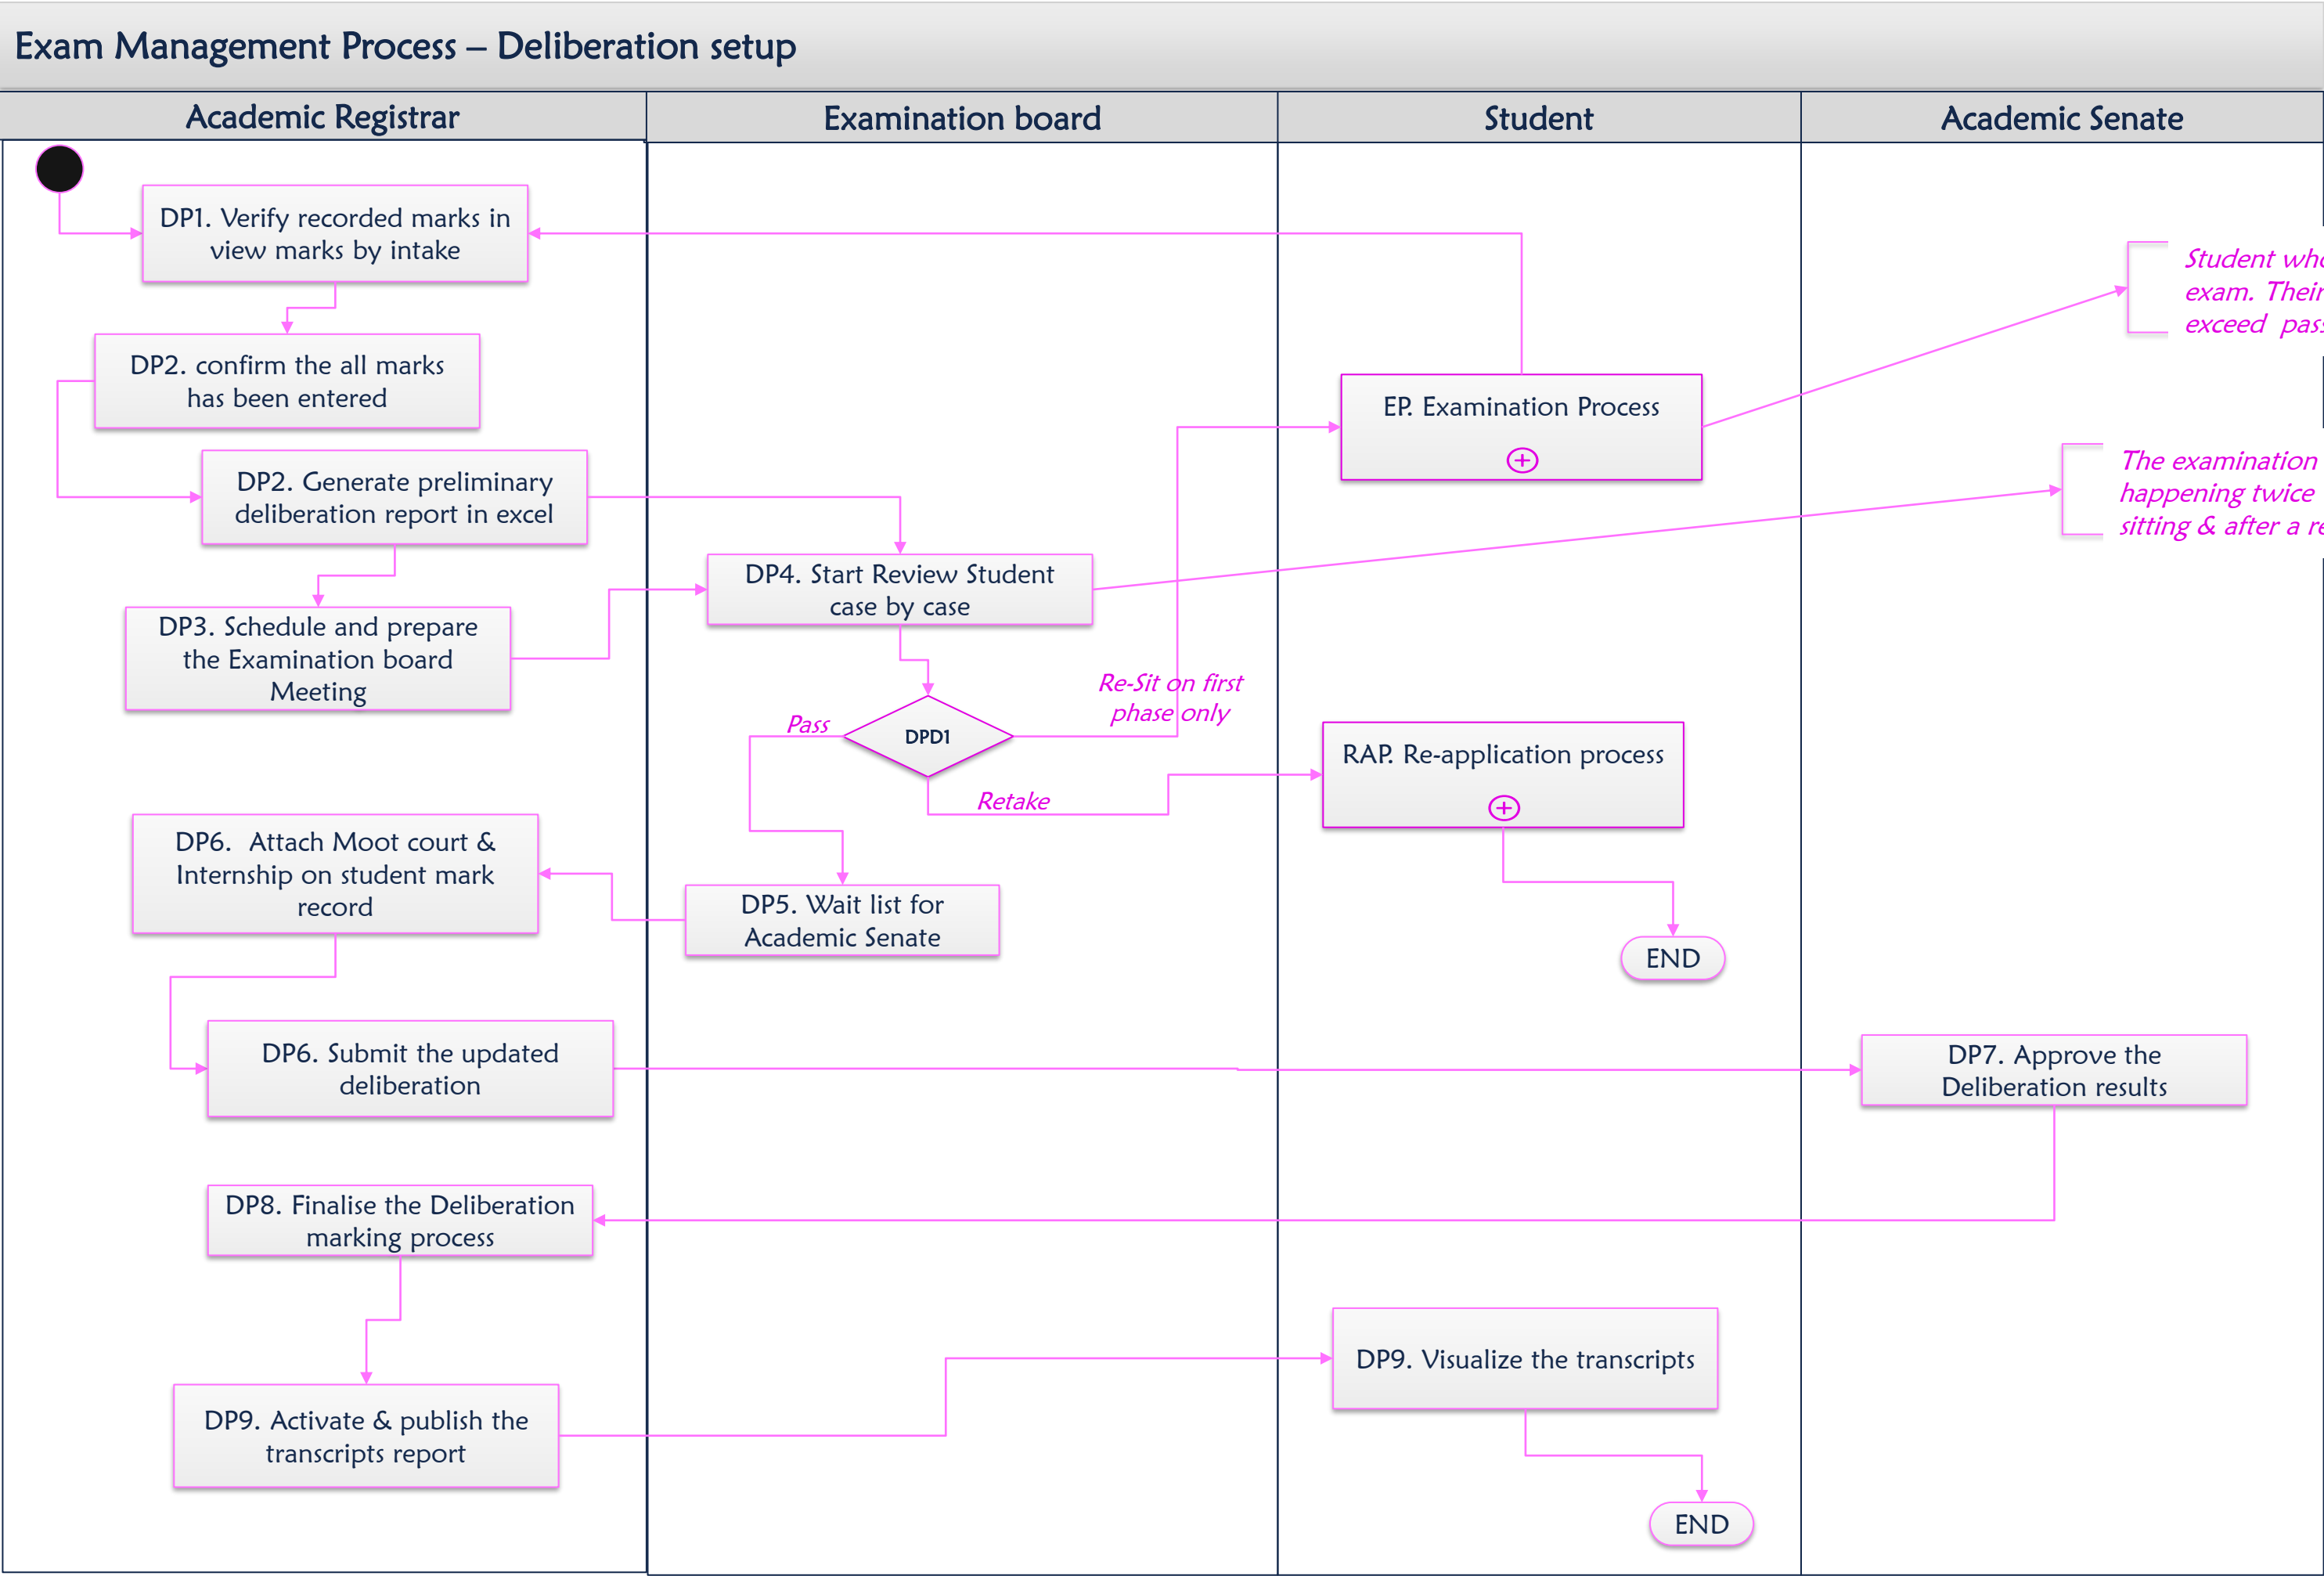

Exam Management Process – Examination process (As-Is)

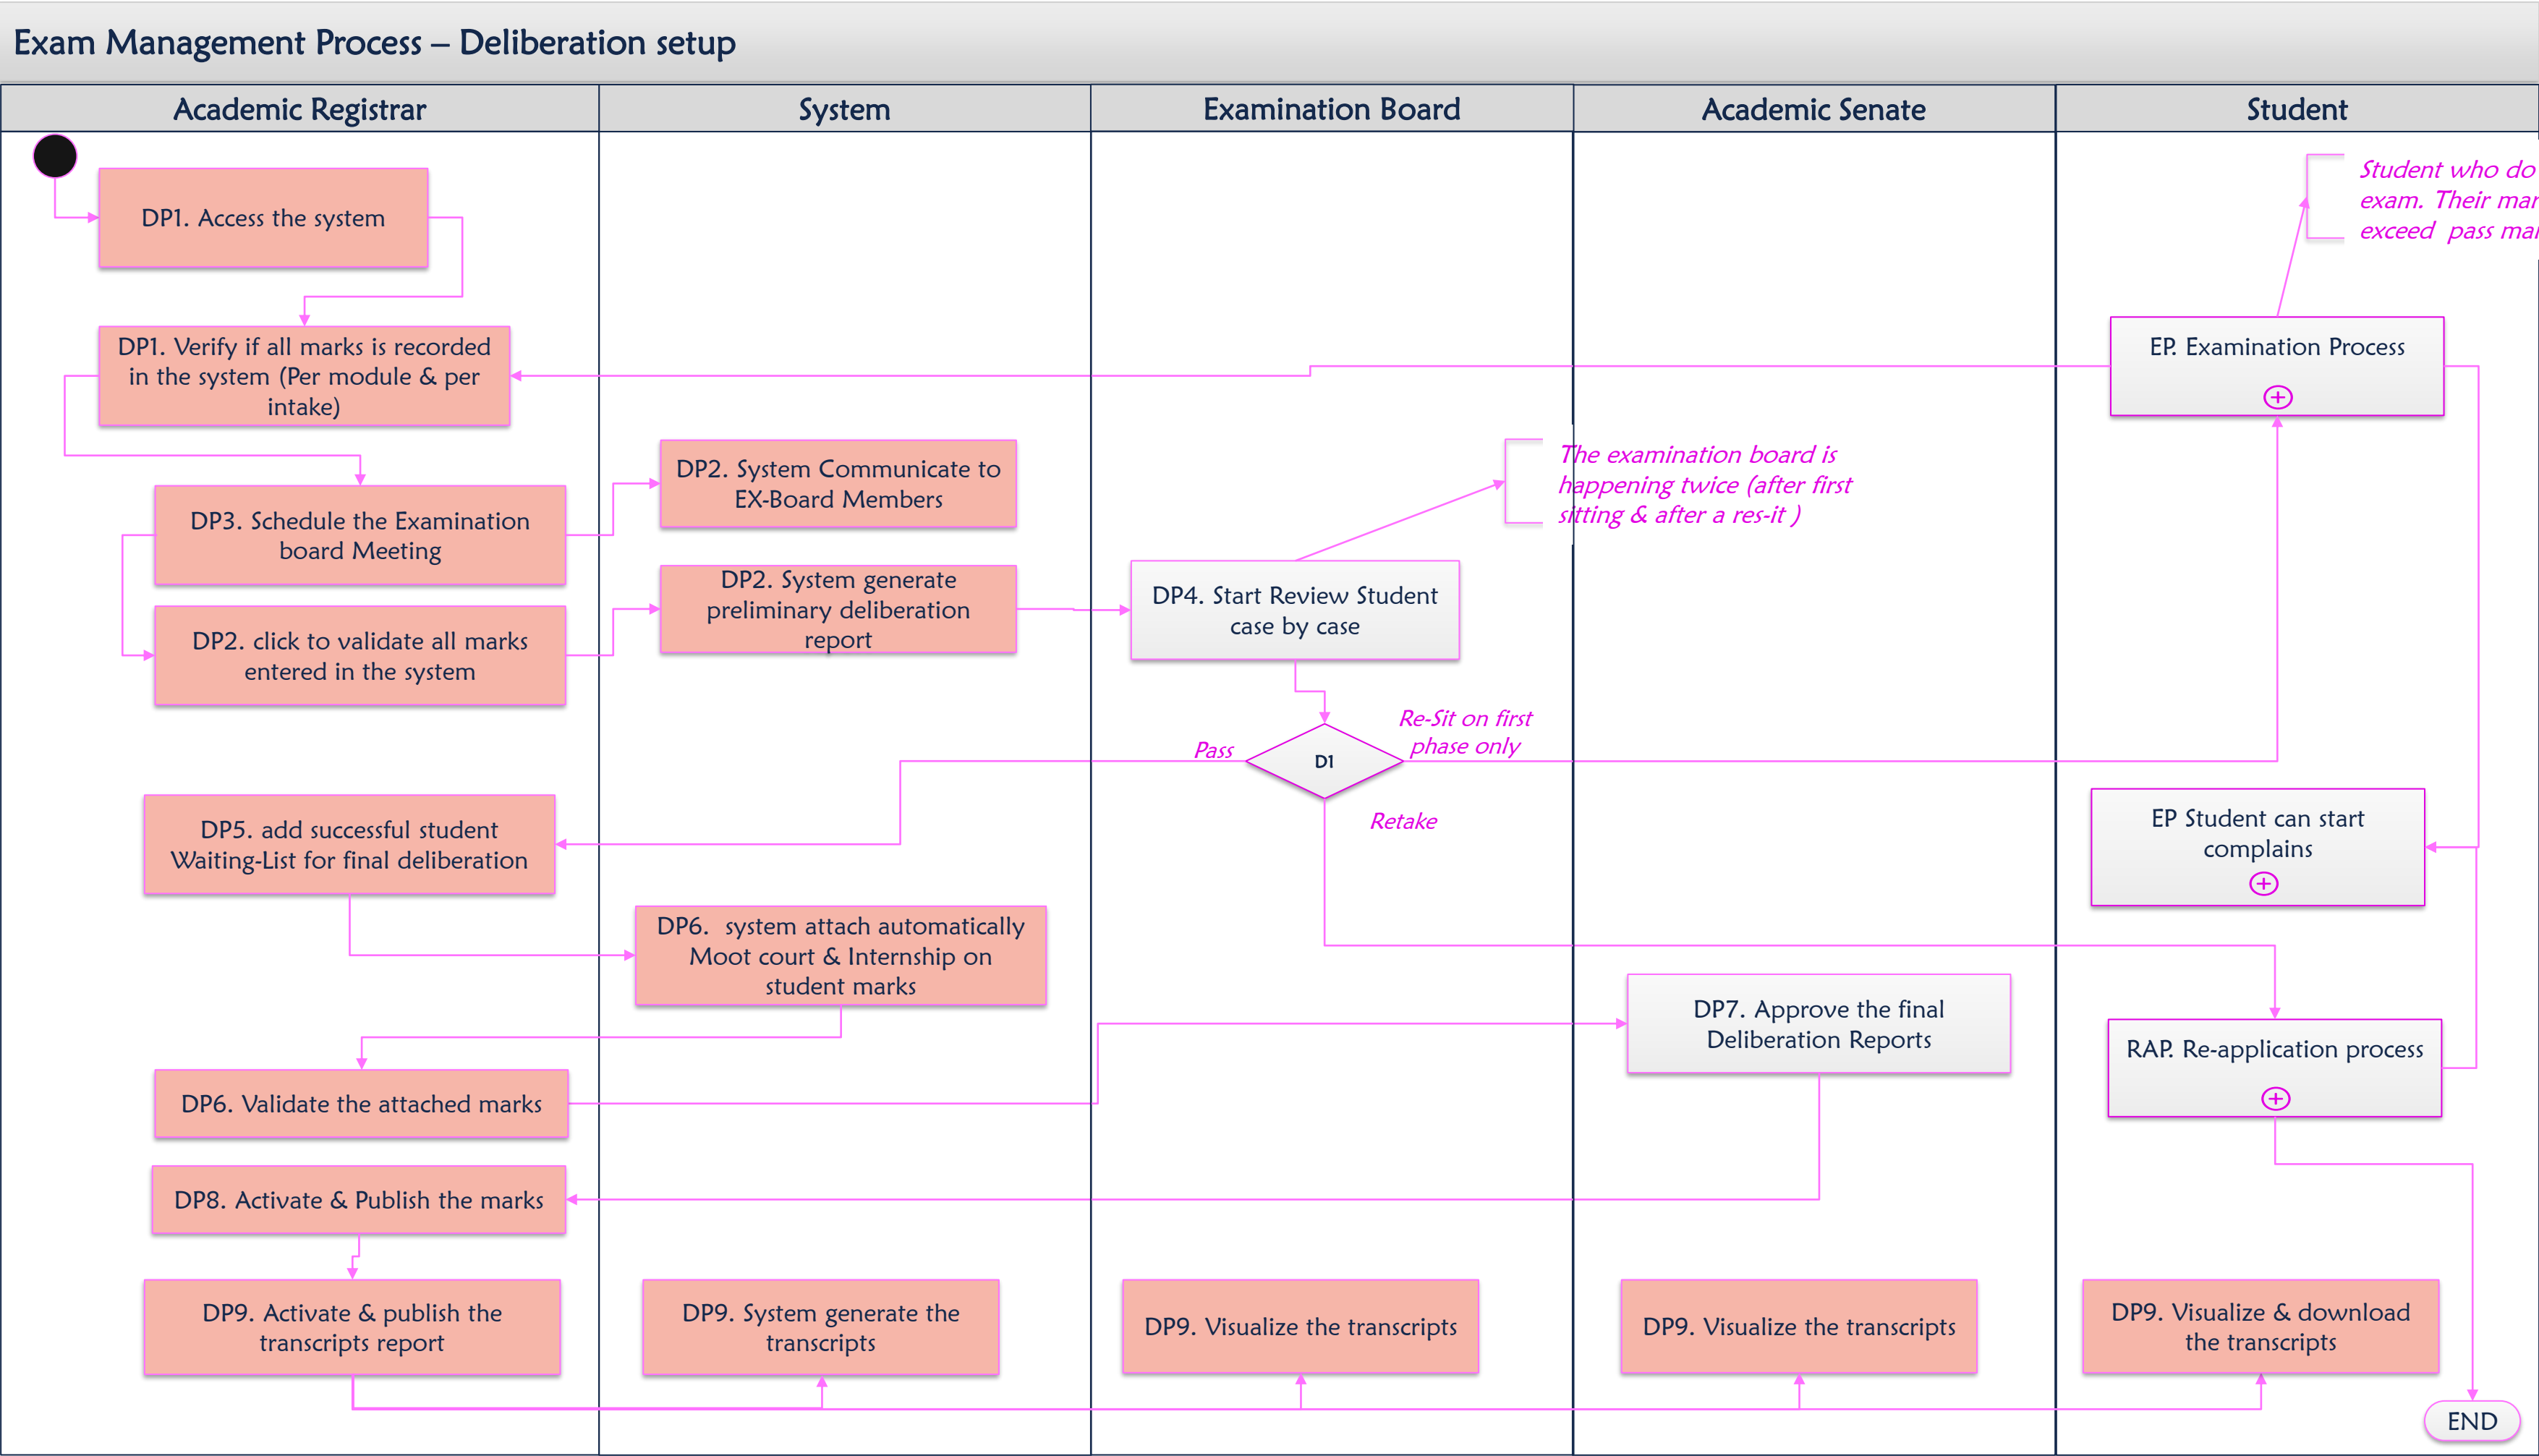

Exam Management Process – Examination process (The Proposed)

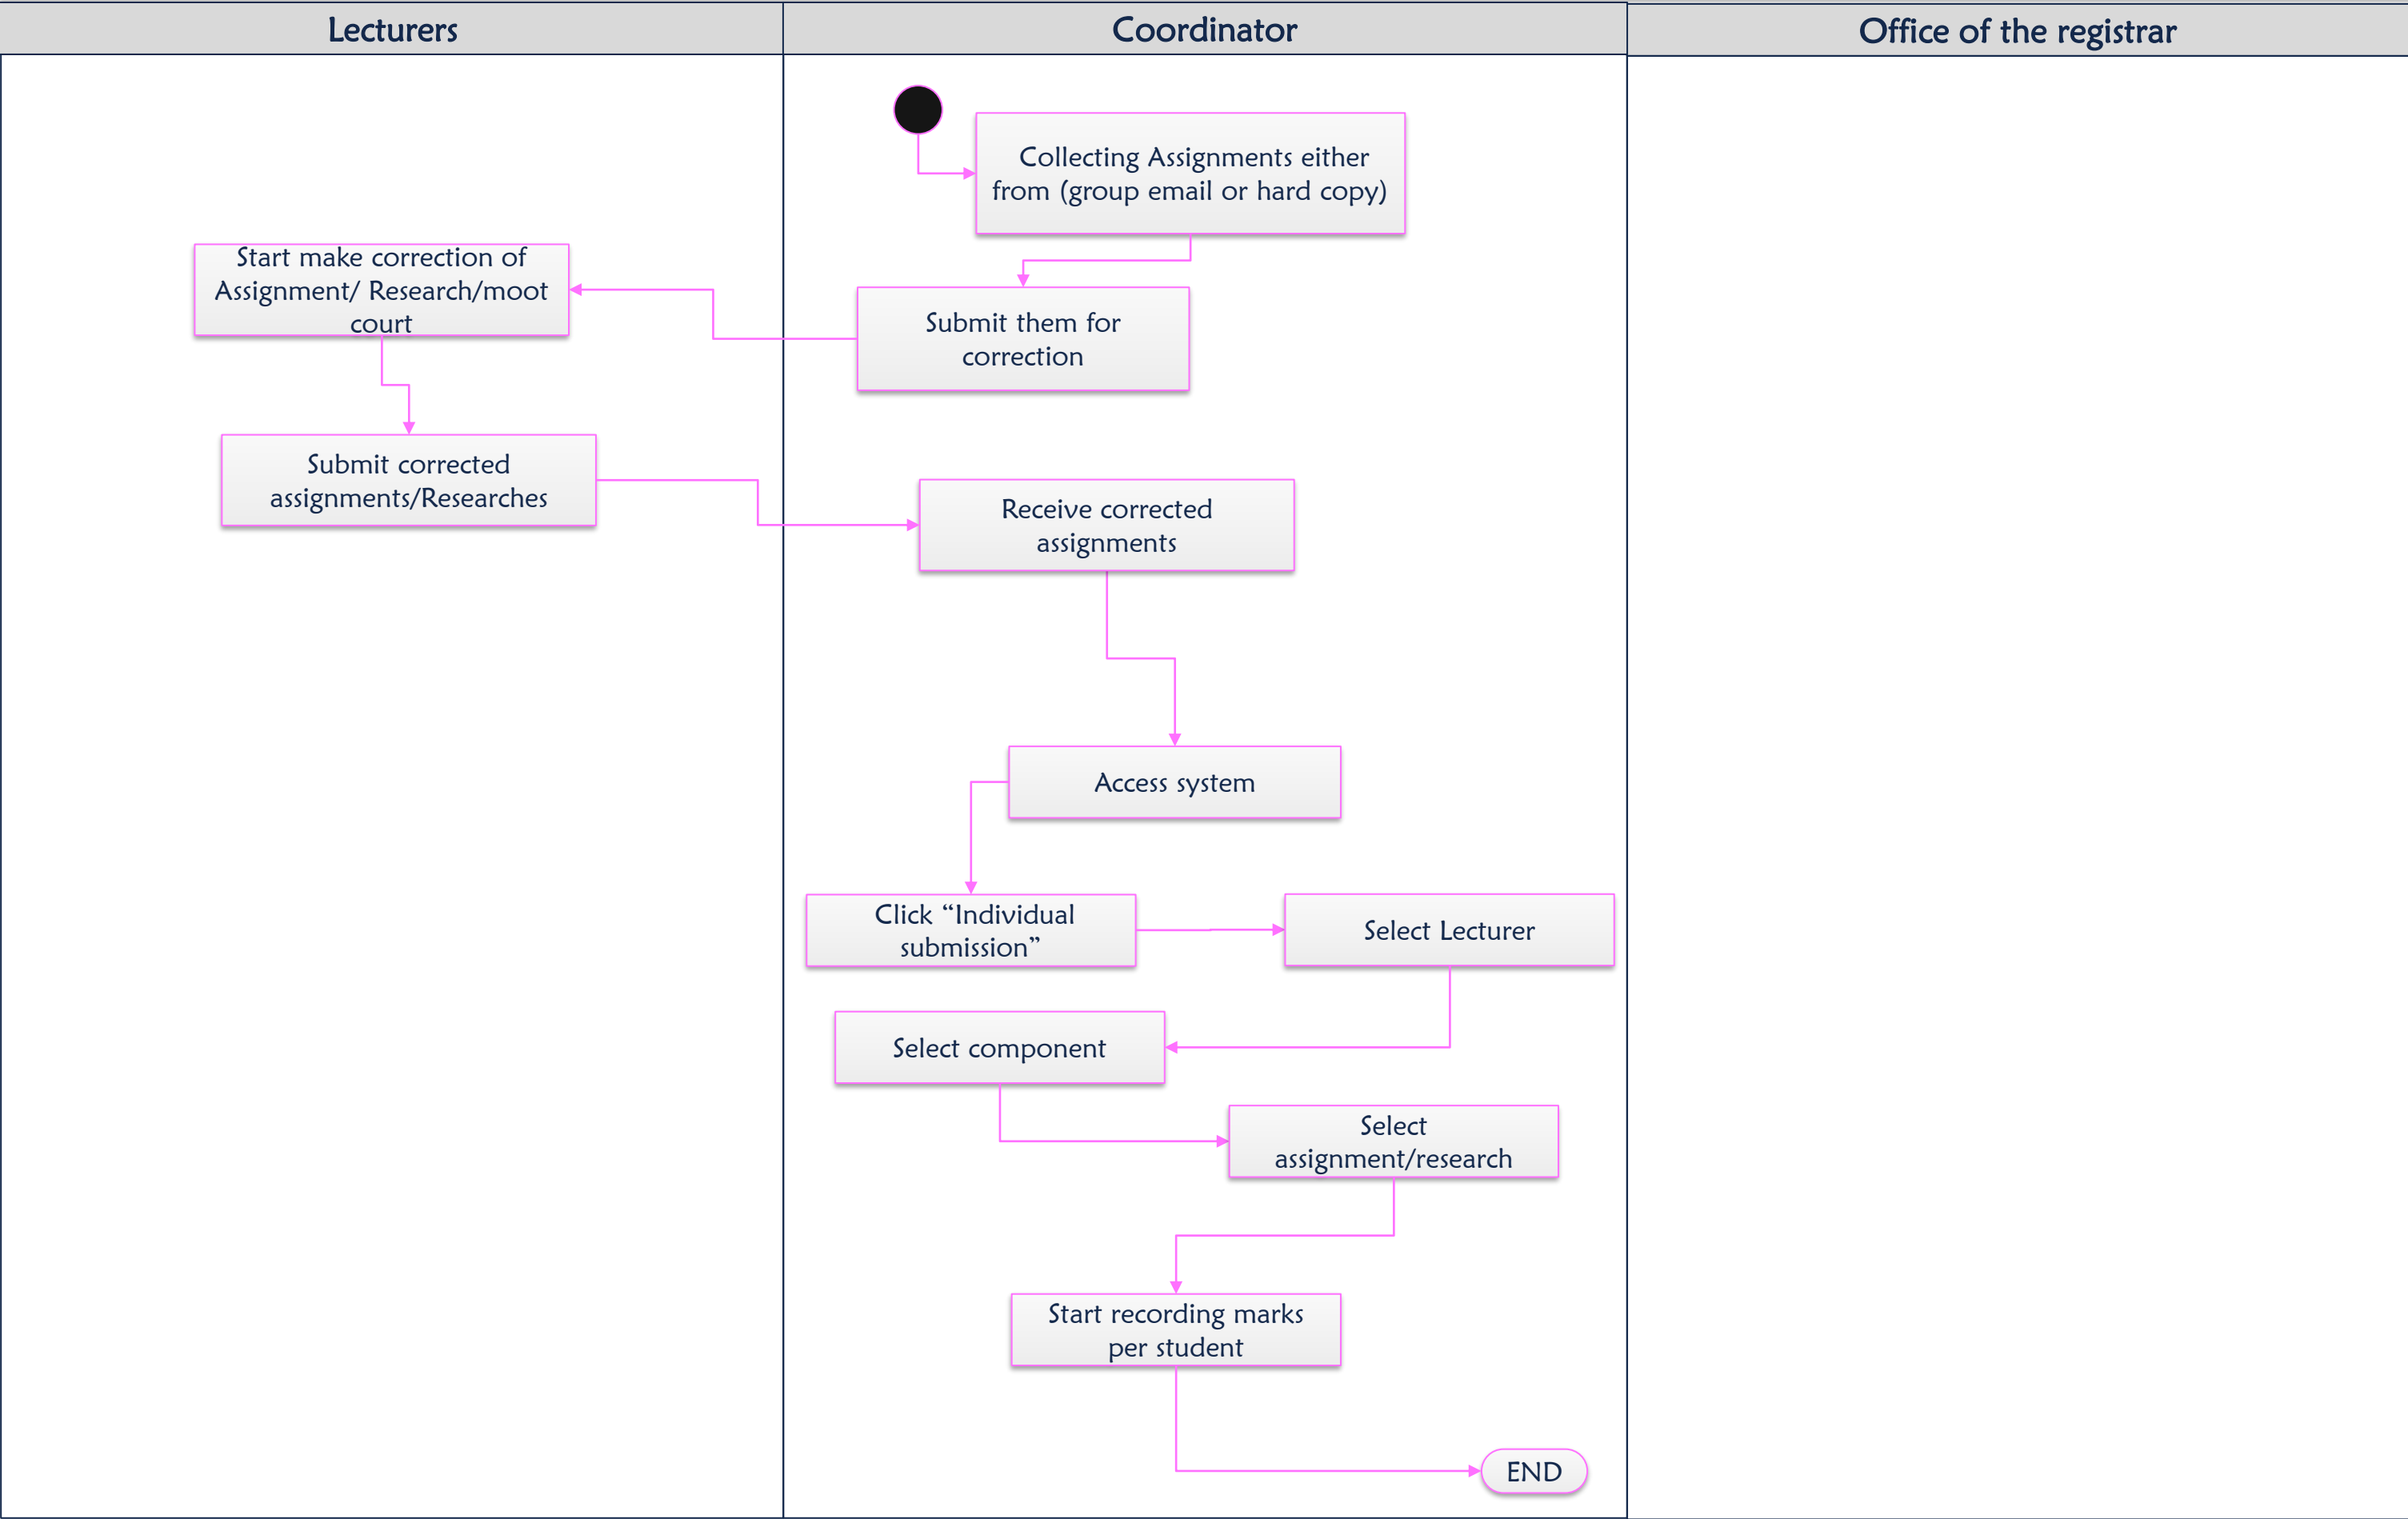

Exam Management Process – Deliberation process (As-Is)

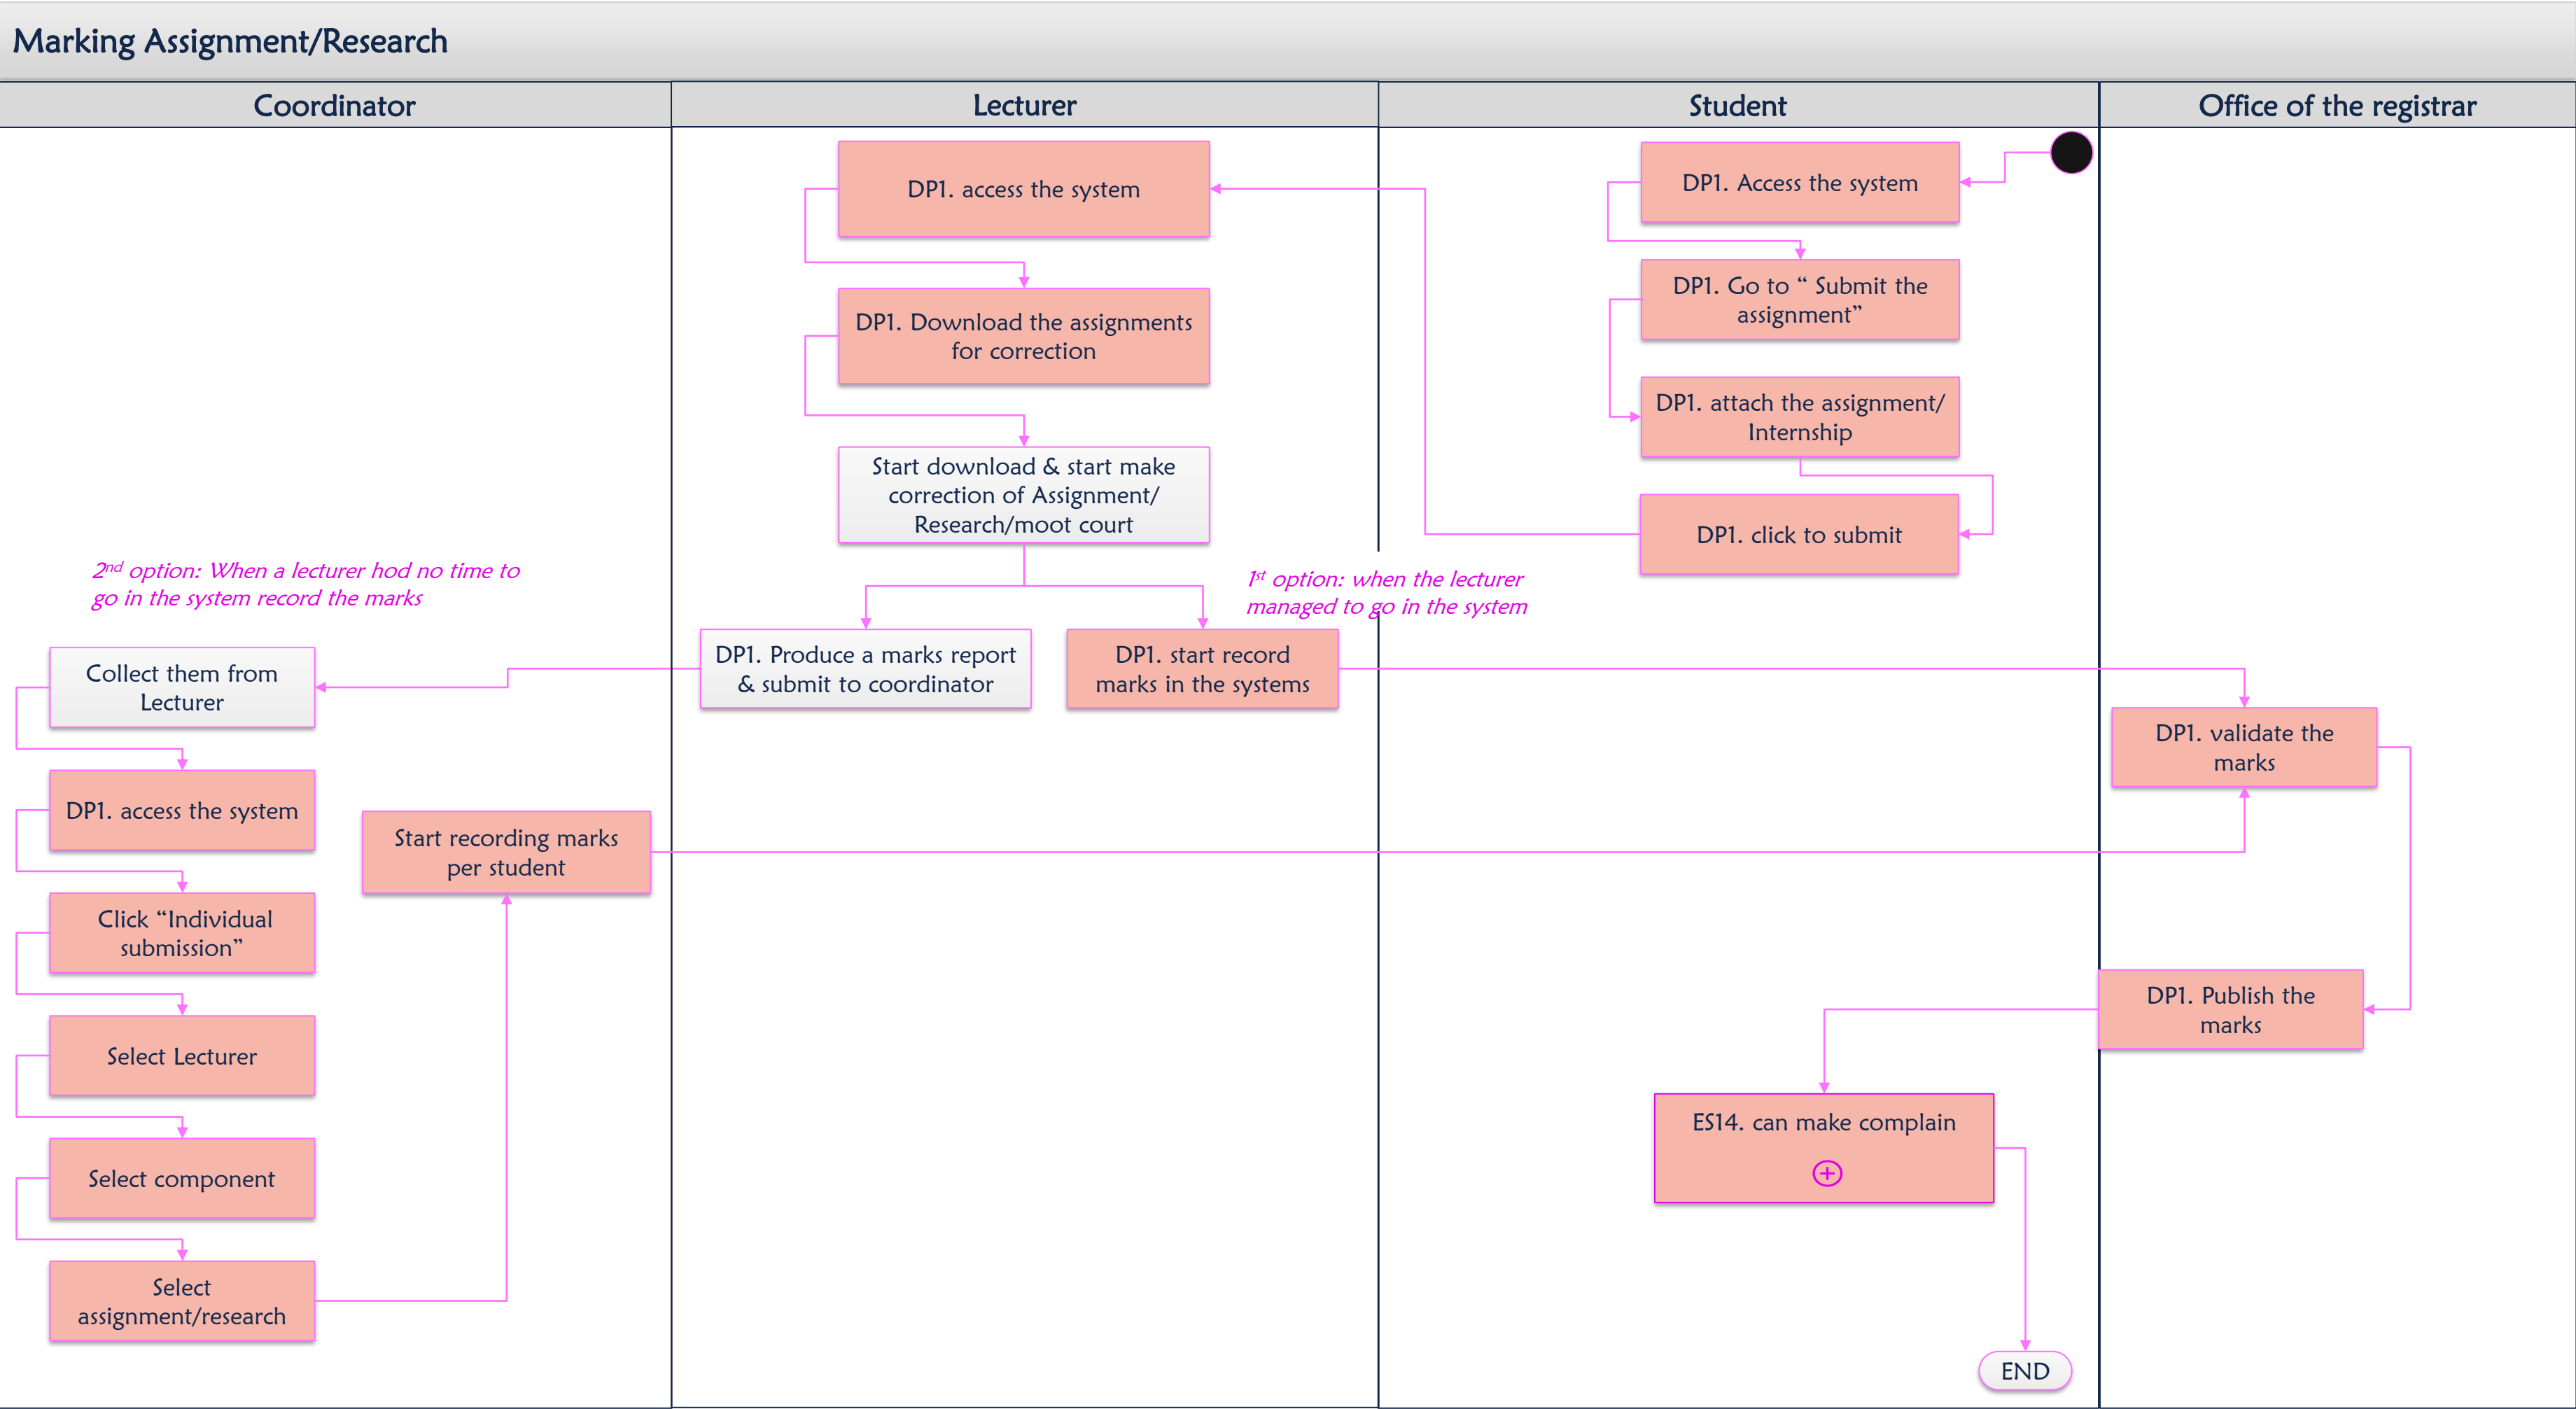

Exam Management Process – Deliberation process (The Proposed)

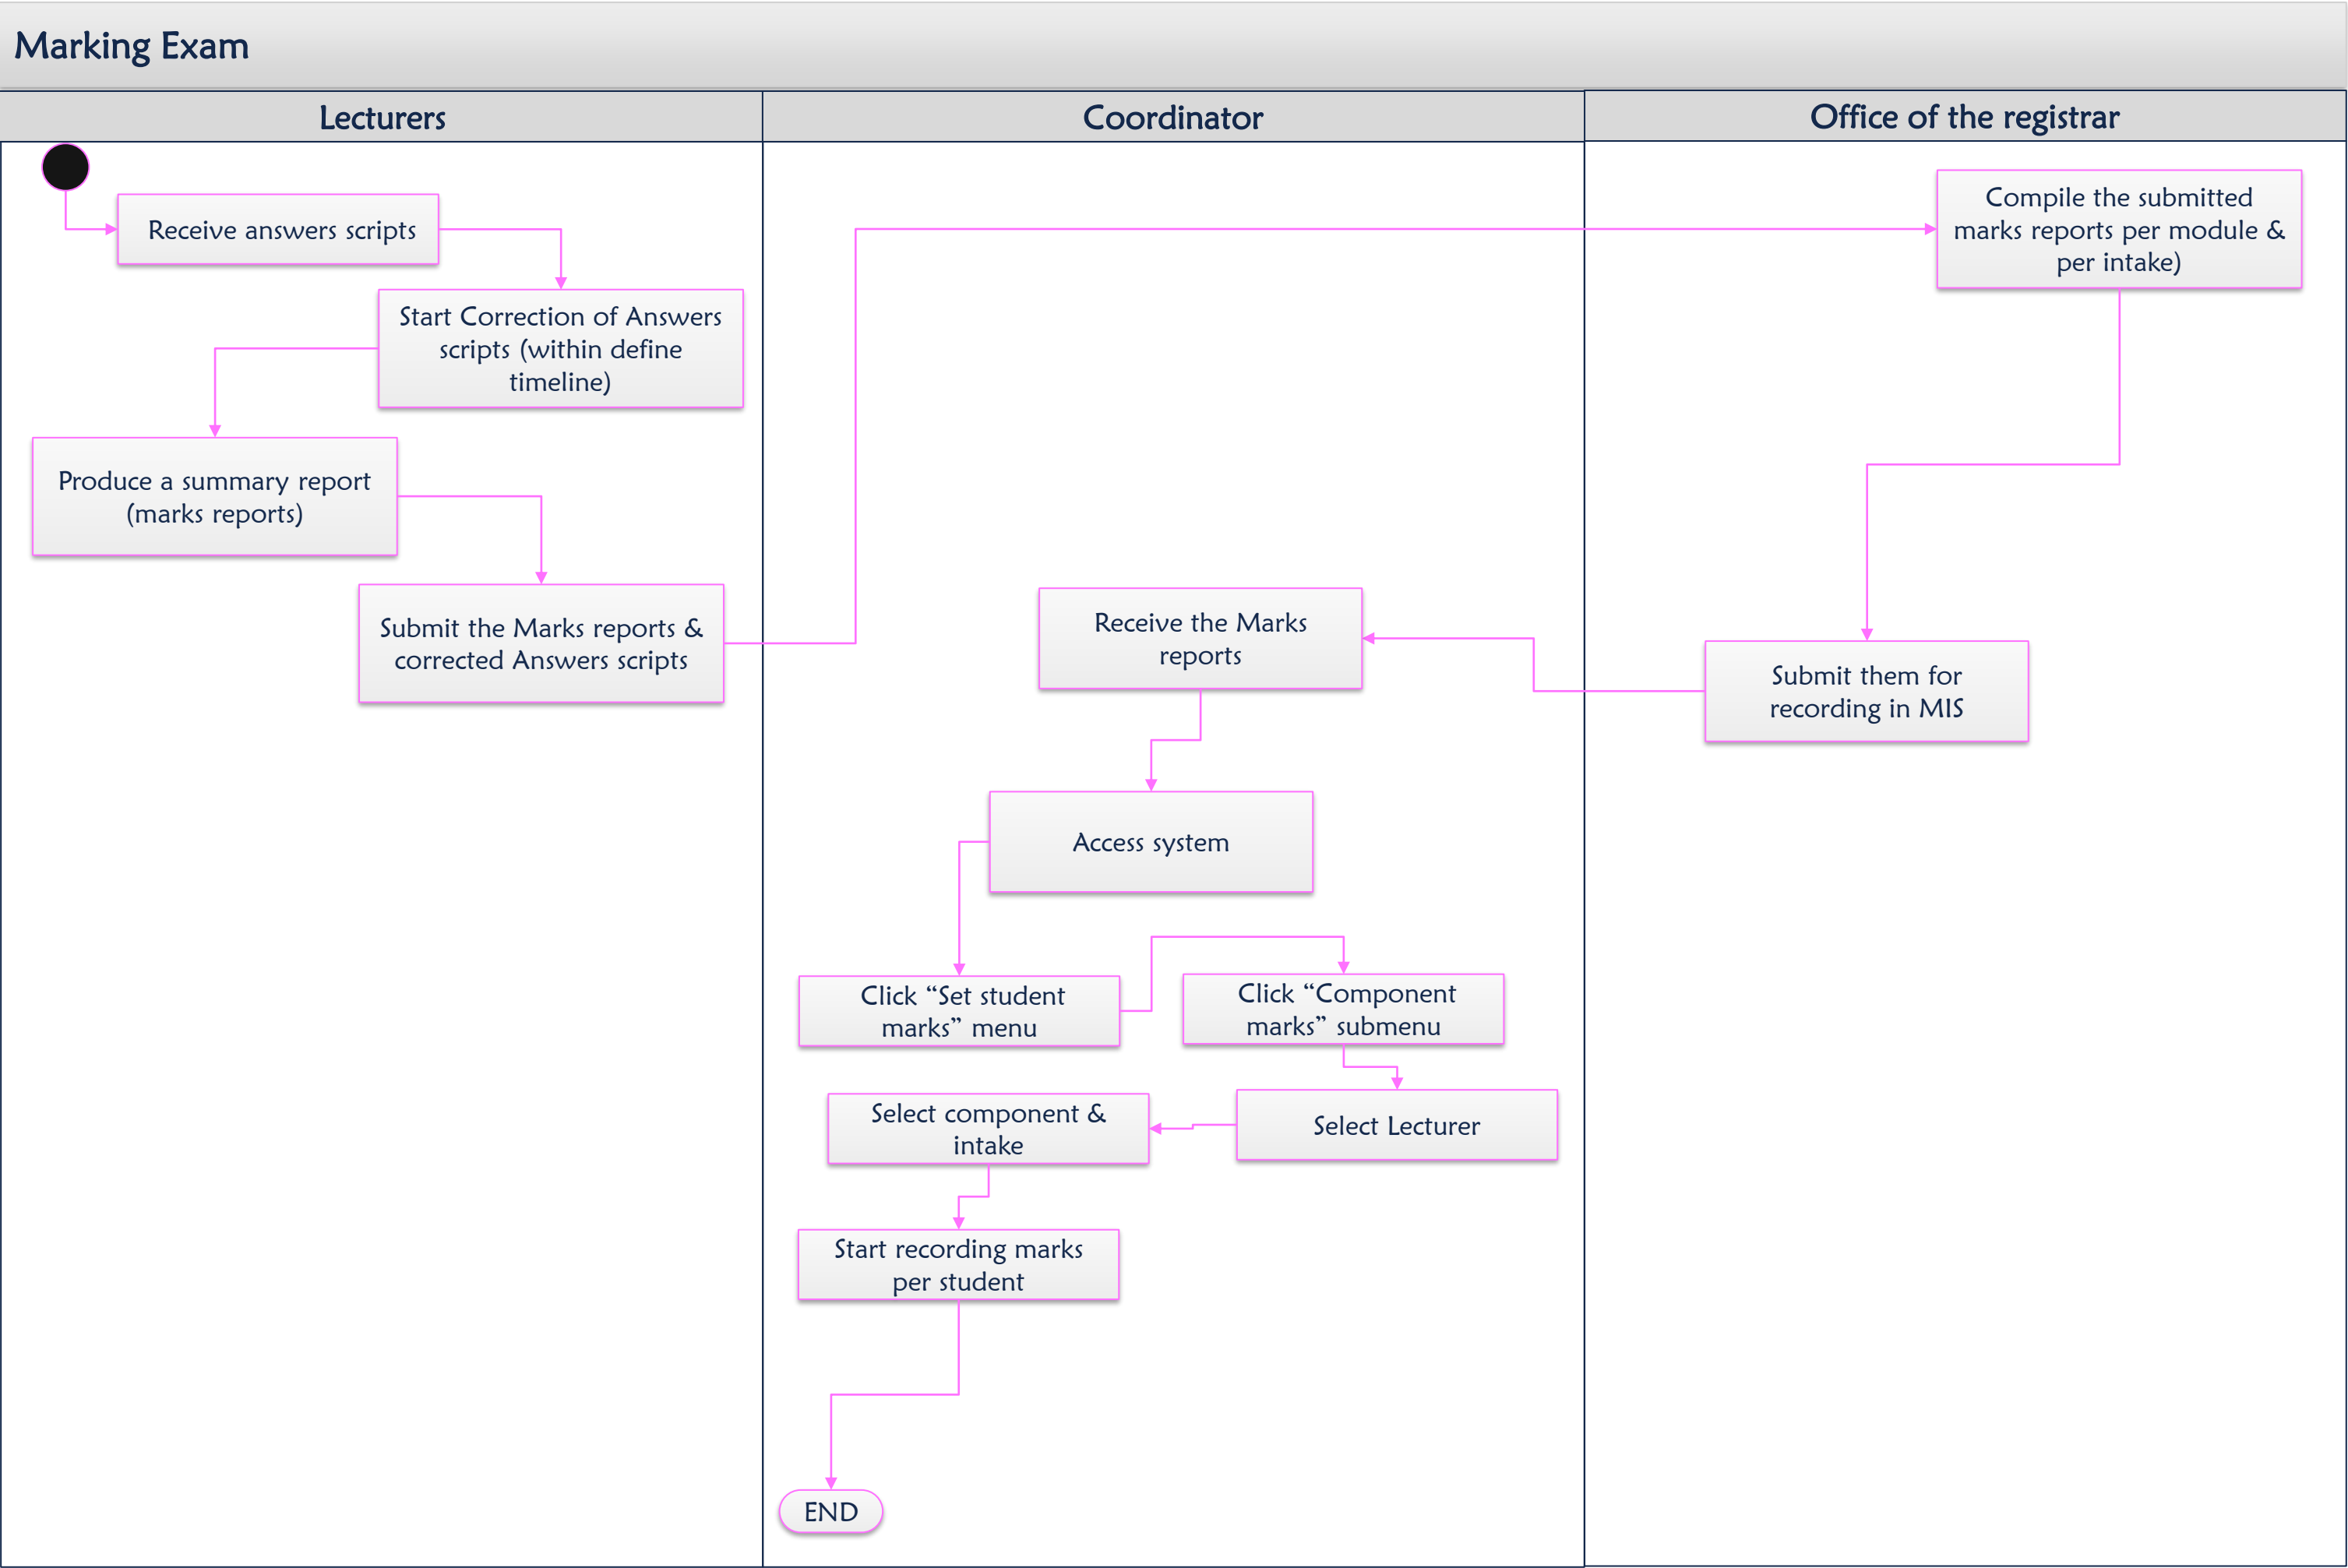

Marking Assignment/Research

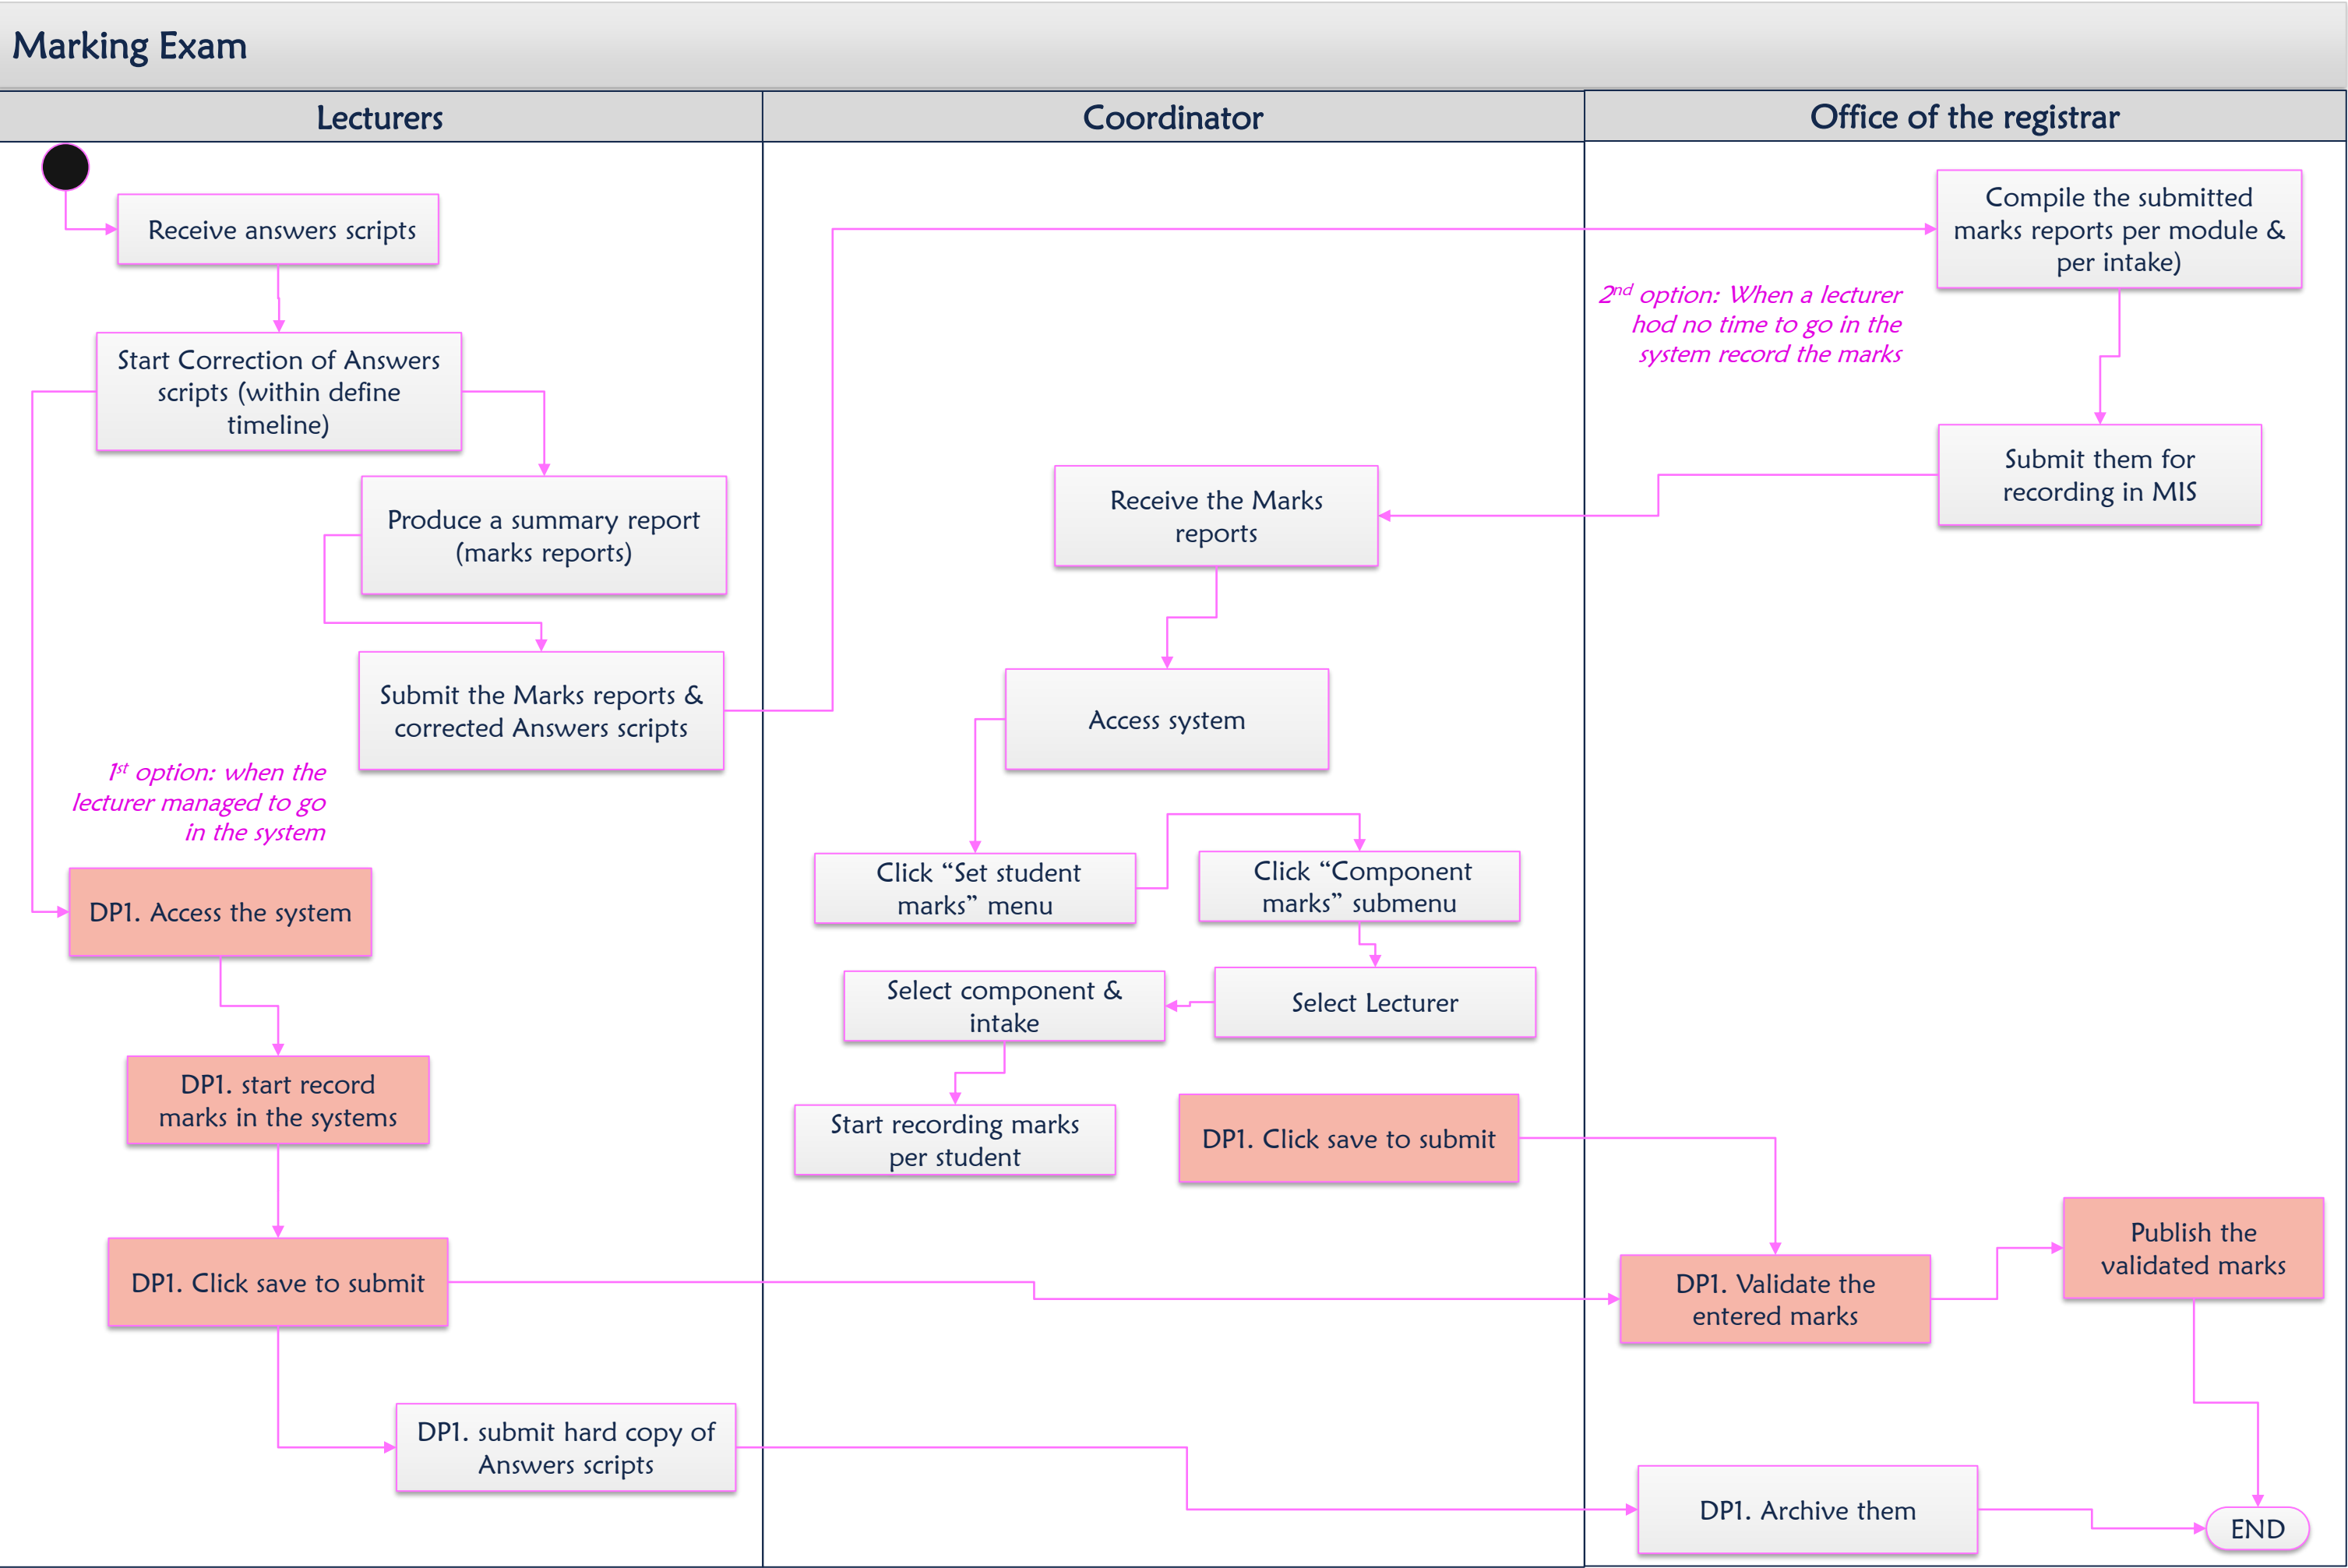

Marking process – Assignment/ Research / Moot court/ internship (The Proposed)

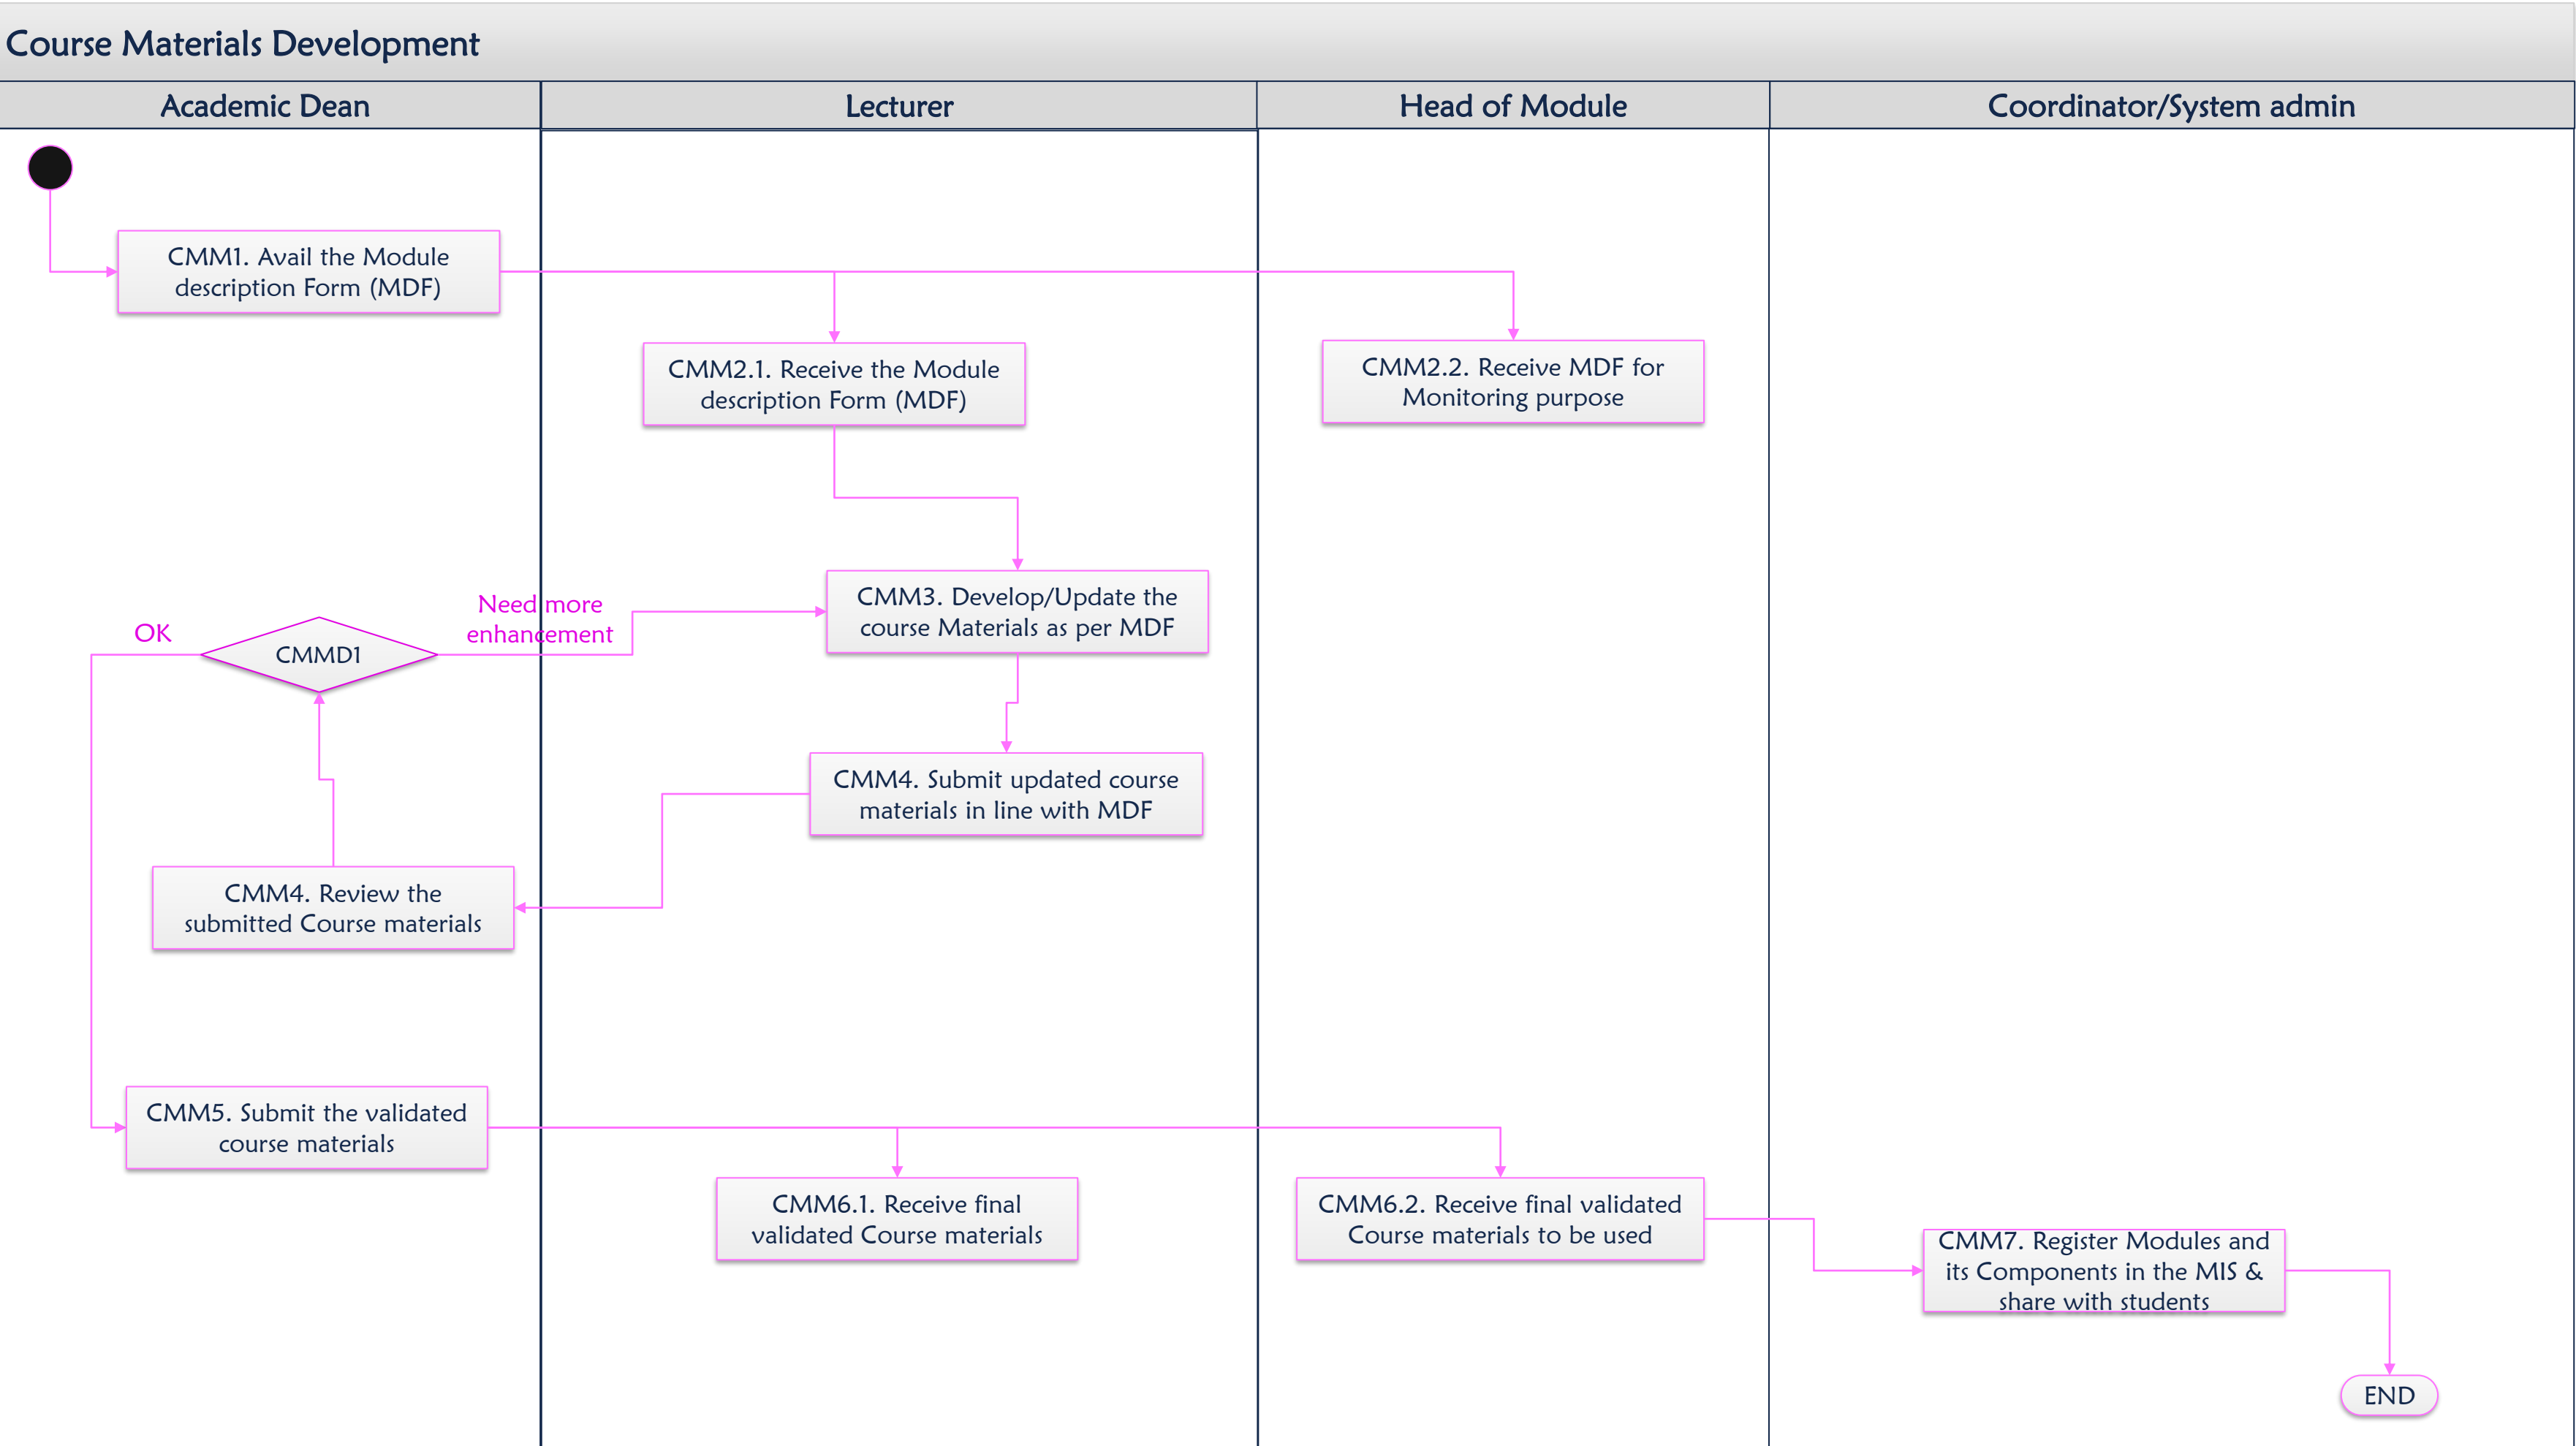

Marking process - Marking Exam (As-Is)

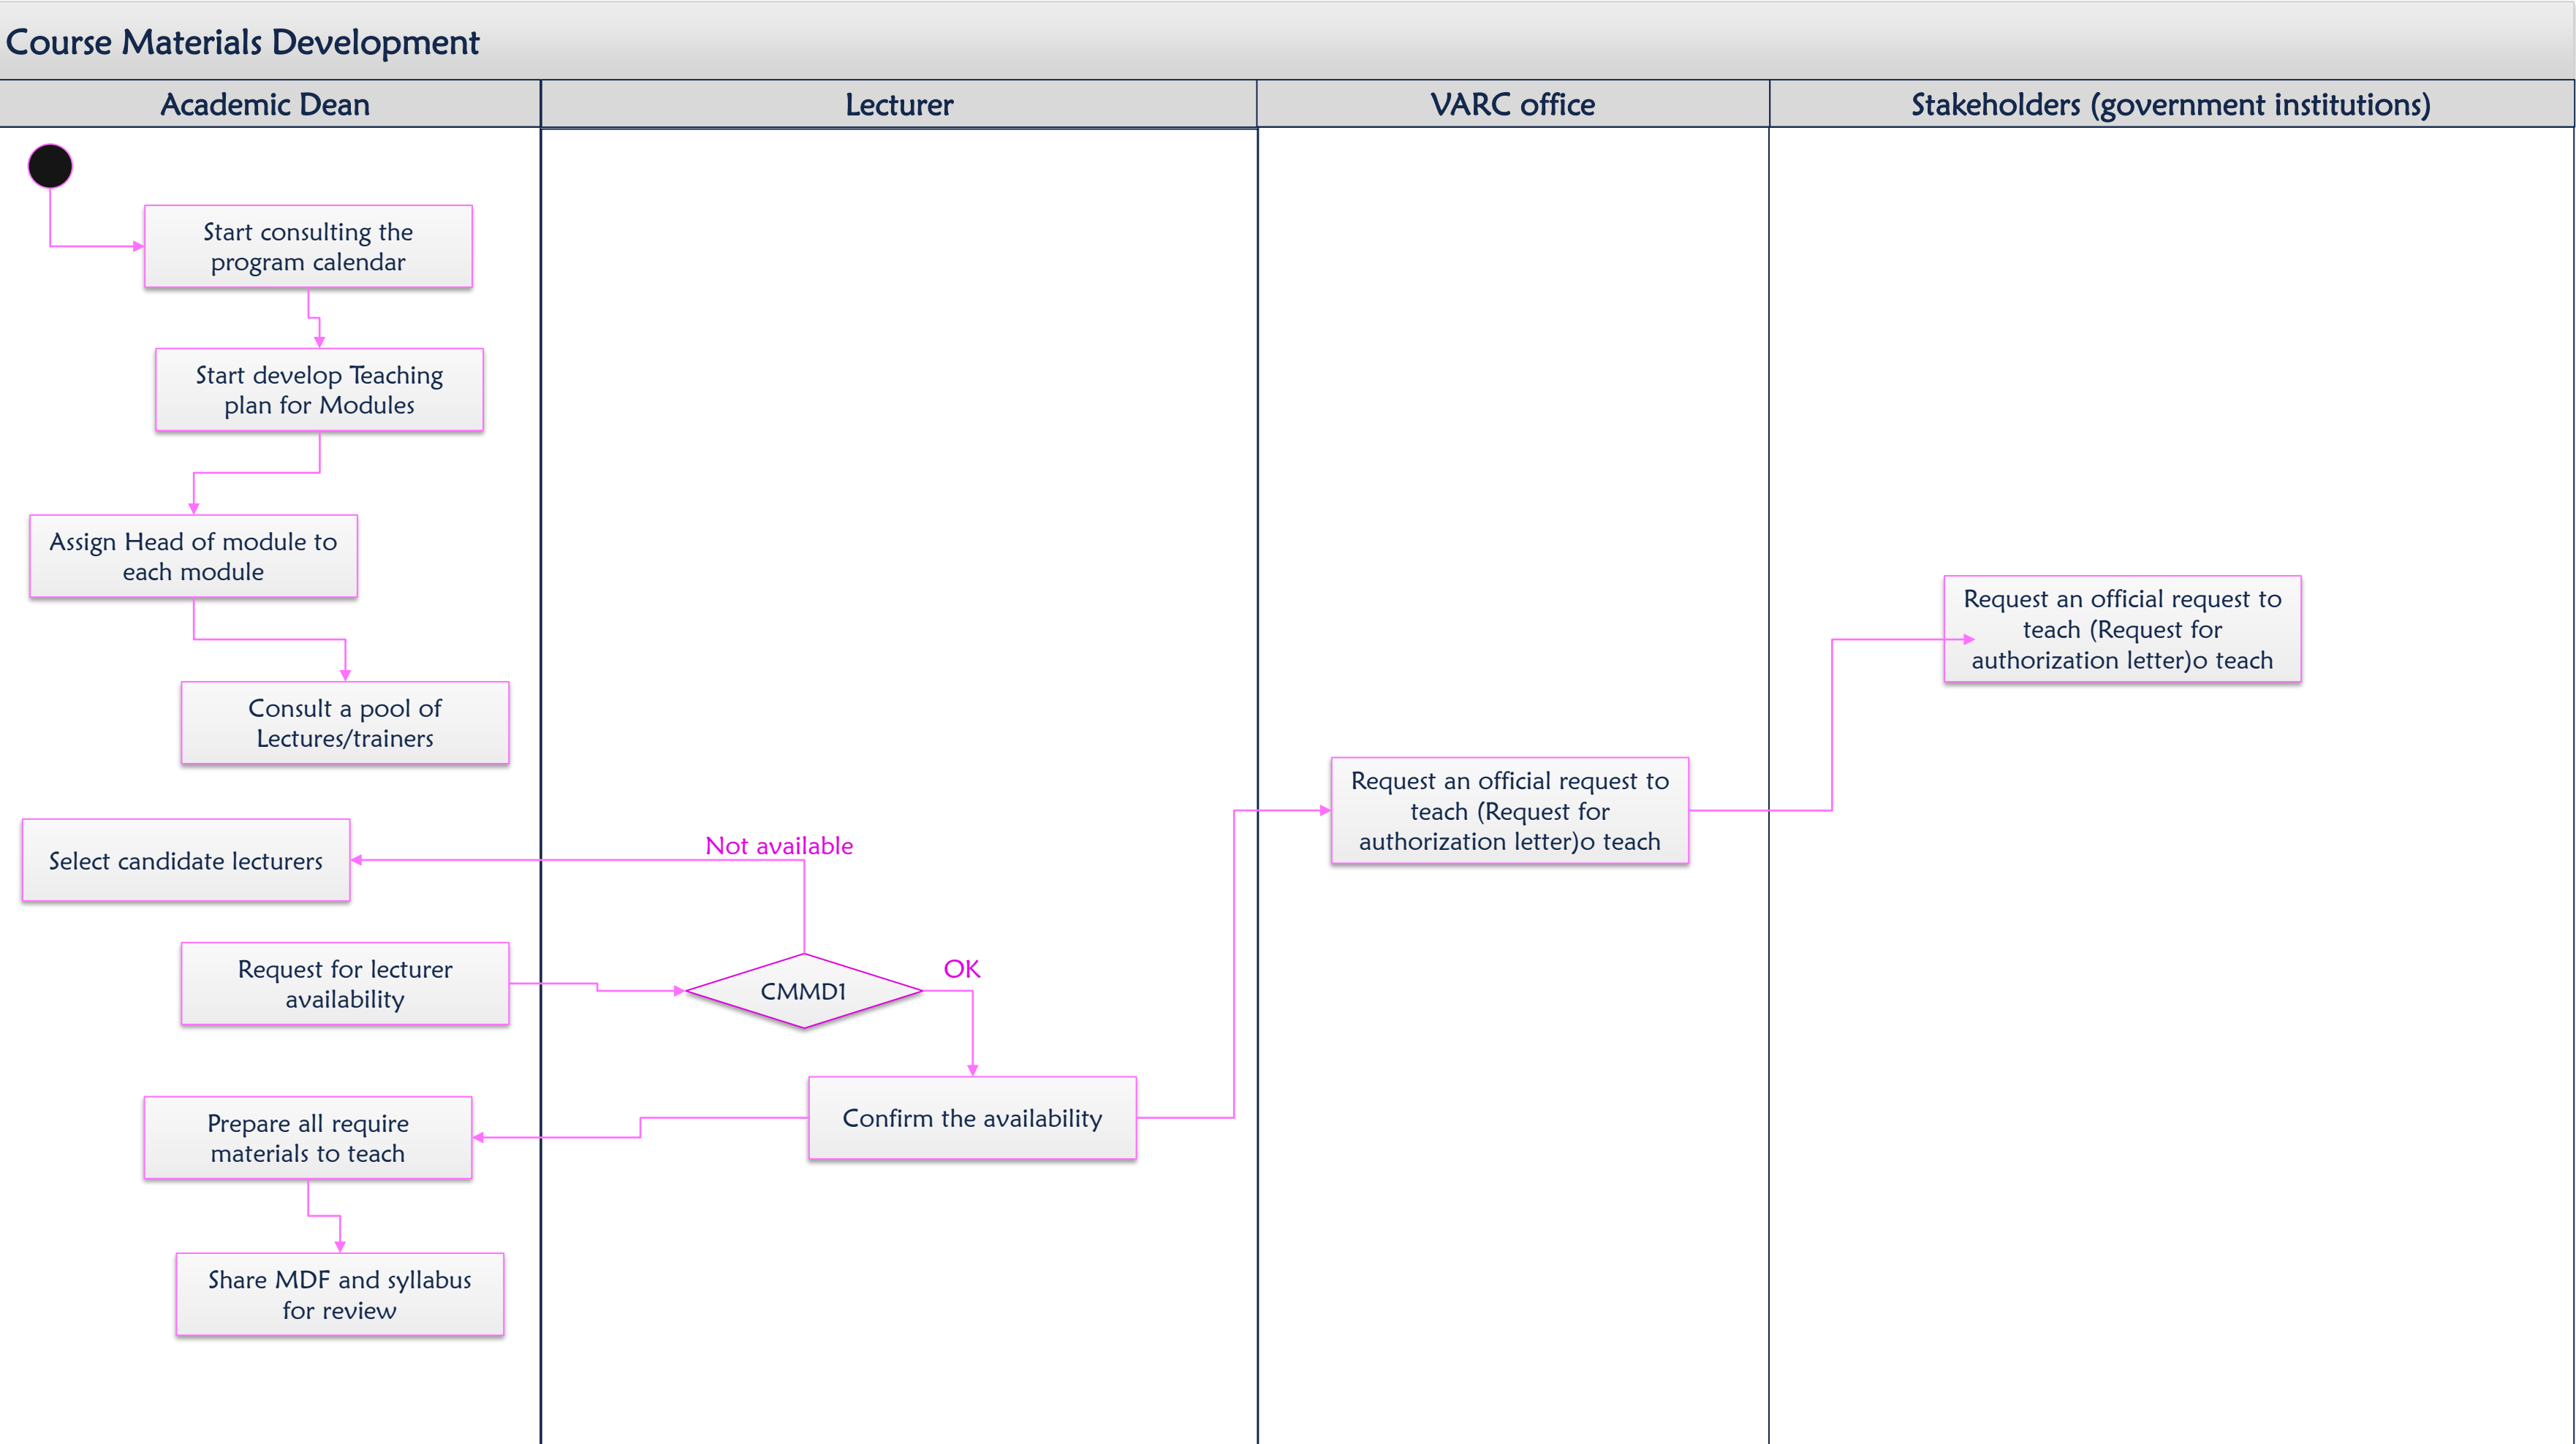

Marking process - Marking Exam (The Proposed)

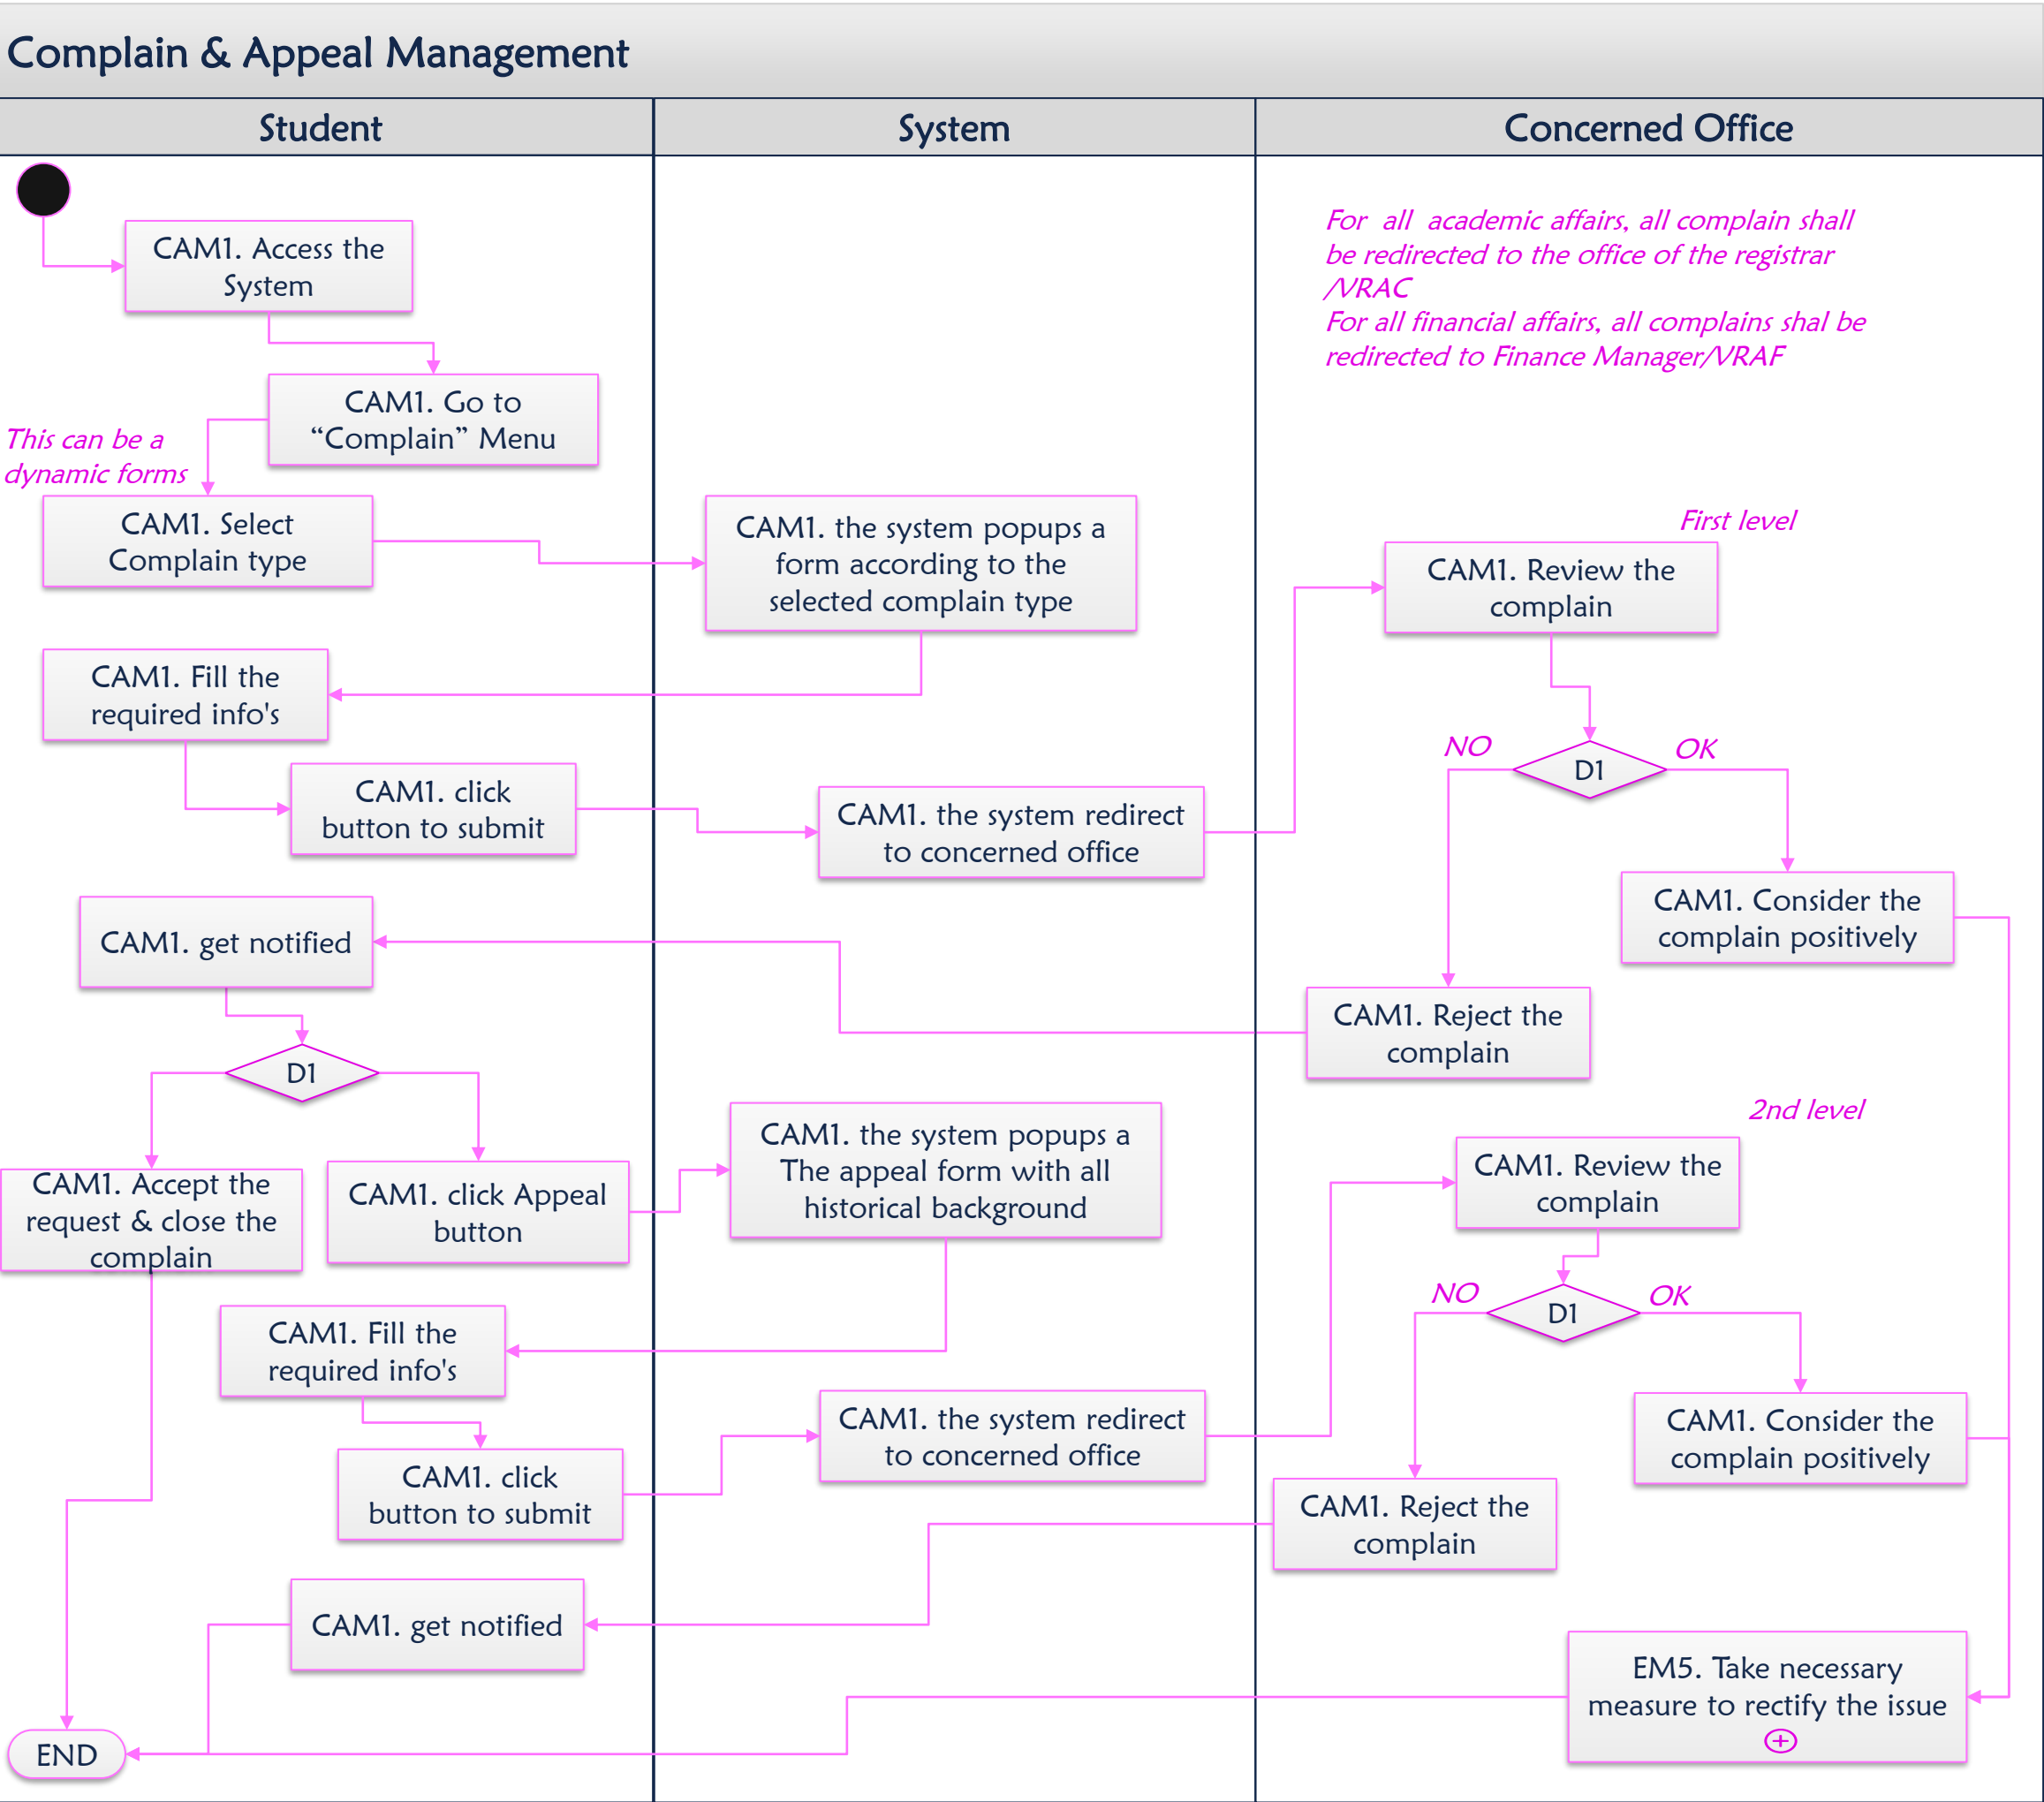

Postgraduate Mgt – Course Materials development

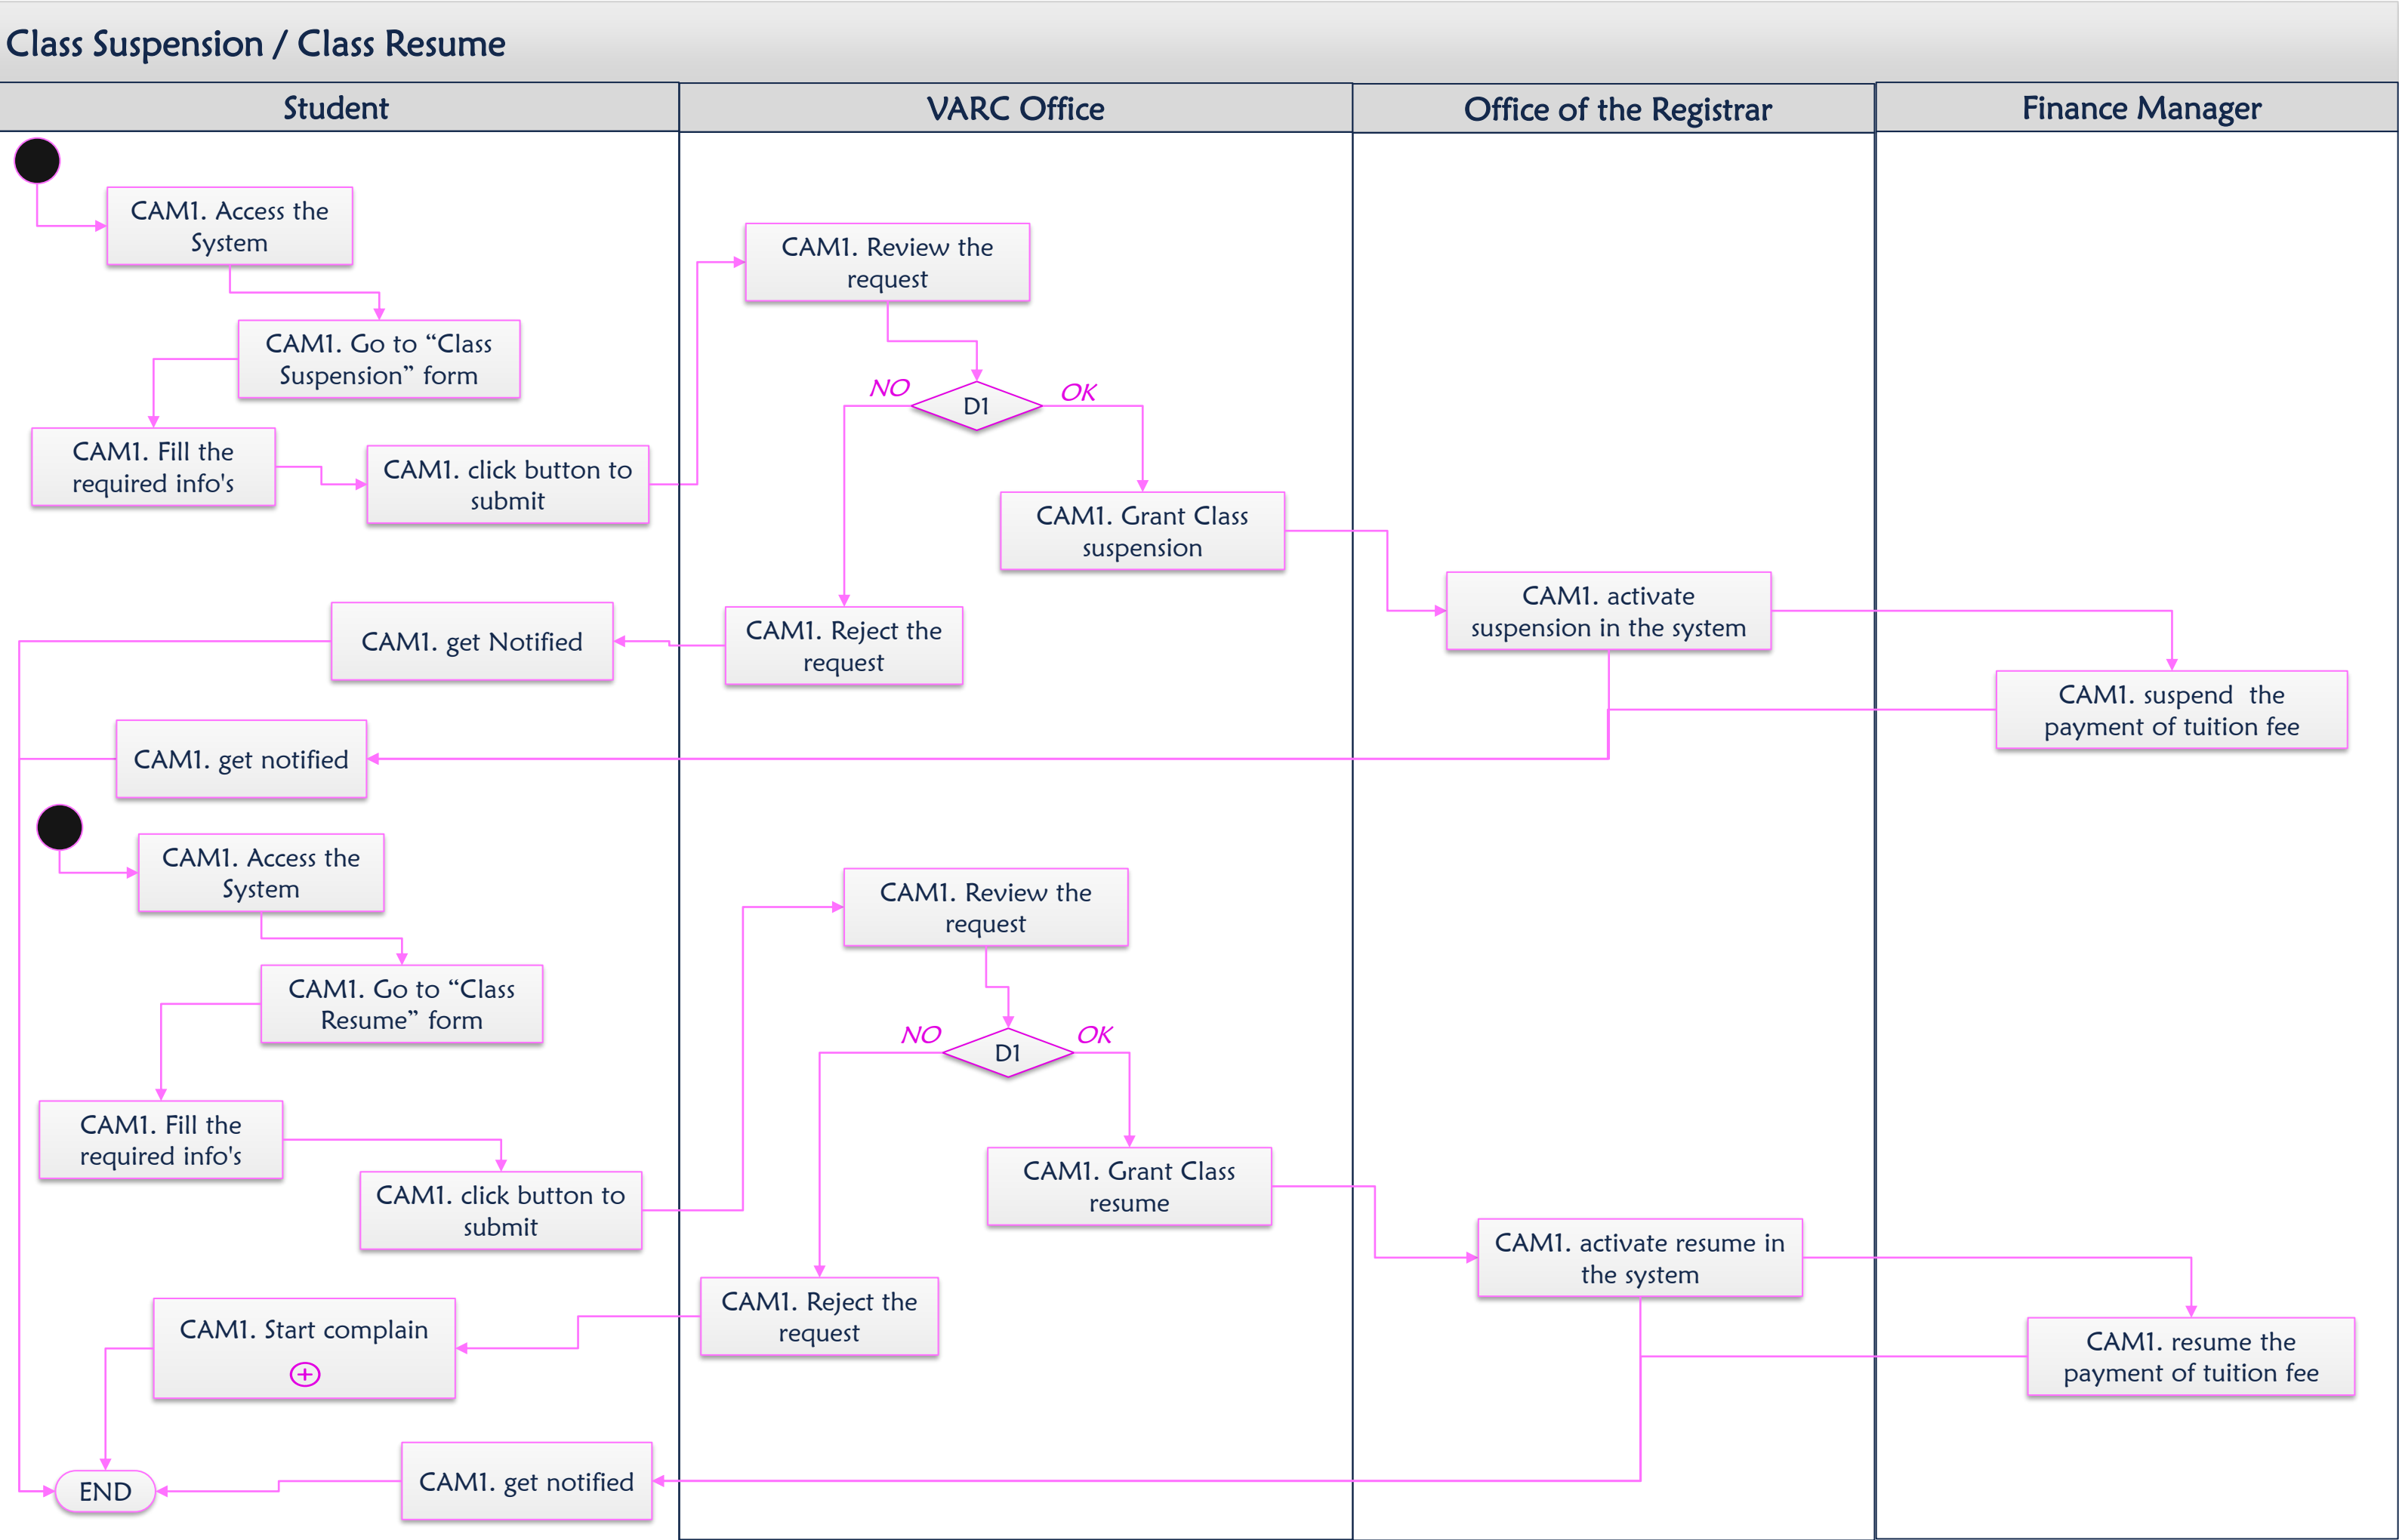

Postgraduate Mgt – Timetable/Teaching Plan

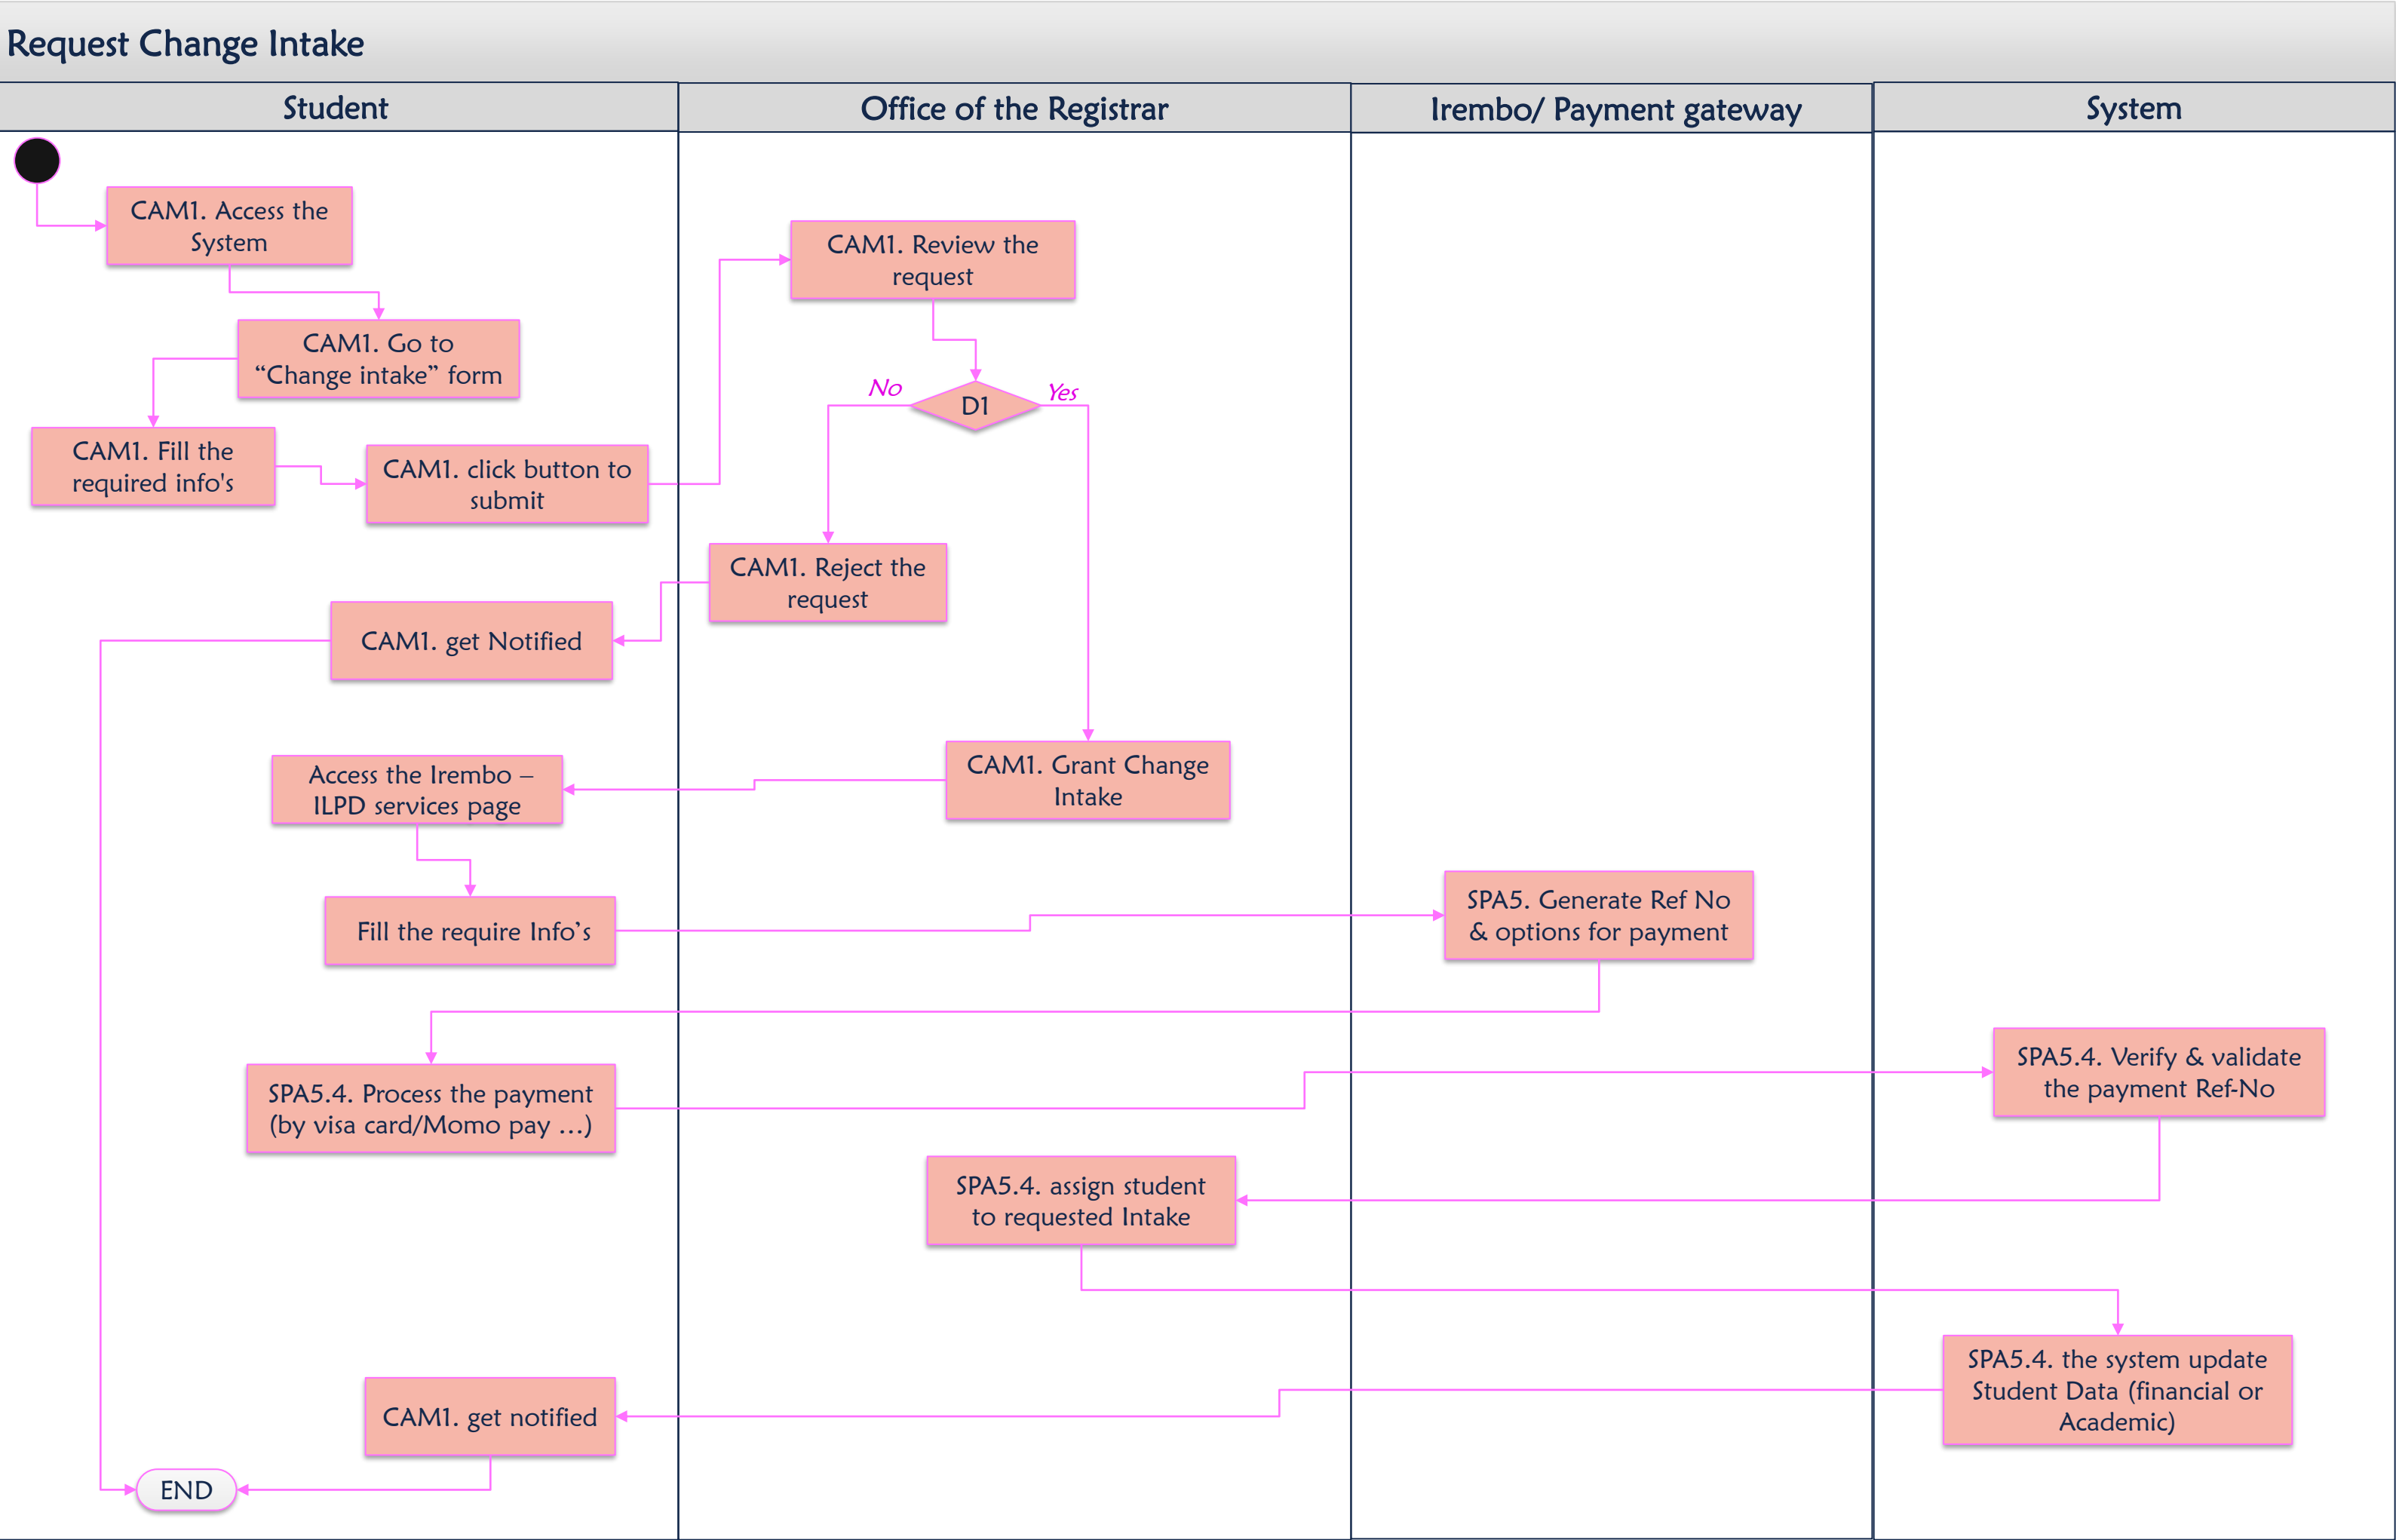

Complain & Appeal Management (The proposed)

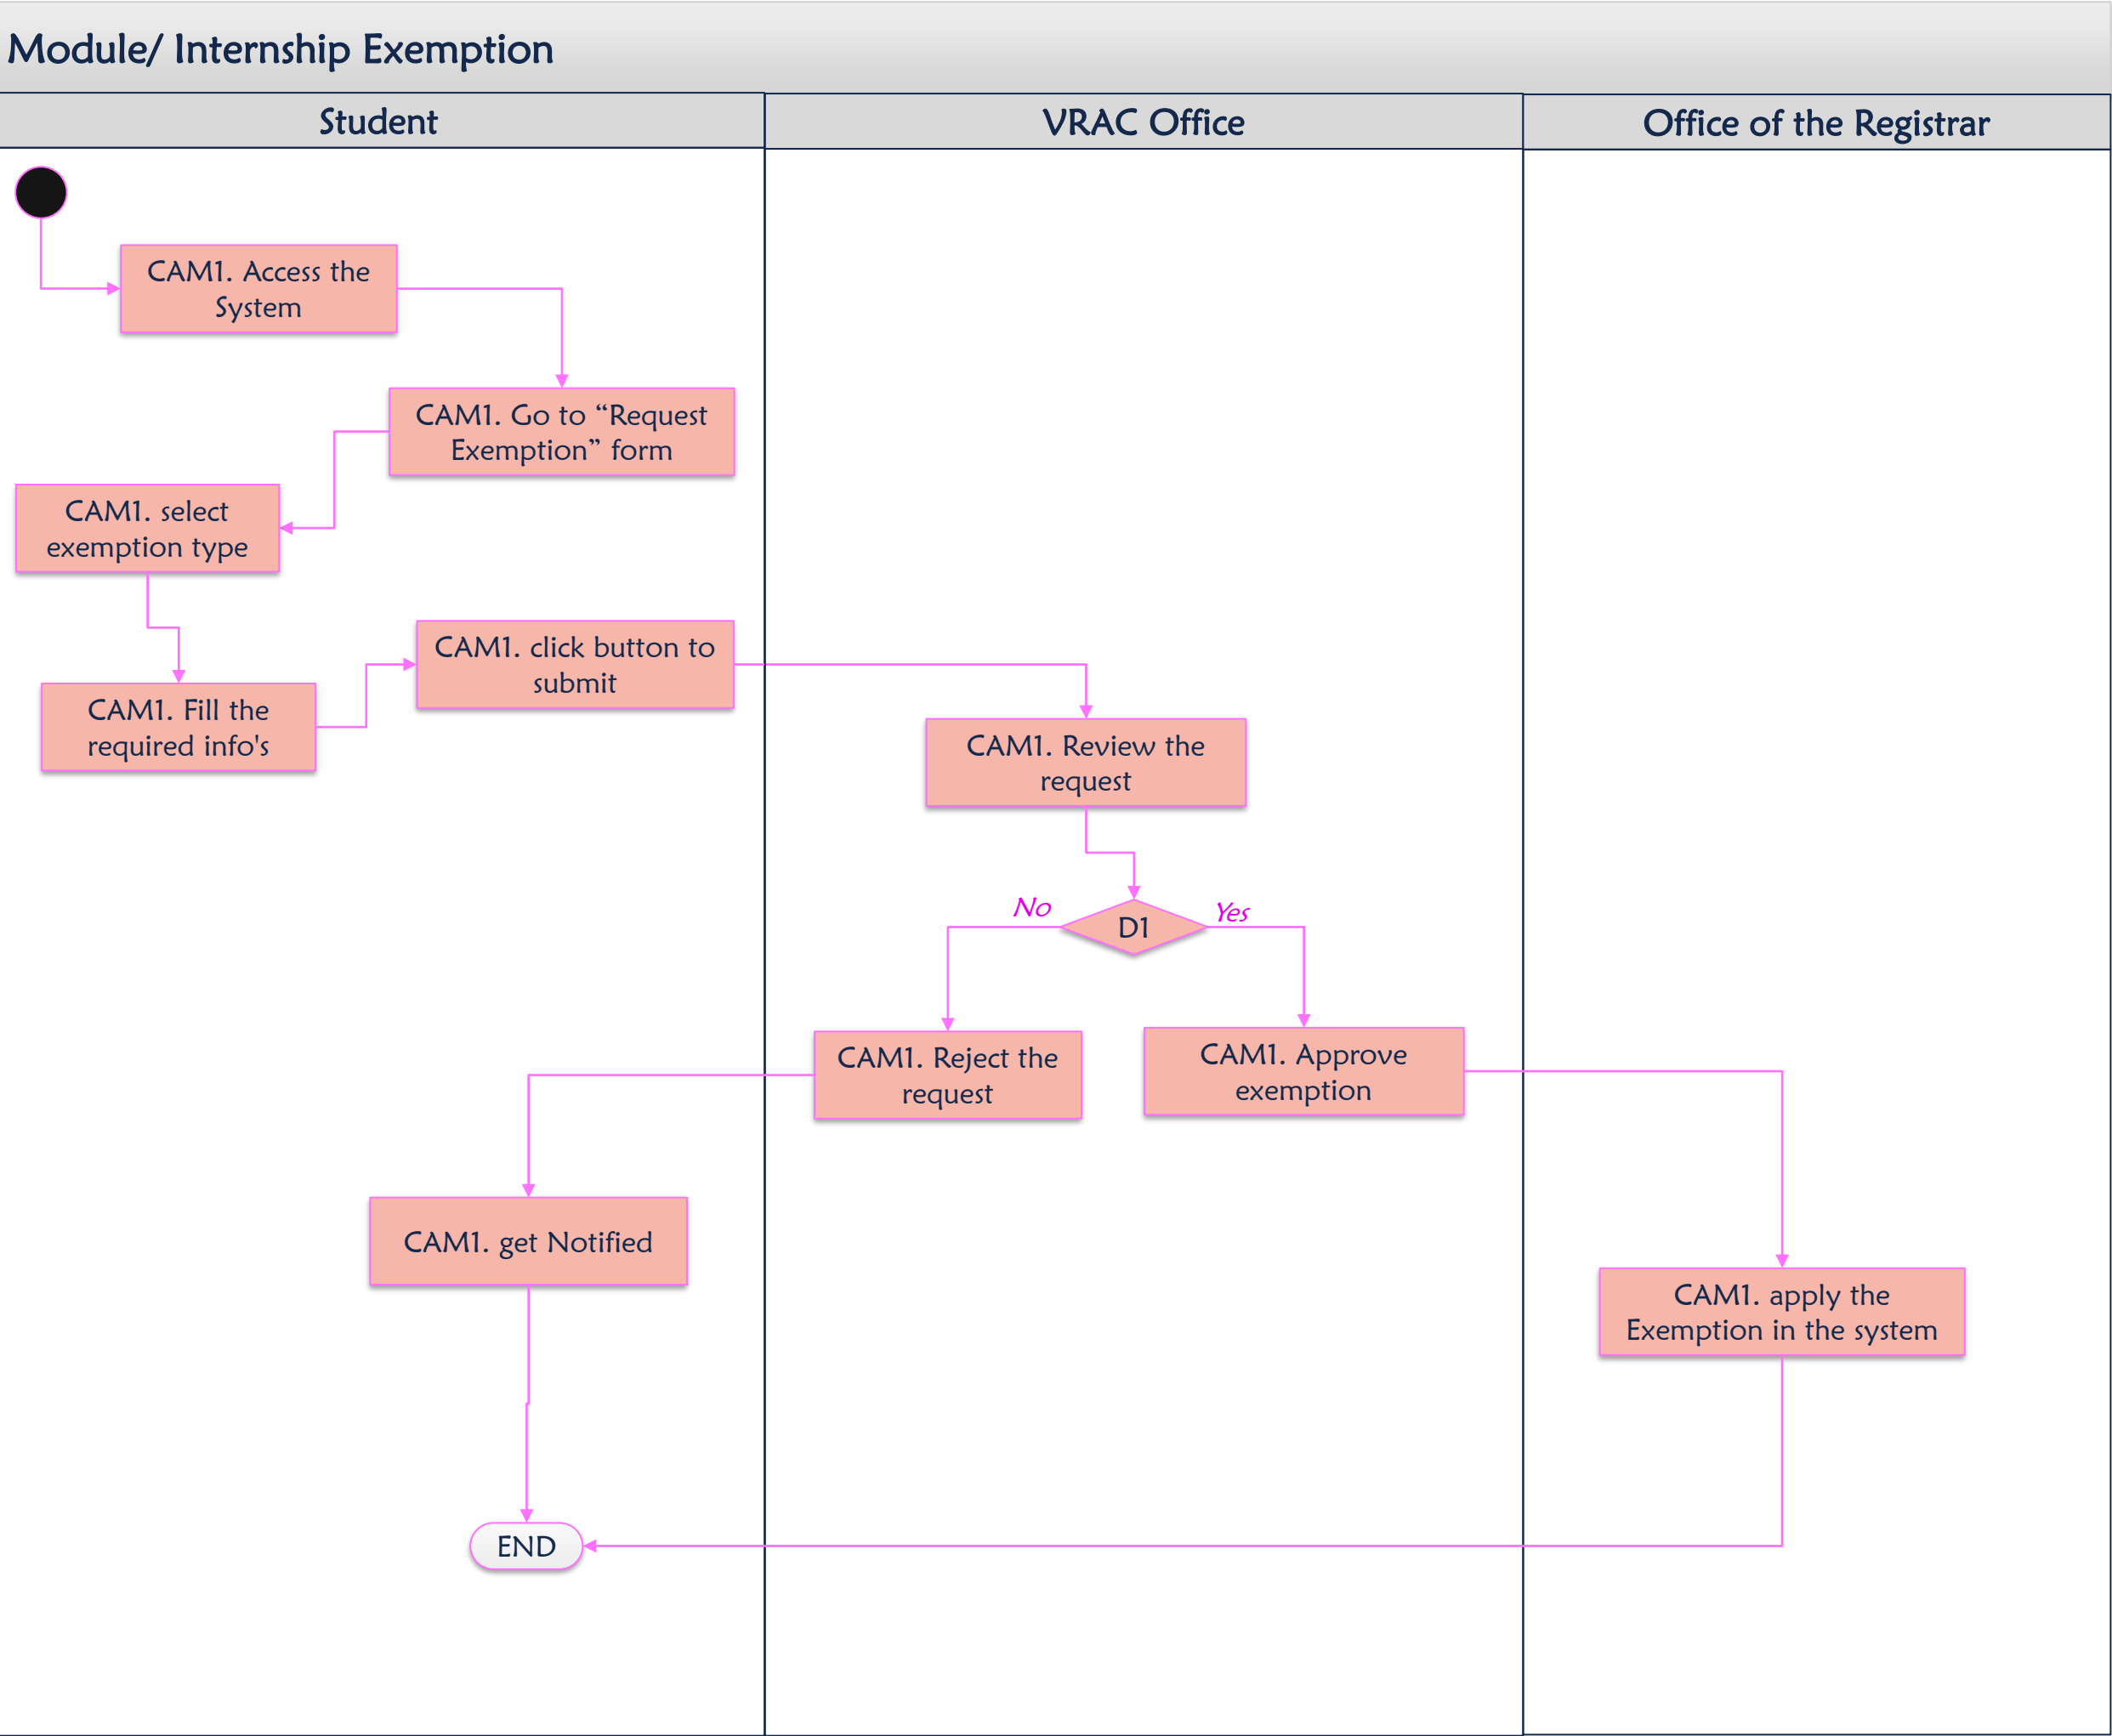

Class Suspension / Class Resume (The proposed)

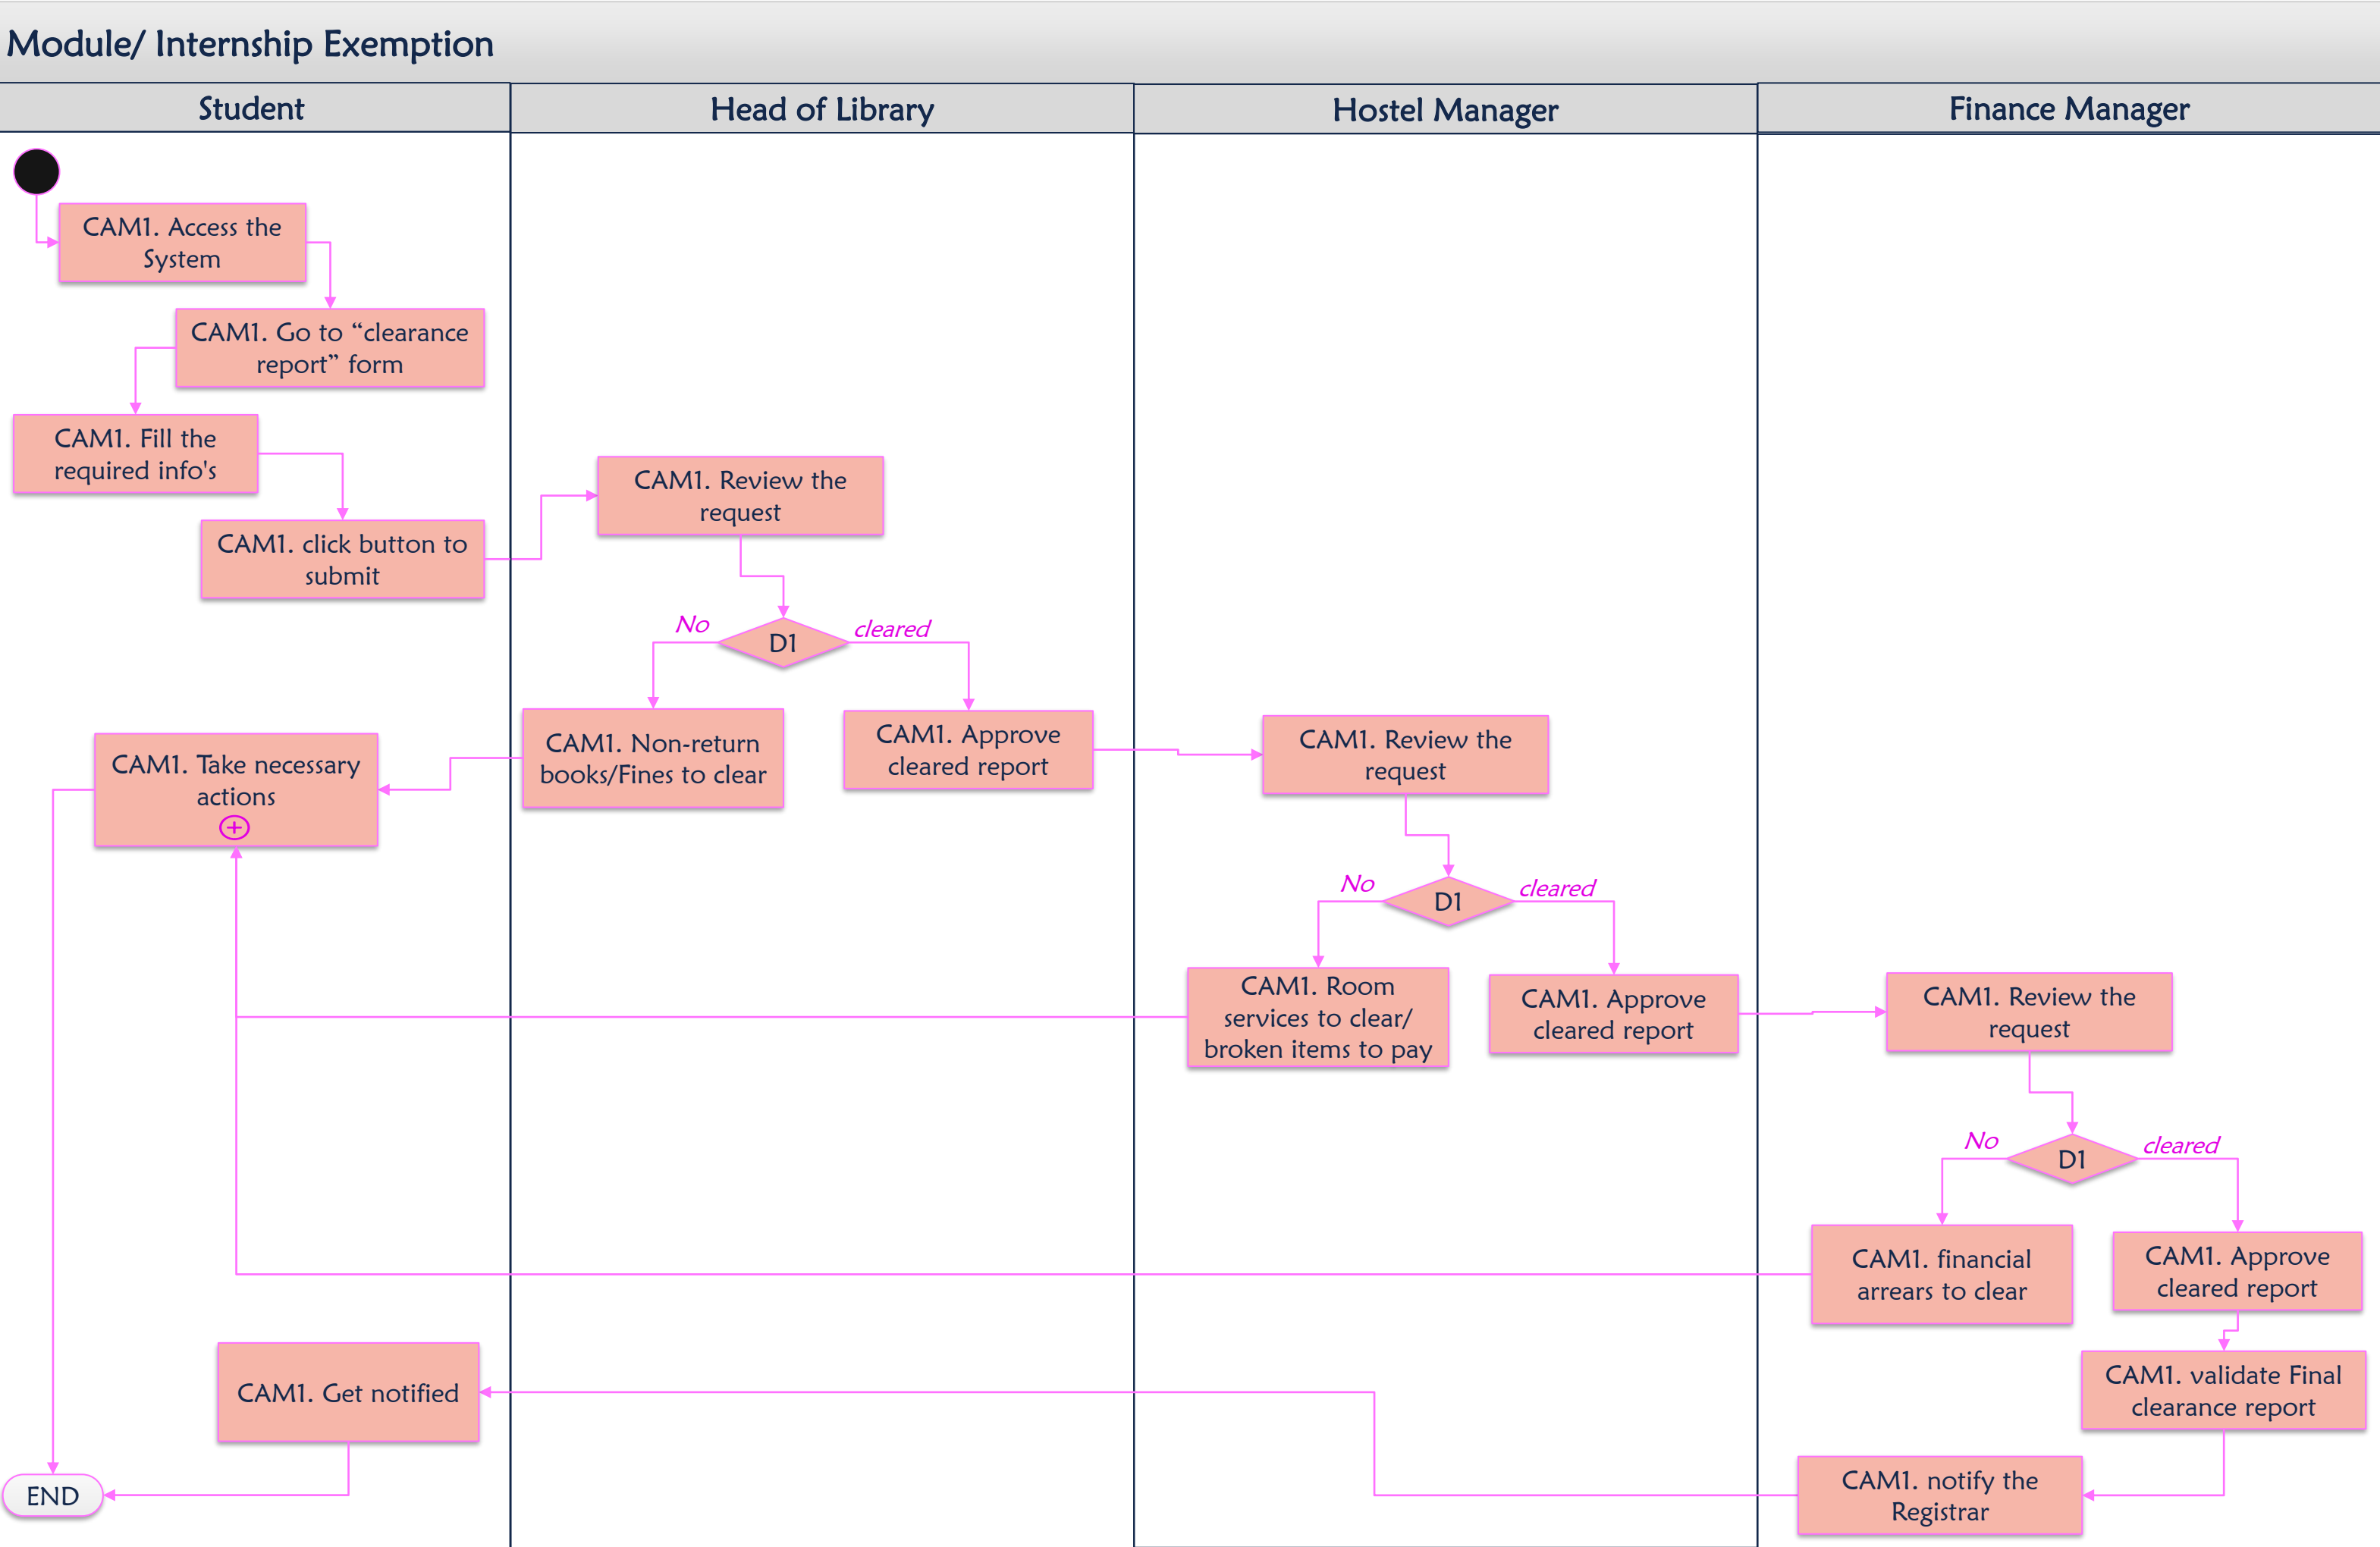

Request Change Intake (The proposed)

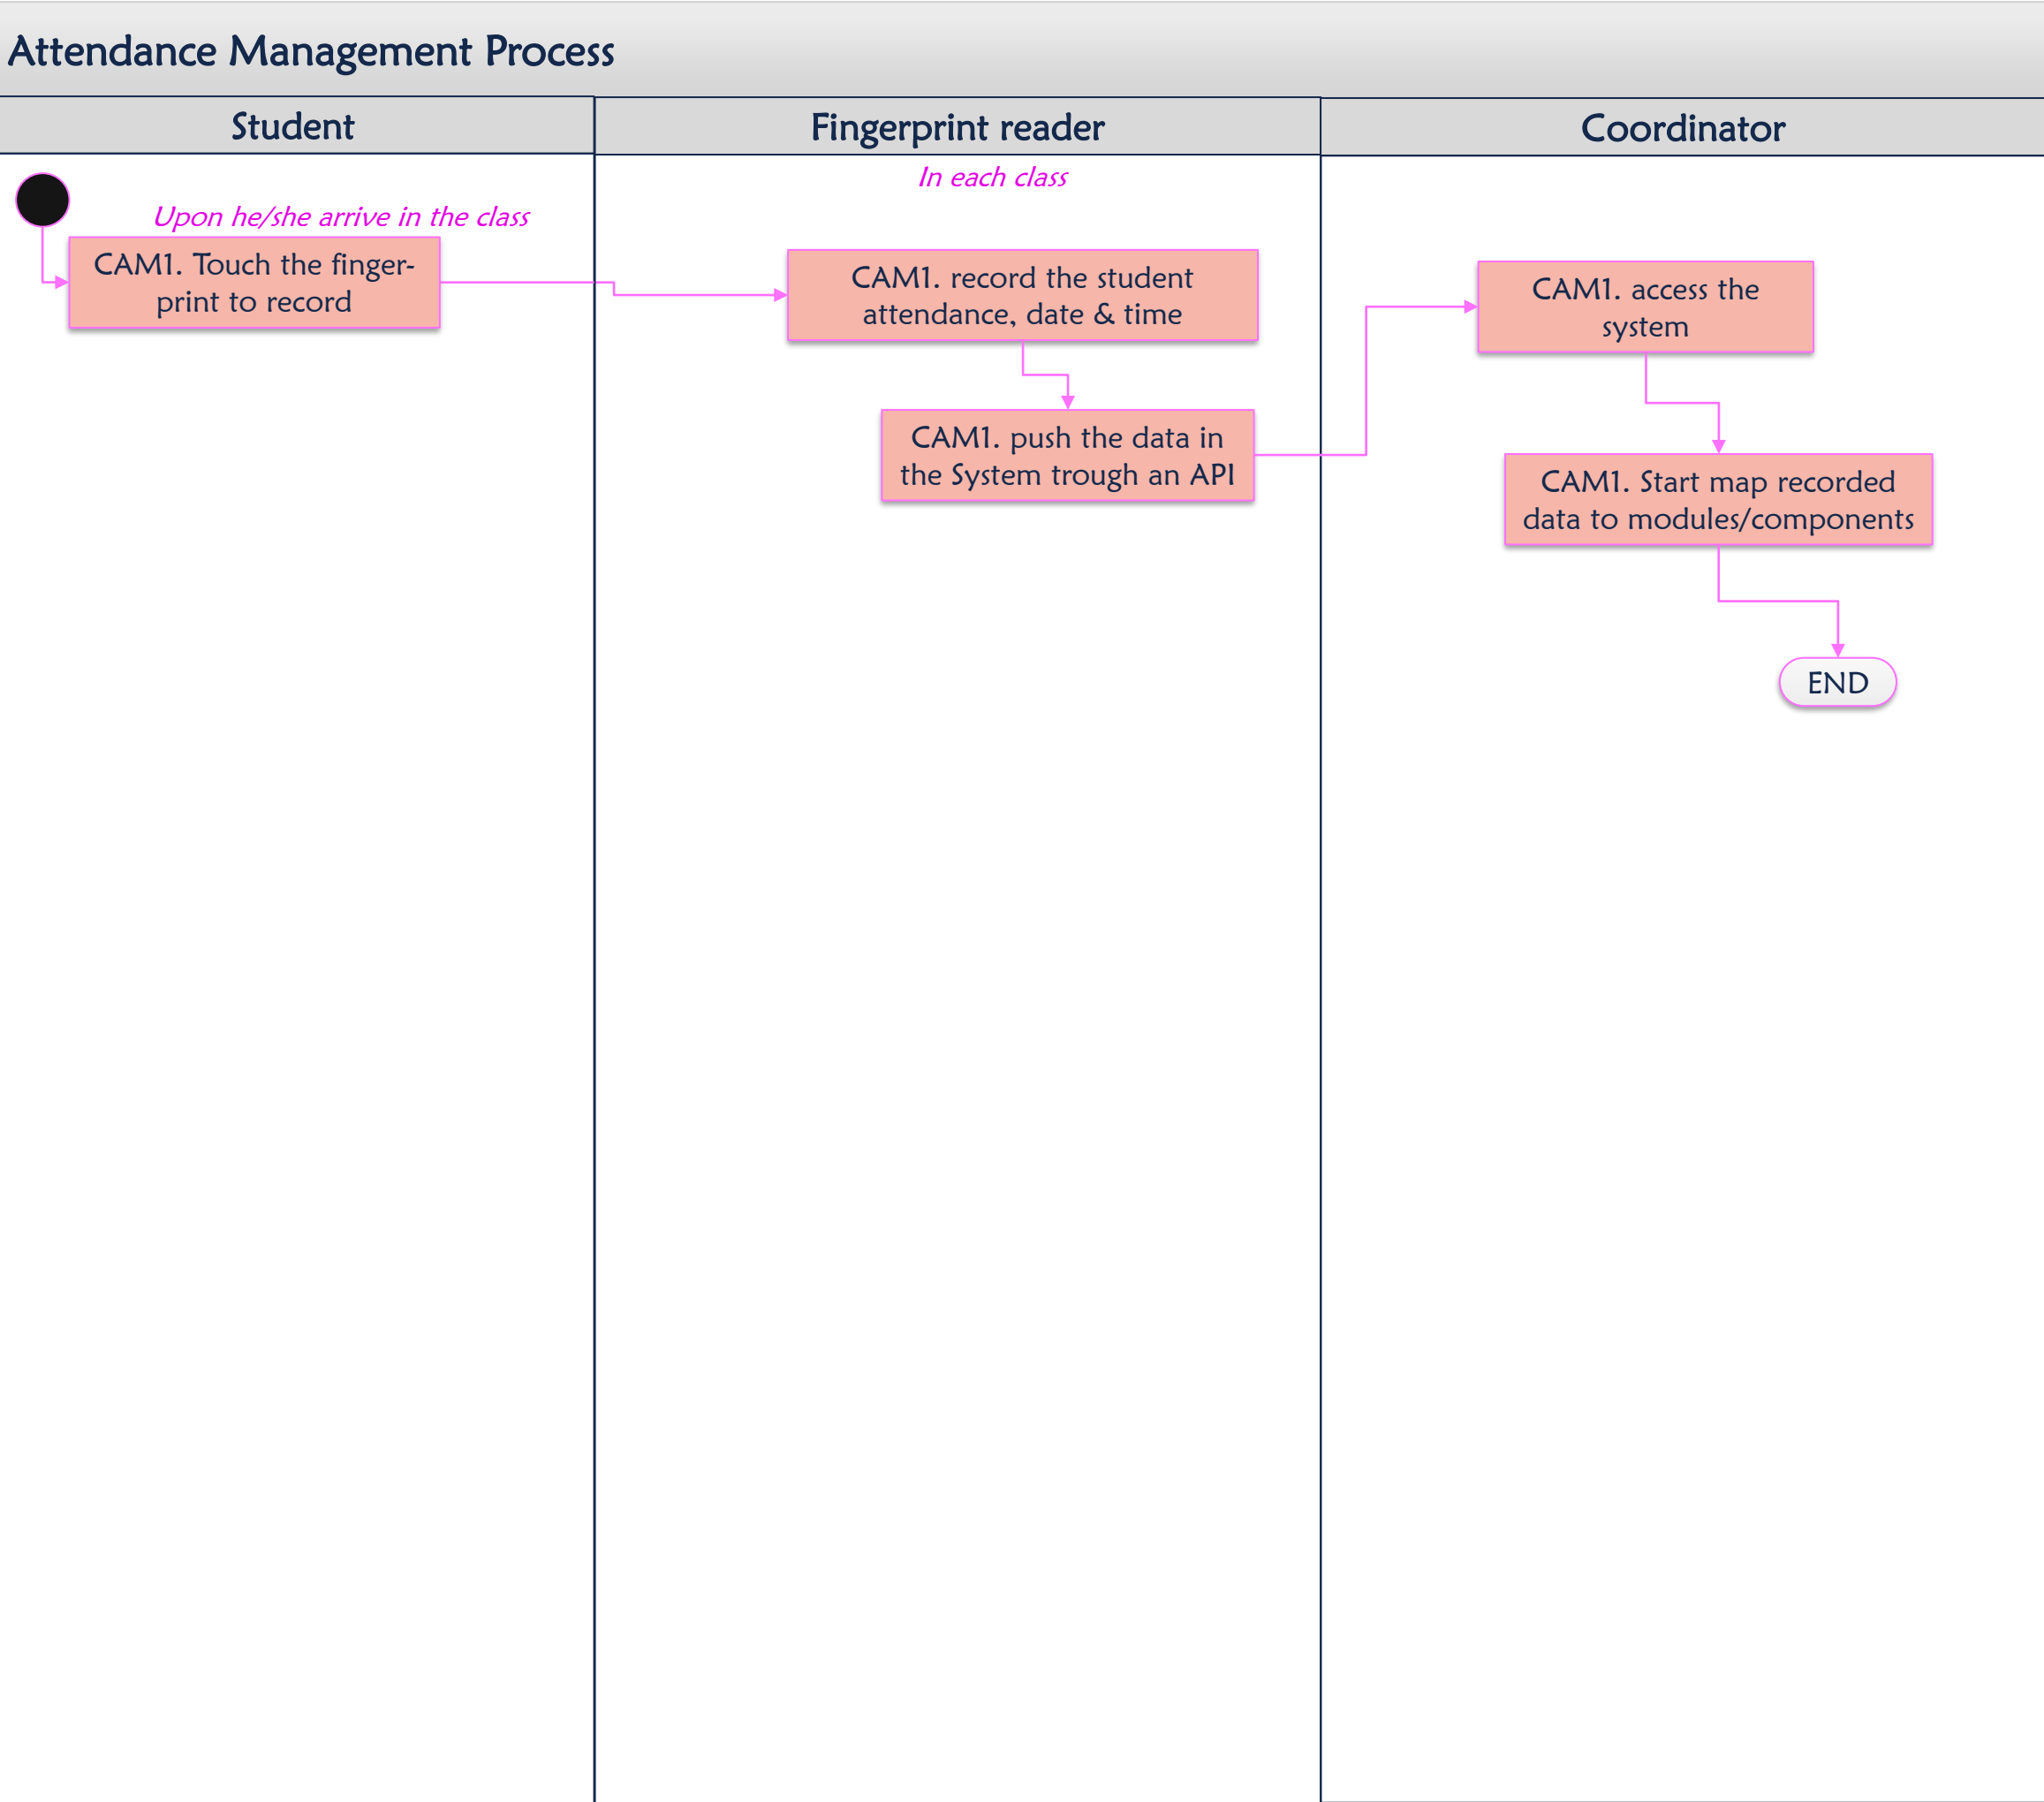

Module/Internship Exemption (The proposed)

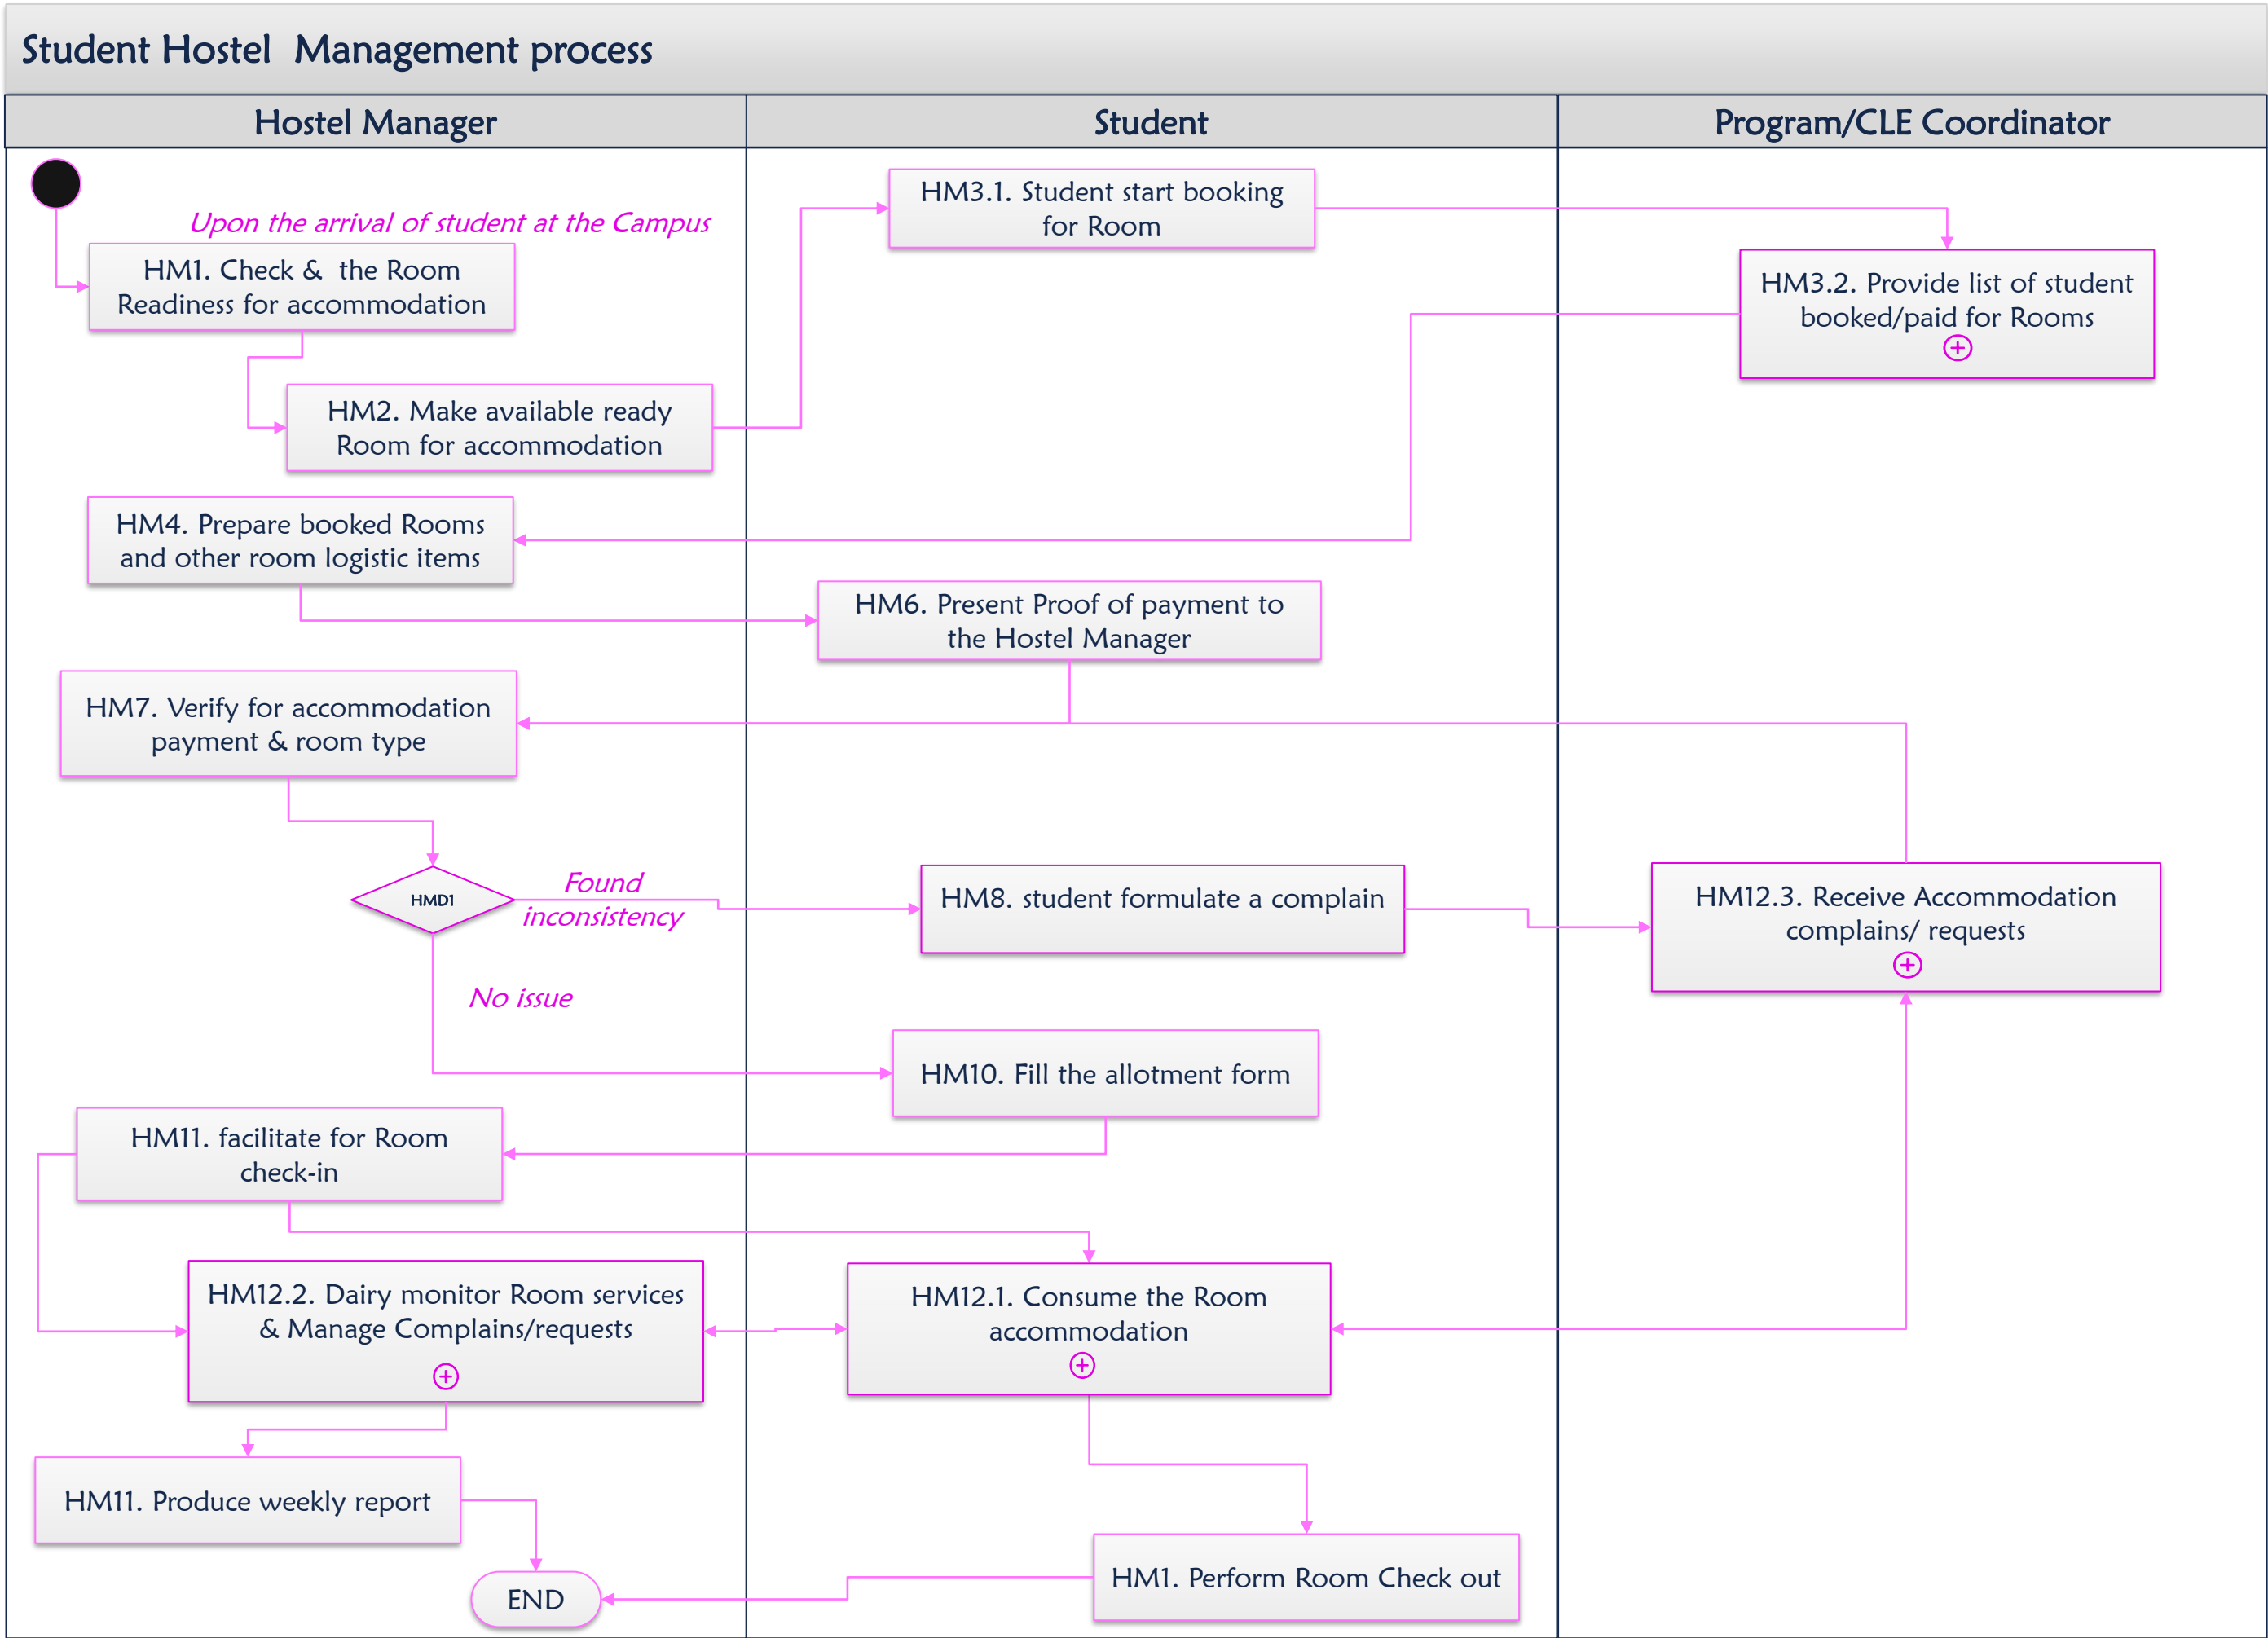

Student Clearance process (The proposed)

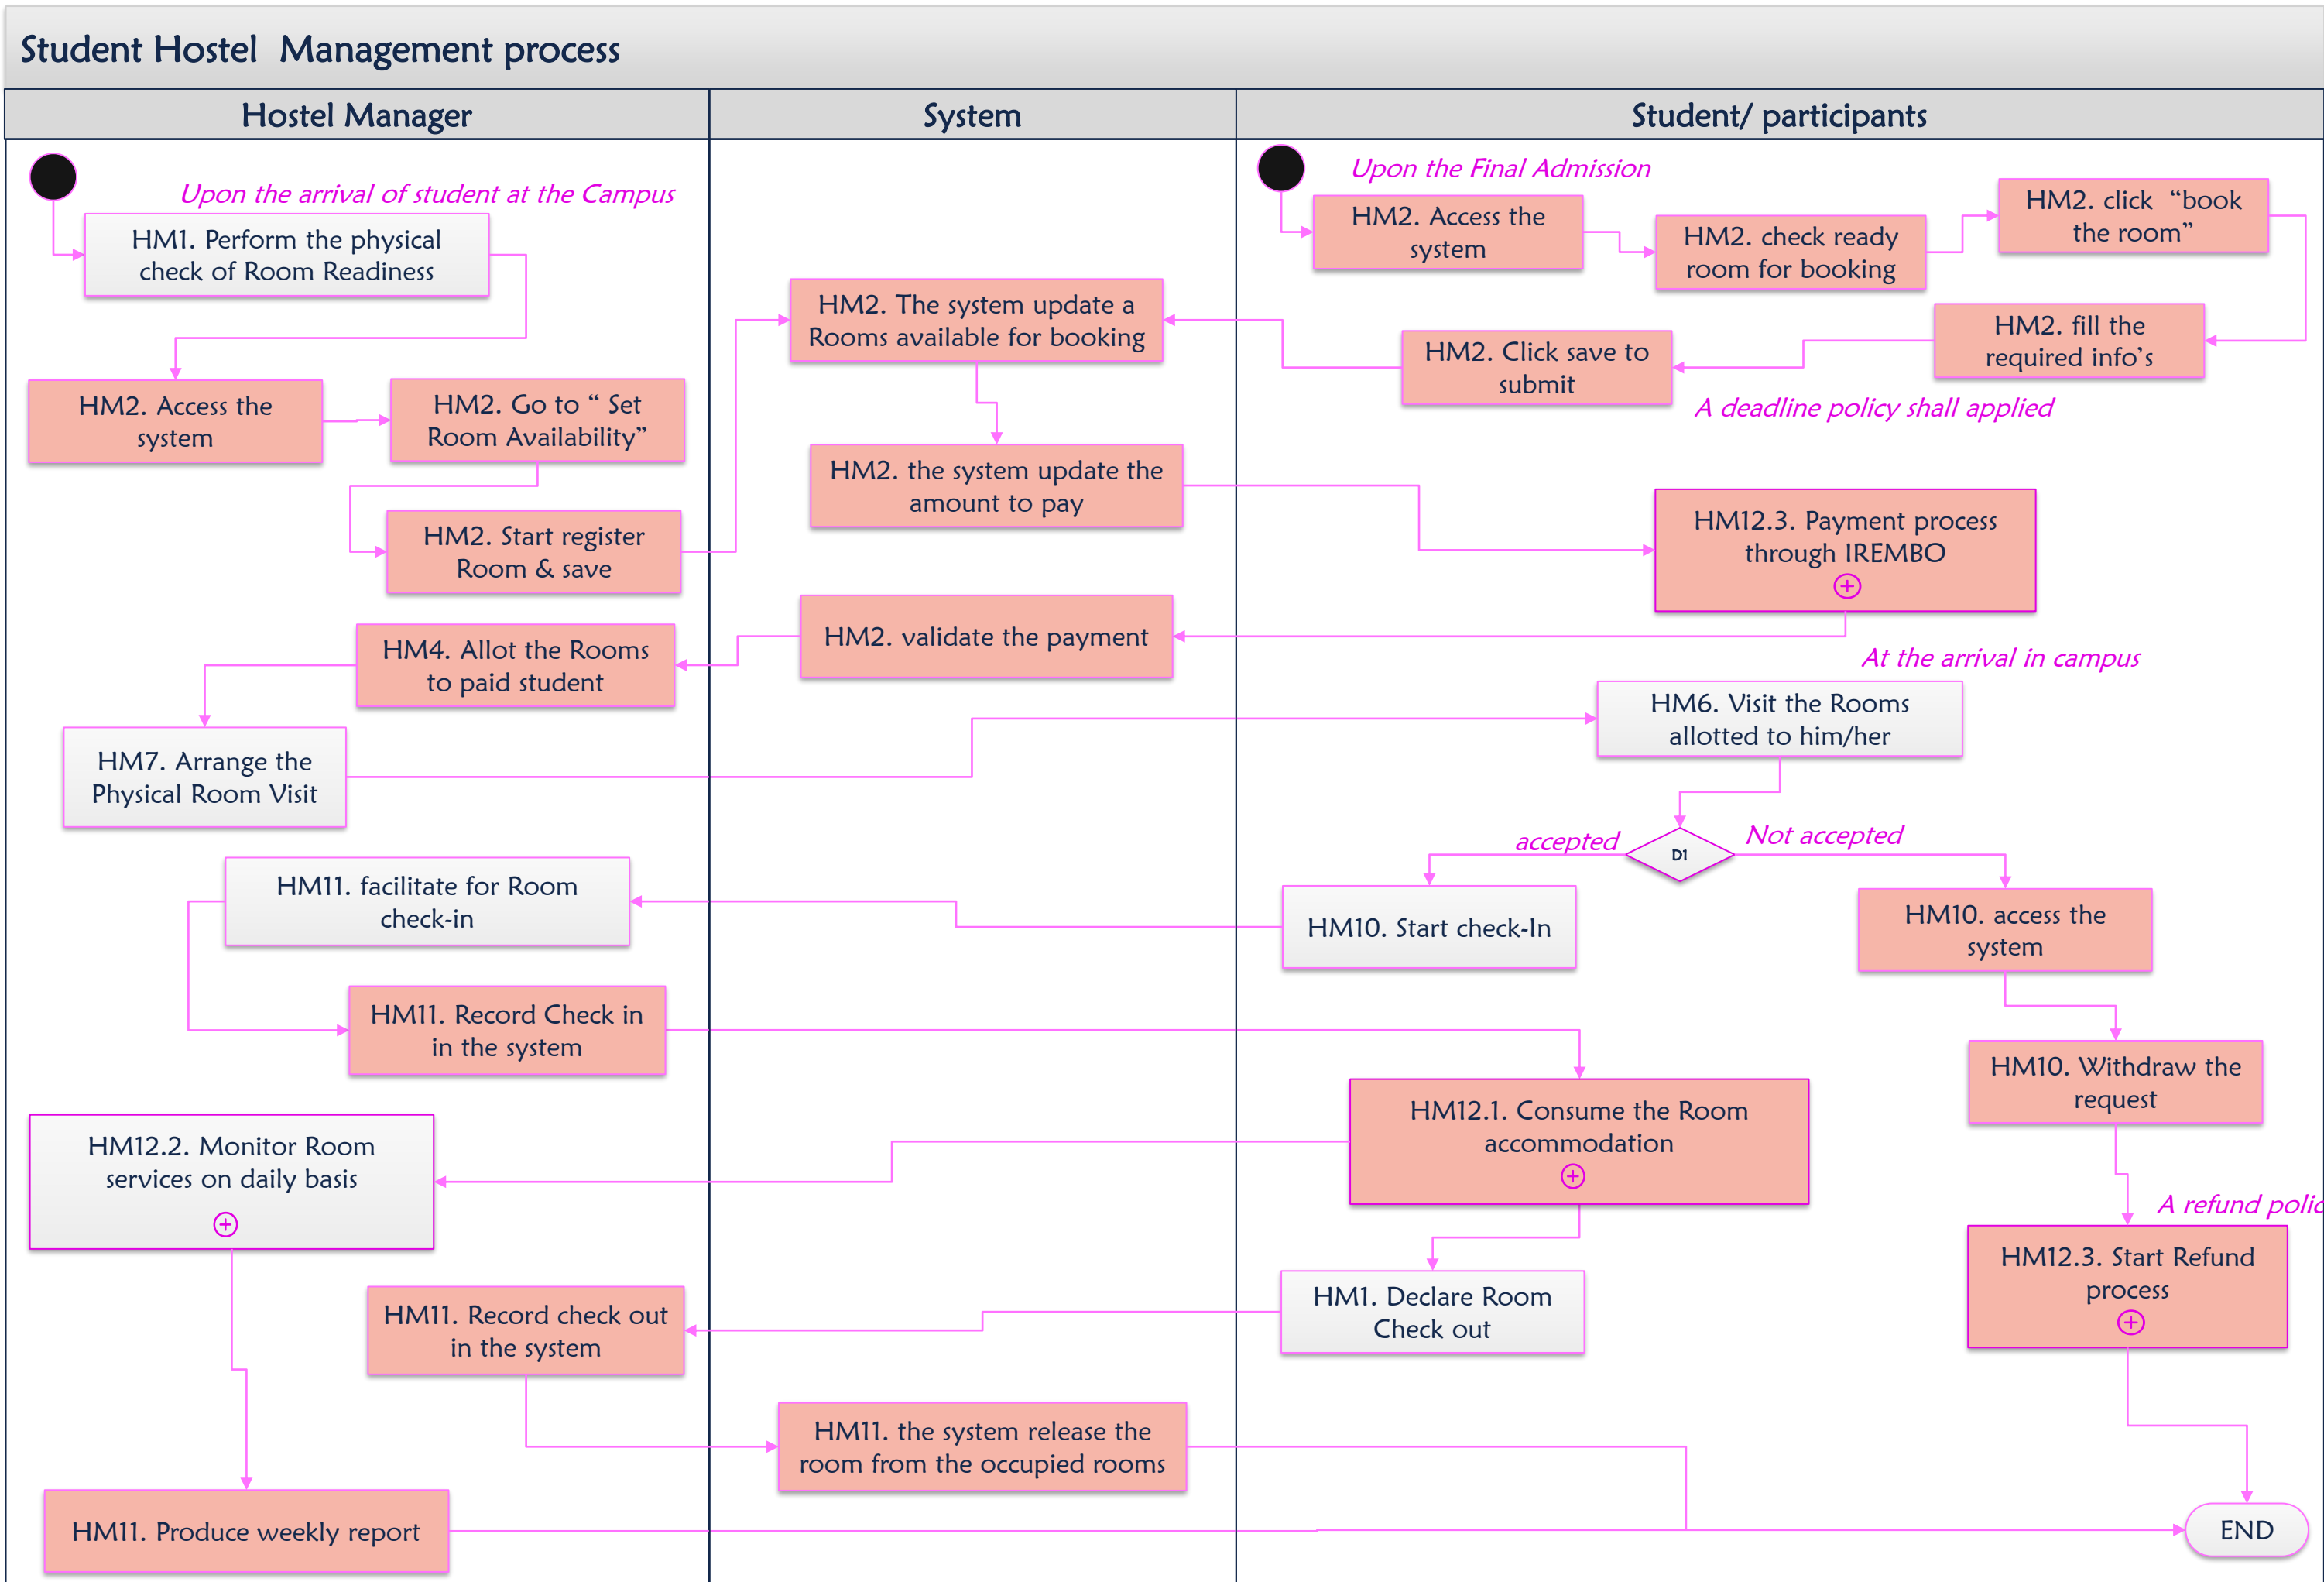

Attendance Management process (The proposed)

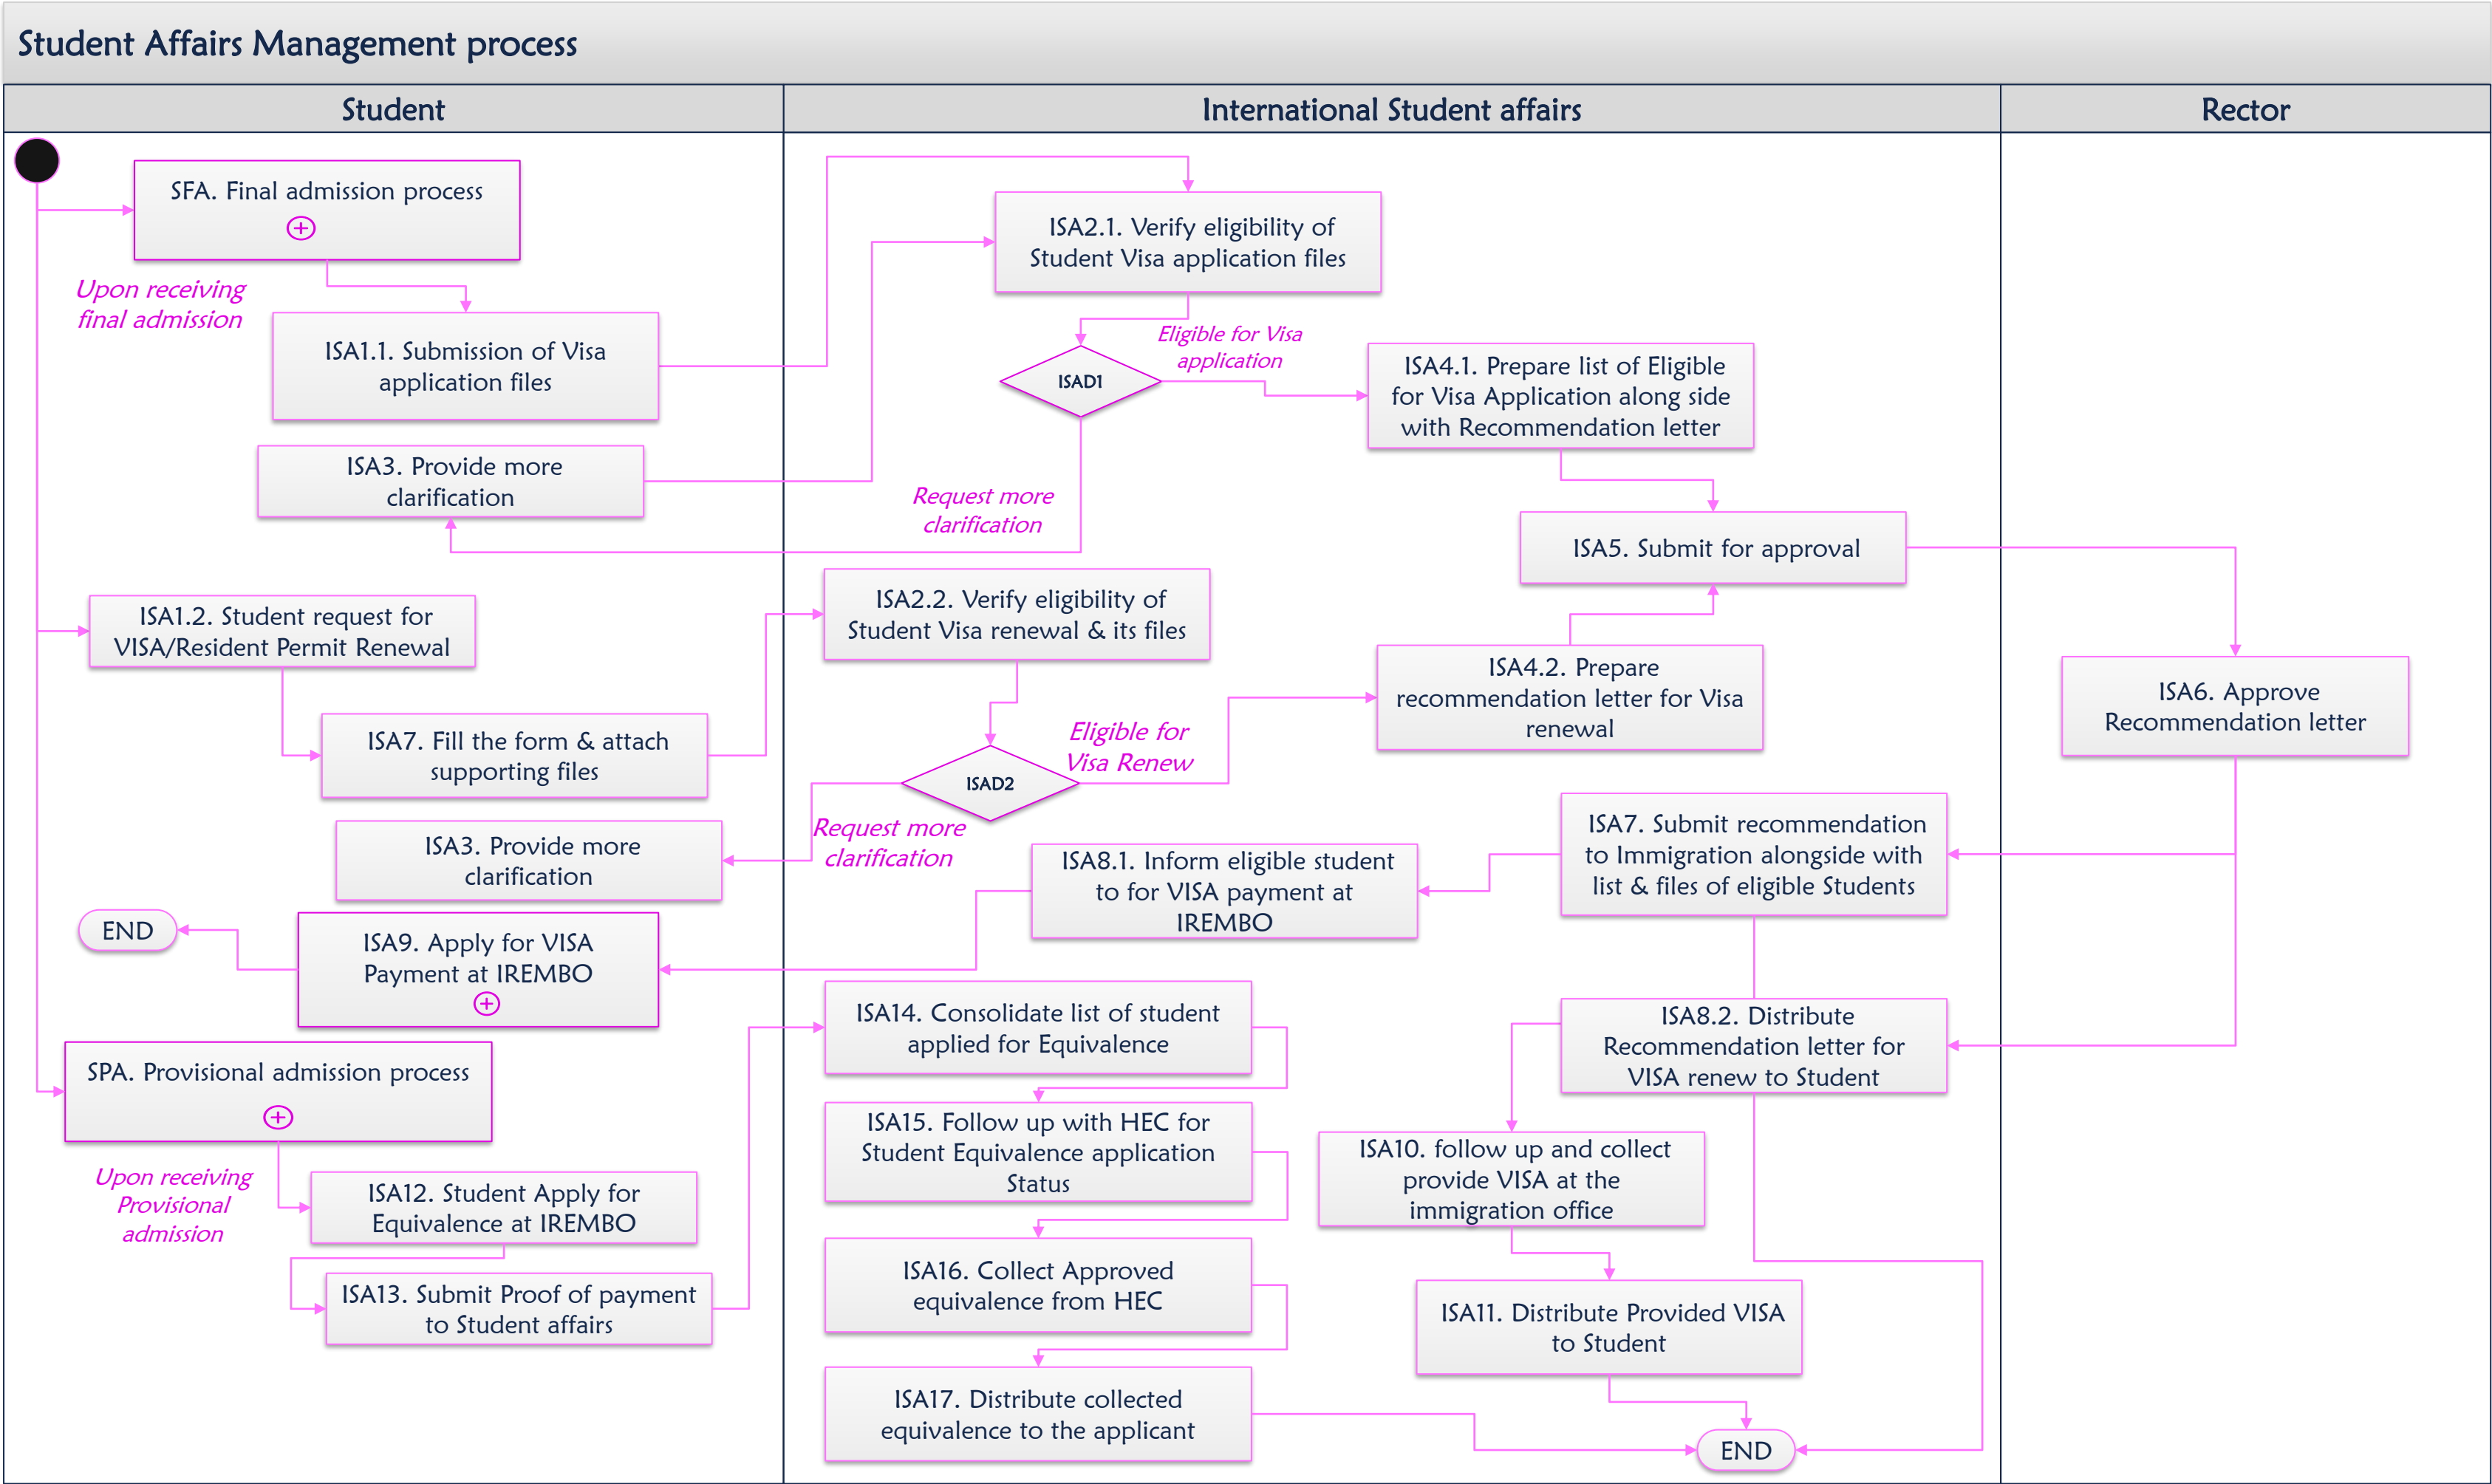

Student Hostel Management process (As-Is)

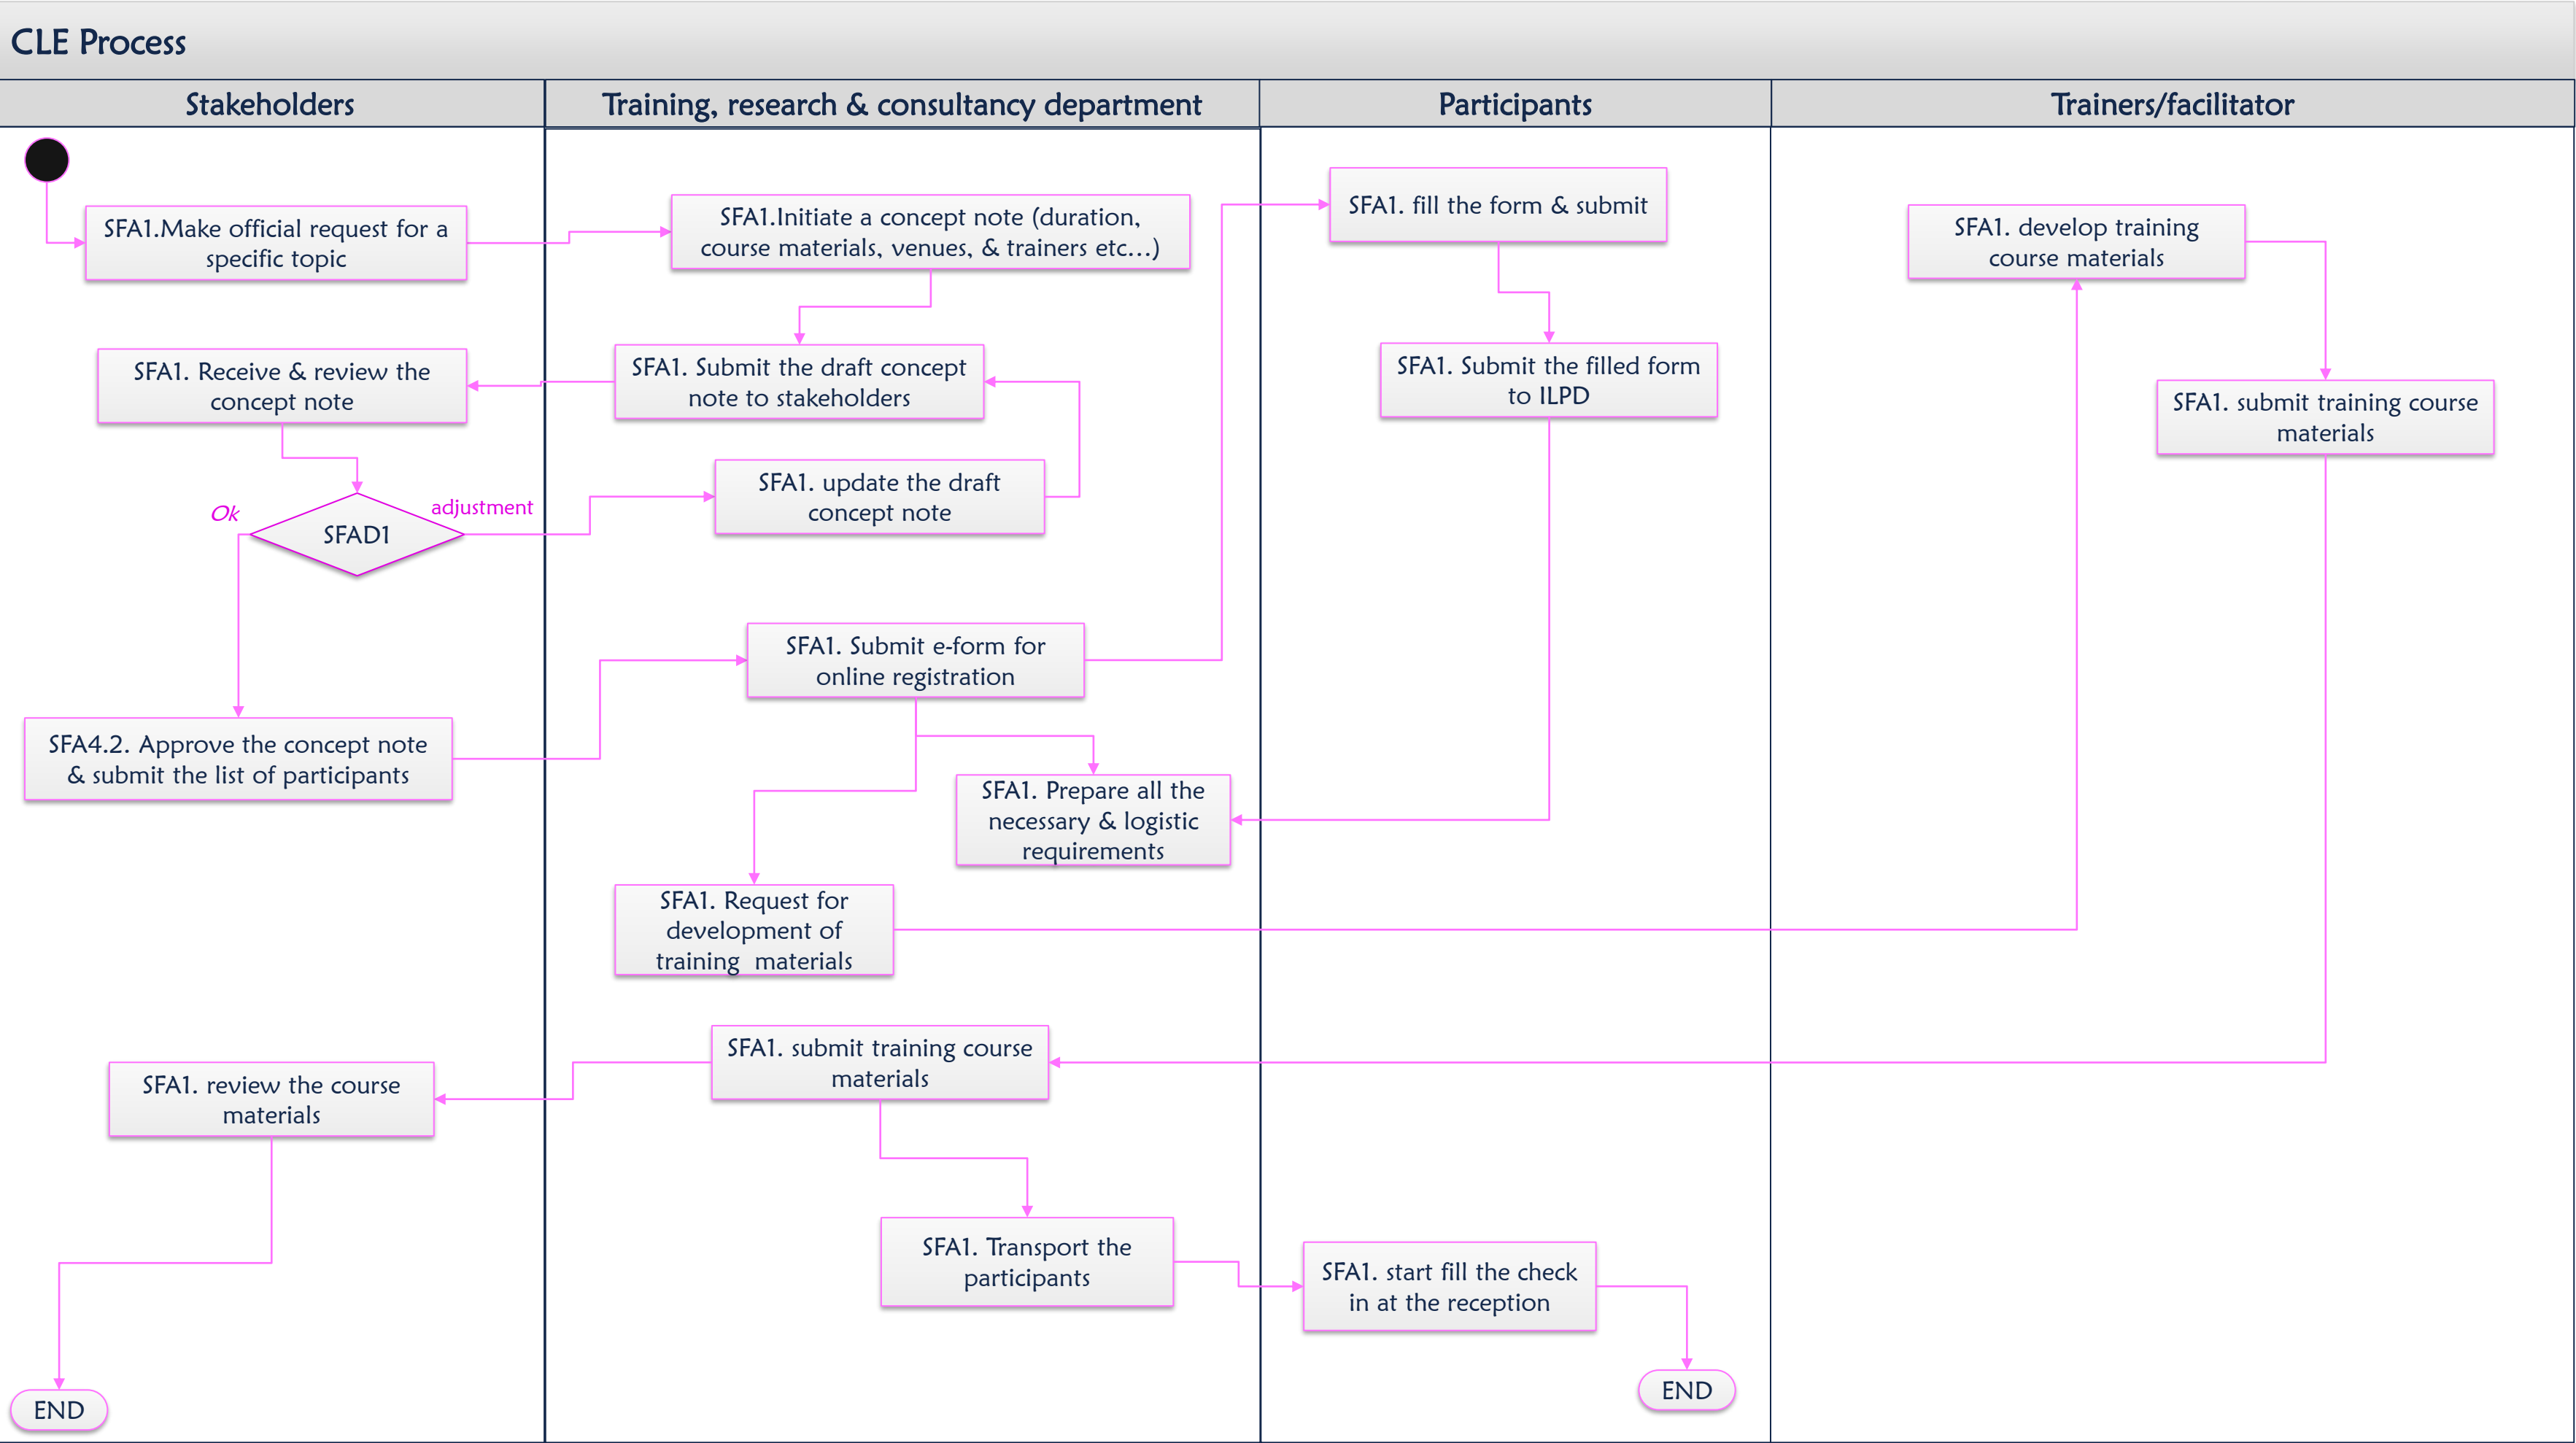

Student Hostel Management process (The Proposed)

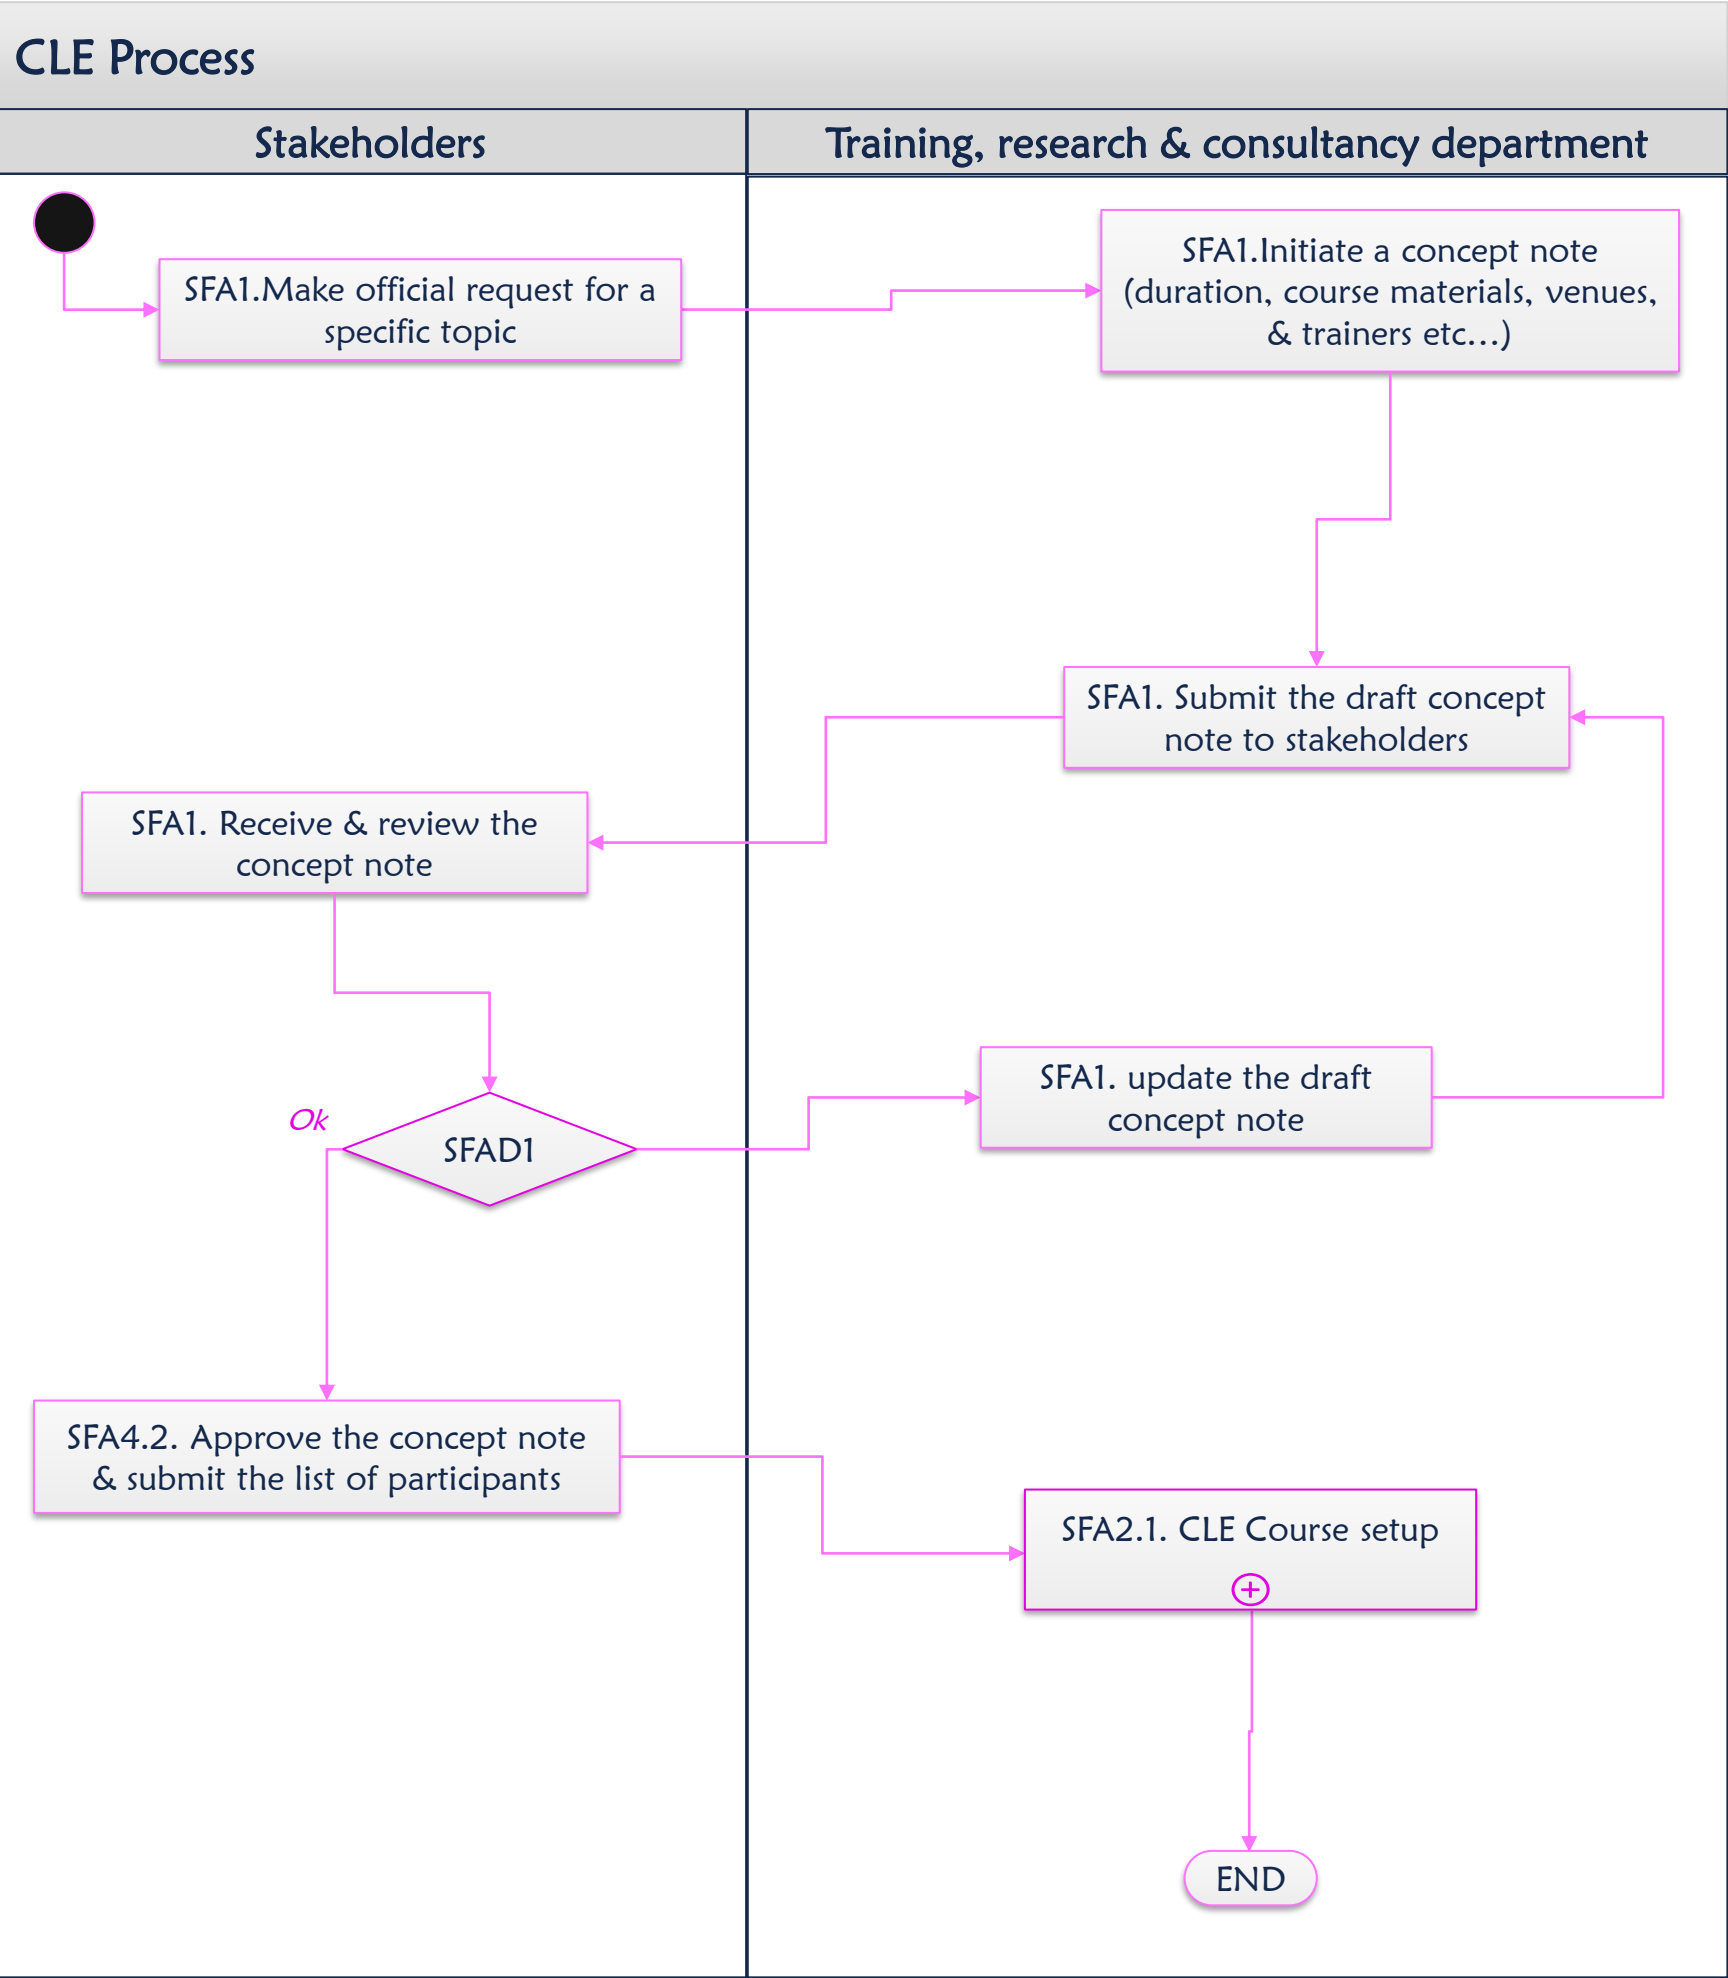

Student Affairs Management process

Continual Legal Education Management – Course setup (AS-IS)

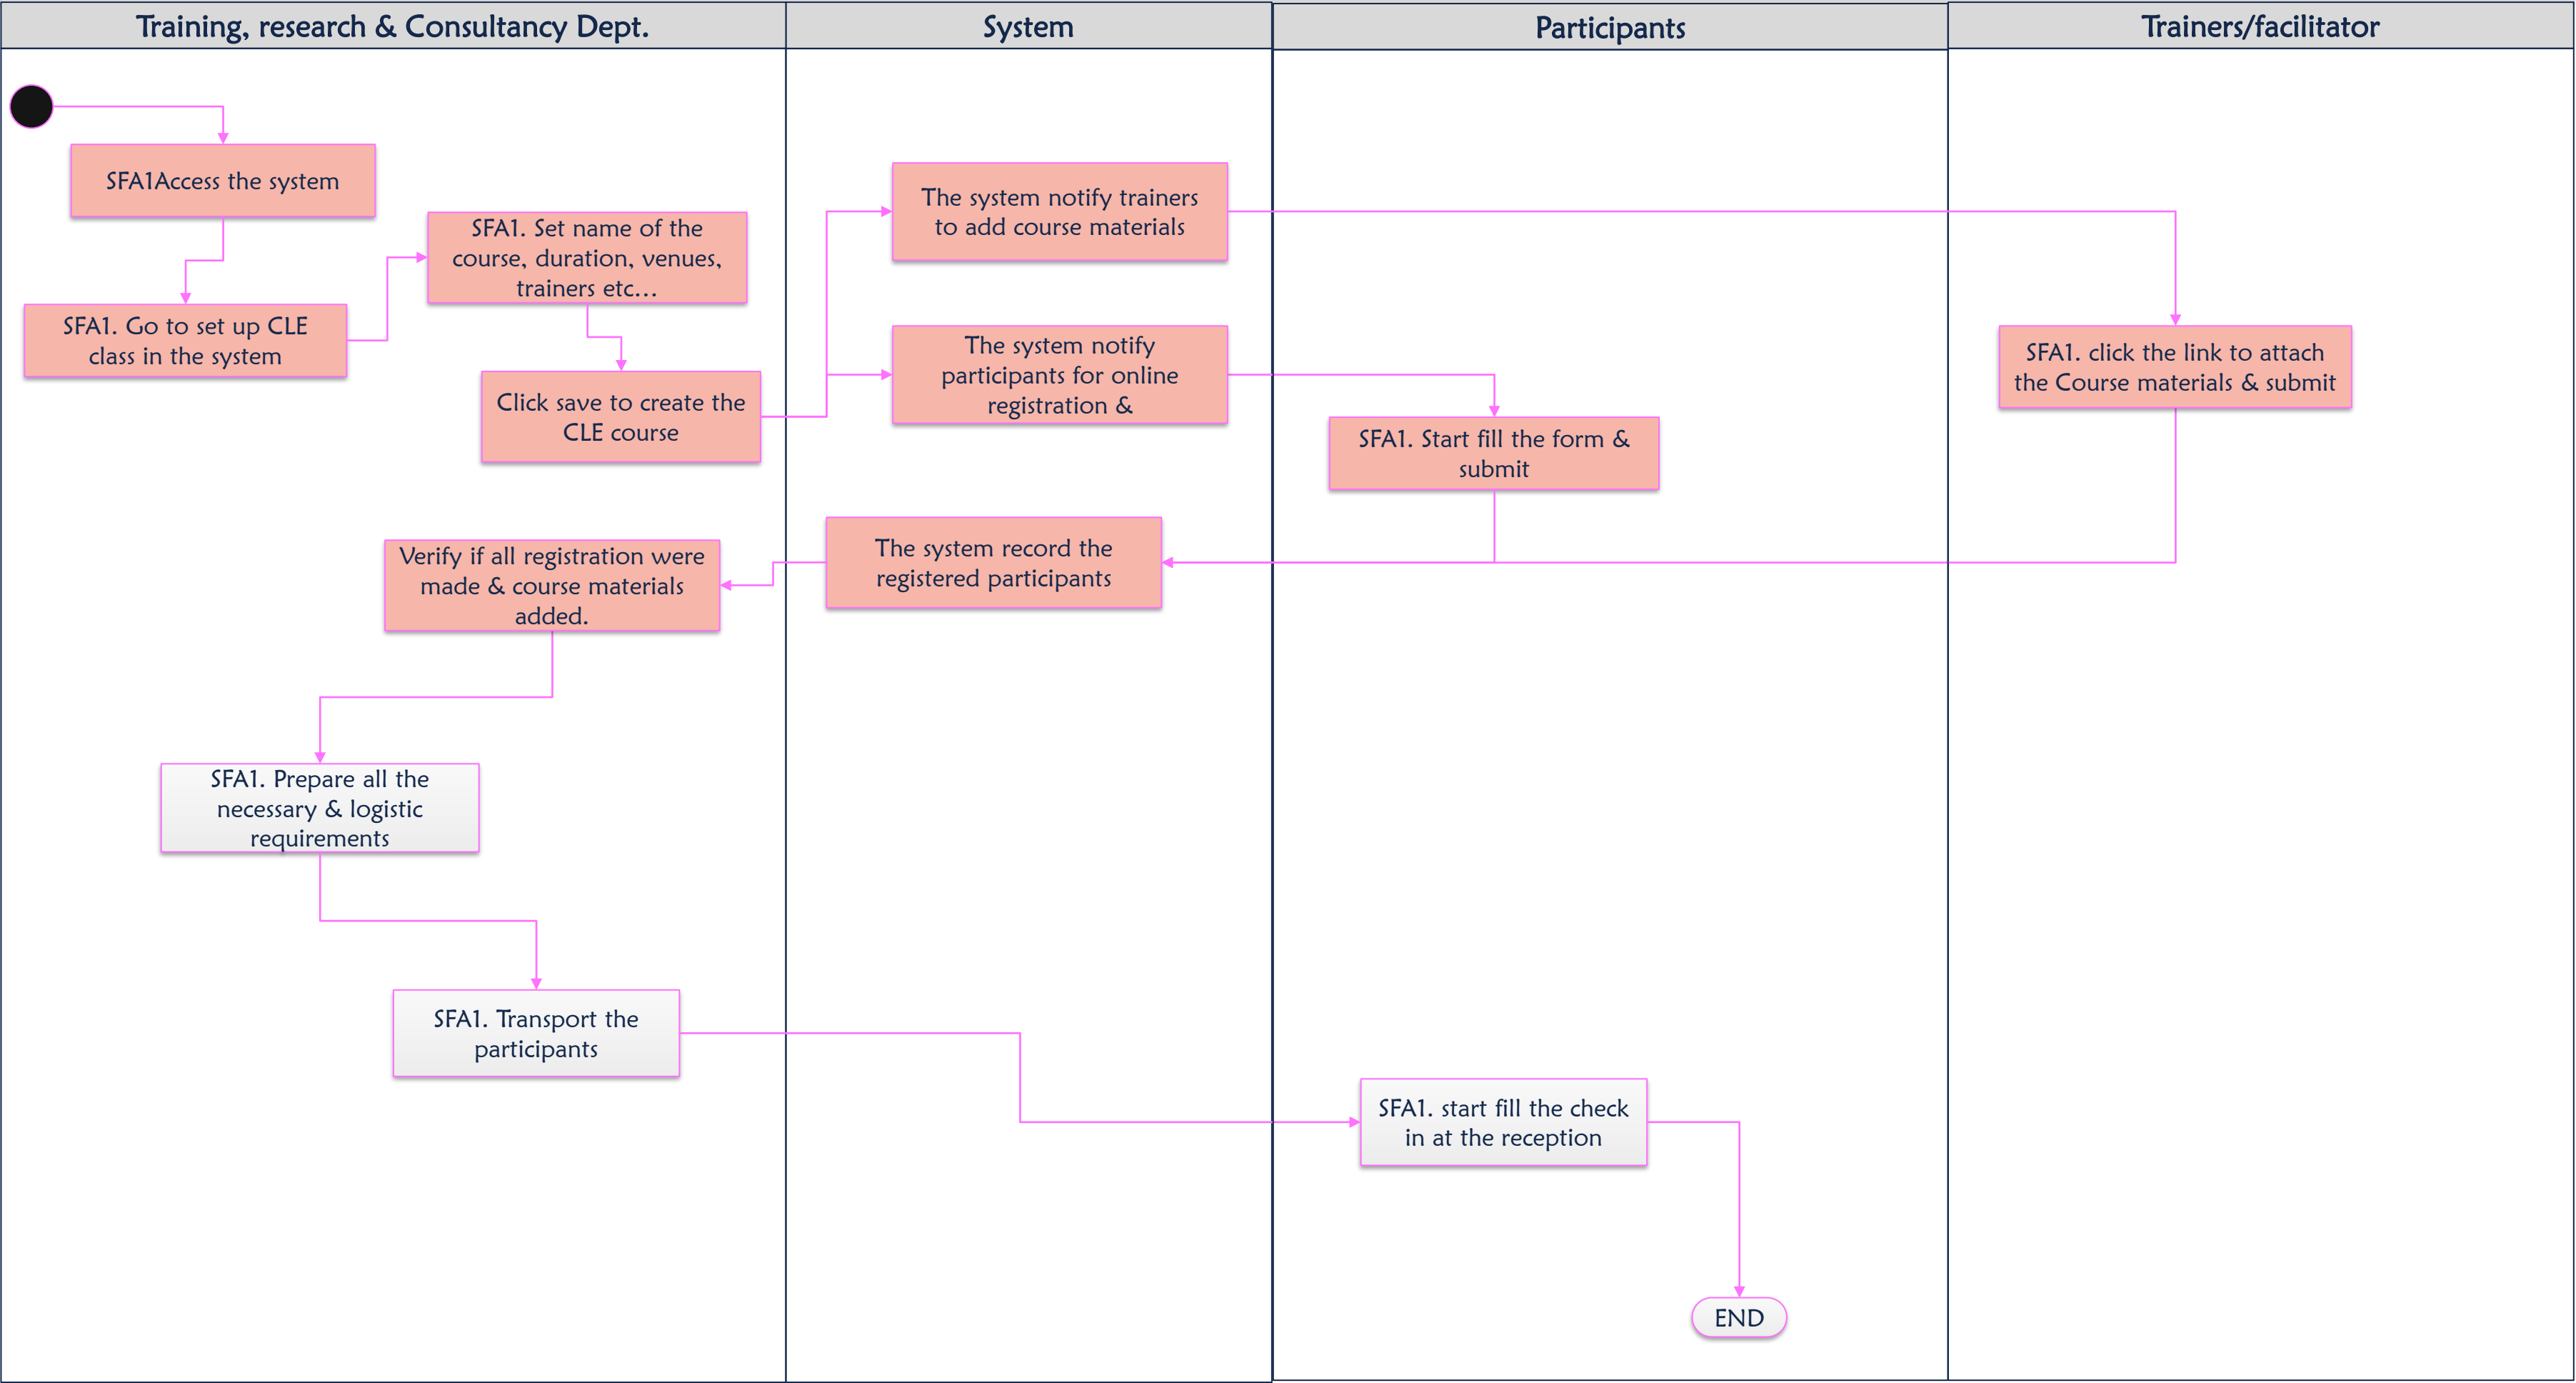

Continual Legal Education Management – Concept Note (the proposed)

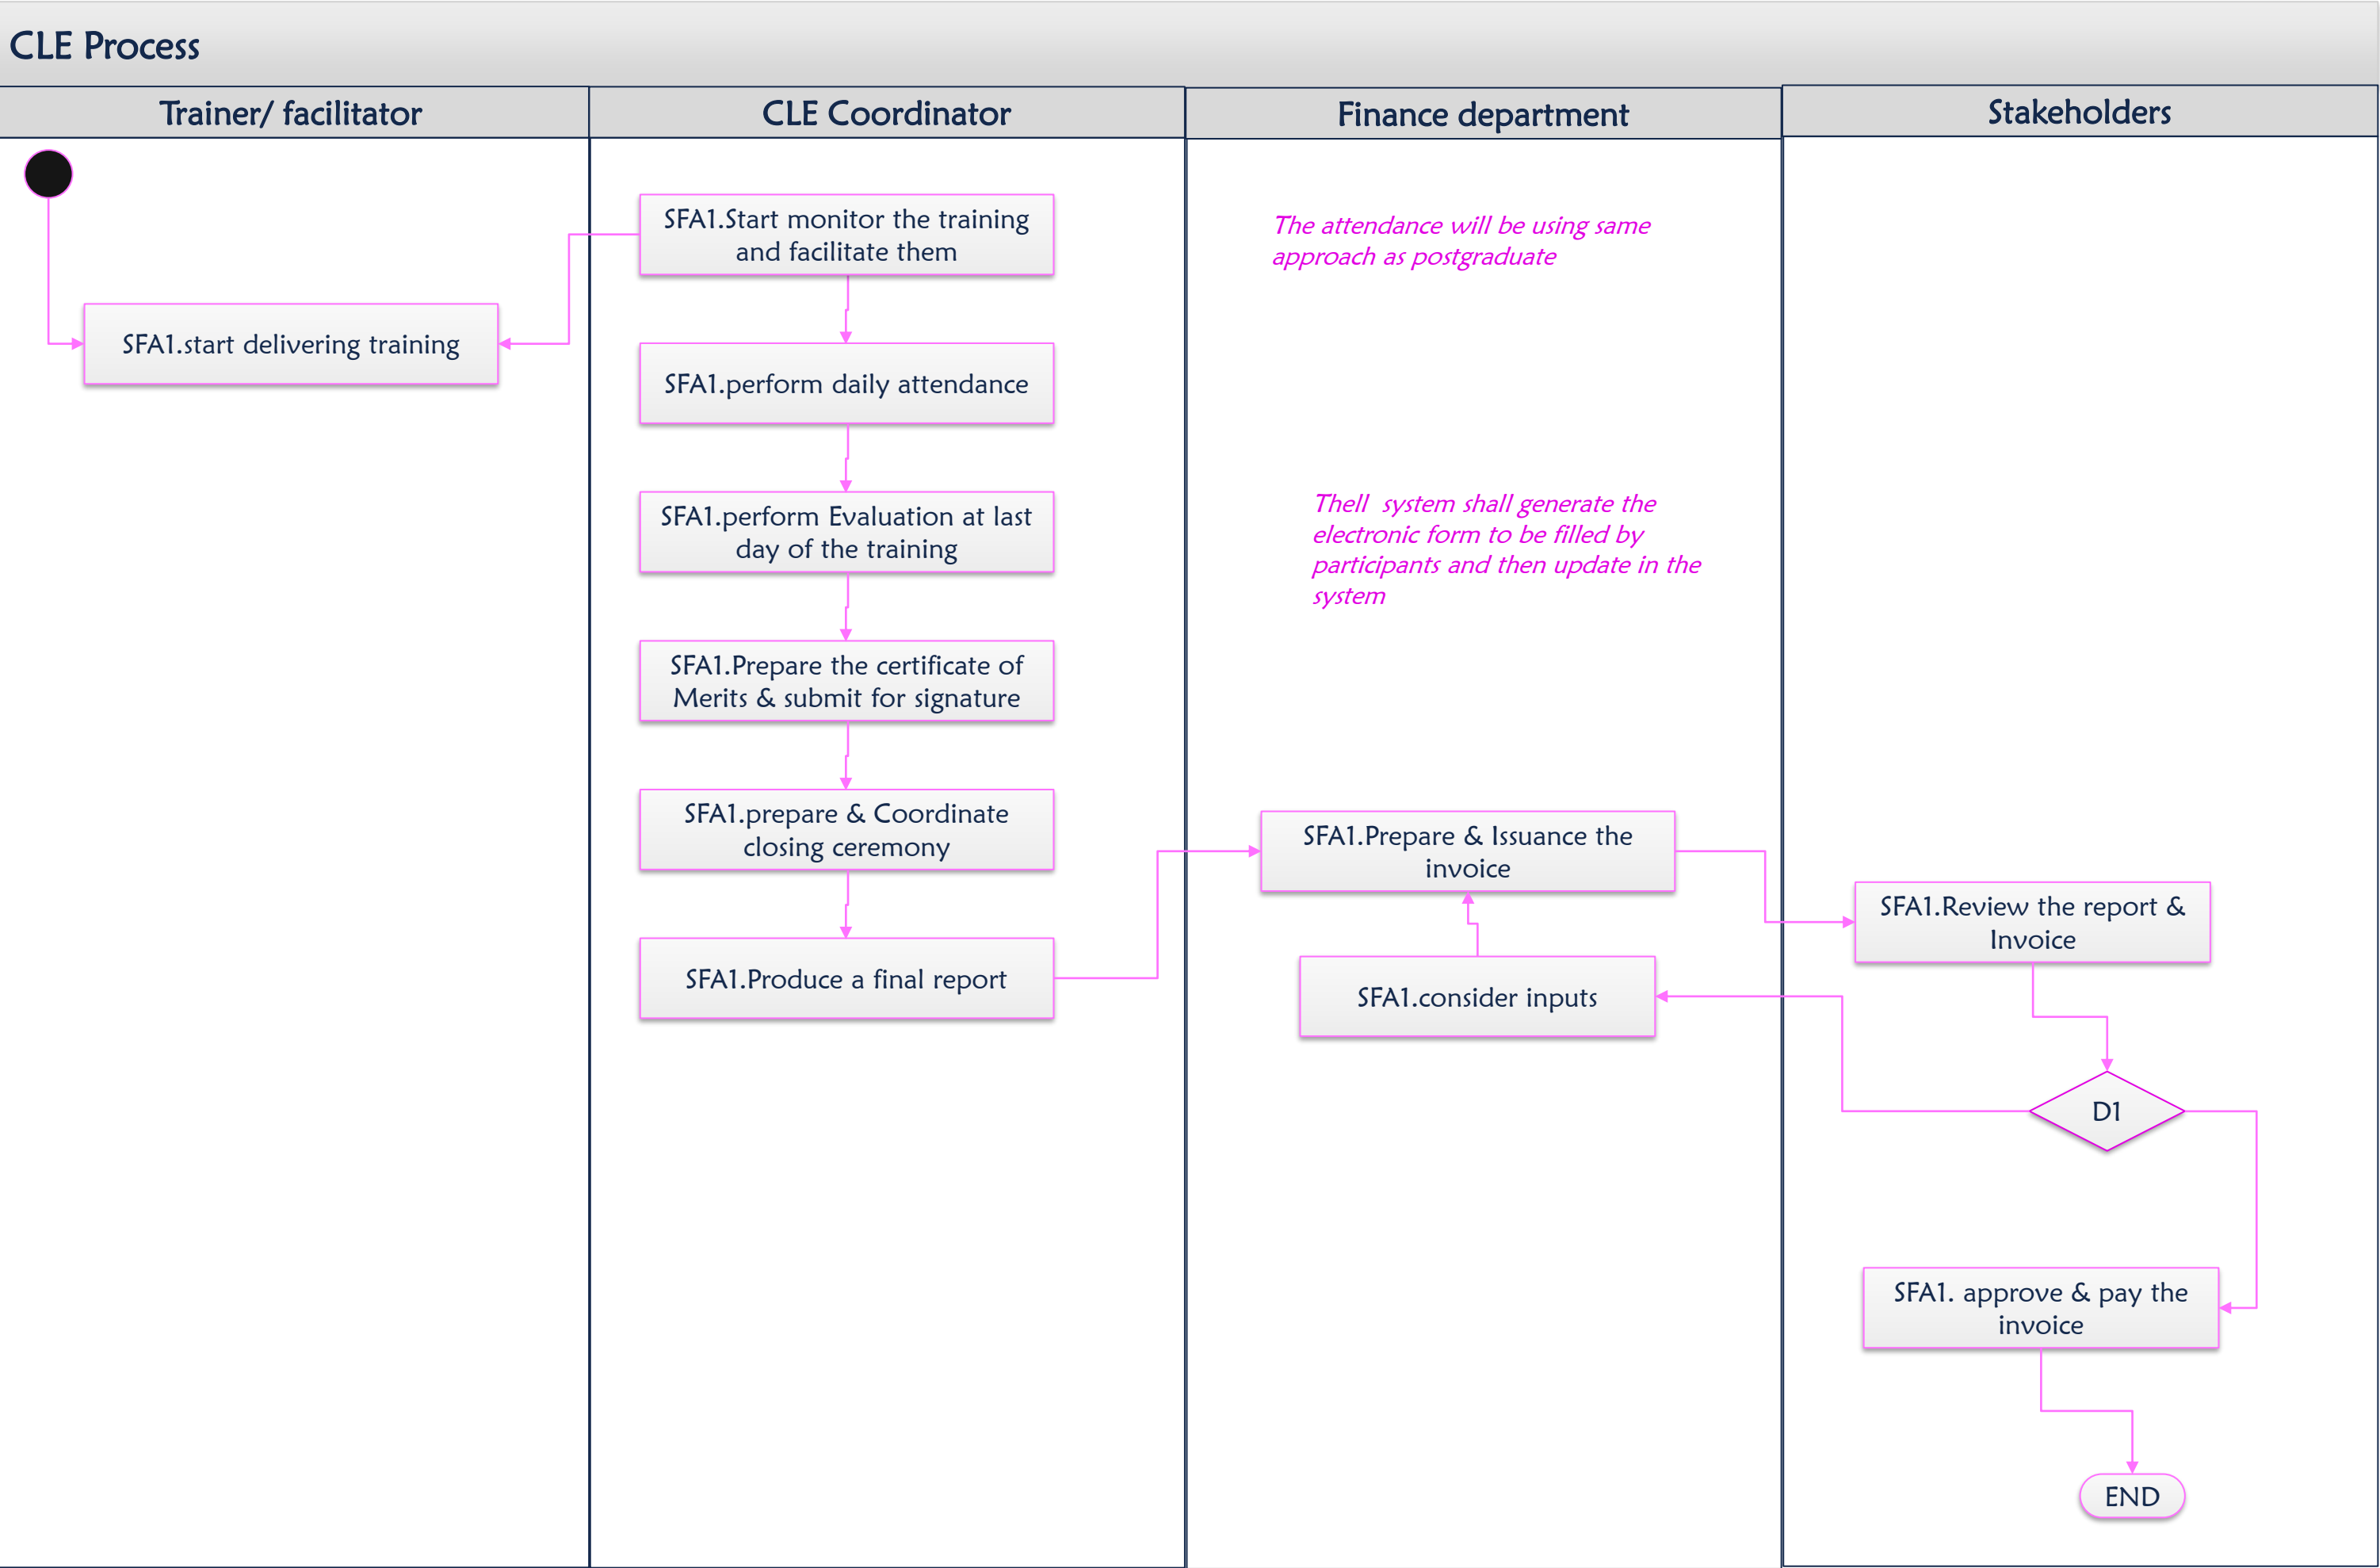

Continual Legal Education Management –Course Setup (the Proposed)

CLE Process

Continual Legal Education - Course implementation (AS-IS)

Next Steps

- Solution proposal & High-level Cost Analysis
- Report & validation
